**Our Animal Friends in Their Native Homes** Phebe Westcott Humphreys, 2020-08-03 Reproduction of the original *Our Animal Friends in Their Native Homes* by Phebe Westcott Humphreys **Better Homes and Gardens**, 1928 *Nursing Homes* United States. Congress. Senate. Special Committee on Aging, 1962 **Who's Got a Home?** Pasquale De Marco, 2025-04-26 *Who's Got a Home* takes young readers on an extraordinary journey through the diverse habitats of animals around the world. This captivating book explores the unique homes animals have built, the ingenious ways they find food and shelter, and the fascinating relationships they form with other species. With engaging narratives and vibrant illustrations, this book ignites a sense of wonder and curiosity about the natural world. It inspires young readers to explore the marvels of the animal kingdom and fosters a lifelong appreciation for the beauty and complexity of our planet. Through ten captivating chapters, readers will embark on an educational adventure delving into the intricate connections between animals and their environments. Each chapter focuses on a specific habitat, such as forests, deserts, grasslands, tundras, rainforests, oceans, mountains, caves, and the sky. Within these diverse ecosystems, readers will meet a wide variety of animals, from tiny insects to majestic whales. They will learn about the remarkable adaptations animals have developed to survive and thrive in their unique surroundings. From the intricate nests birds build in trees to the underground burrows of rabbits, each animal's home is a marvel of engineering and ingenuity. *Who's Got a Home* also highlights the importance of preserving these habitats and the role we play in ensuring their continued existence. It encourages young readers to become stewards of the environment and to take action to protect the delicate balance between species and their surroundings. This book is a valuable resource for parents, educators, and anyone who wants to instill a love of learning and a deep appreciation for the natural world in young readers. It's an unforgettable experience that will leave children captivated from beginning to end. If you like this book, write a review on Google Books.
