POINT FURY

A NOVEL

The book cover features a dark, atmospheric illustration. The top half is a deep blue sky with a few wispy clouds. Below the sky, a dark, turbulent sea with white-capped waves is visible. On the right side, a multi-story, modern building with a curved facade is perched on a cliff, illuminated from within, casting a warm glow. The foreground is a dark, reddish-brown landscape, possibly a beach or a field of low-lying vegetation. A long, thin, light-colored object, resembling a shovel or a pole, is stuck into the ground on the left side. The overall mood is mysterious and ominous.

Before I Forget Leonard Pitts, 2009-03-01 An unsettling, compelling first novel about secrets, illness, and the role of African American men in society and family life. Publishers Weekly starred review: "This powerful novel of three generations of black men bound by blood and by histories of mutual love, fear, and frustration gives Pulitzer Prize-winning writer Leonard Pitts the opportunity to explore the painful truths of black men's lives, especially as they play out in the fraught relations of fathers and sons. As fifty-year-old Mo tries to reach out to his increasingly tuned-out son Trey, who himself has become an unwed teenaged father, he realizes that the burden of grief and anger he carries over his own estranged father has everything to do with the struggles he encounters with his son. Part road novel, part character study, and part social critique, and written in compulsively readable prose, *Before I Forget* is the work of a major new voice in American fiction. Pitts knows inside and out the difficulties facing black men as they grapple with the complexities of their roles as fathers. Pitts is a master storyteller with a keen eye for both social trends and the human heart. Tananarive Due, American Book Award-winning author. A beautiful, tragic, and riveting work. Shelf Awareness selected as one of top ten novels of 2009. A gripping story of regret, revenge, unconditional love, acceptance, and ultimately forgiveness. Atlanta Daily World. [The Coast of British Columbia from Juan de Fuca Strait to Portland Canal, Together with Vancouver and Queen Charlotte Islands](#) United States.

Hydrographic Office, 1907 **Polar Pioneers** M. Ross, 1994-11-16 In 1818 John Ross led an expedition to search for the Northwest Passage. He got as far as Baffin Bay, but when he reached the only practicable entrance to the passage, he declared it to be no more than a bay enclosed by mountains. In subsequent years, he was widely derided for that error and carried the scars of public and professional humiliation for the rest of his life. In 1829, he mounted a private expedition to search for the passage, during which he became trapped in the Canadian Arctic and survived a four-year ordeal of isolation and hardship. He proved that whatever his shortcomings as an explorer, he could never be accused of lacking courage. James Clark Ross was one of the most experienced and respected explorers of his day.
