major discussion about how to solve the crisis But what was going on in Eastern Europe parallel to this development Were any similar trends being registered The authors of this volume pursue the answers to these questions by studying the politics economics social and cultural movements of that time in the multiethnic countries of Yugoslavia and the Soviet Union It becomes clear that these two countries were themselves in the midst of a latent crisis resulting from the global developments around them and from their own internal conflicts The symptoms of this crisis were well known in expert circles but not registered fully by either the political leaders or the citizens at large *Pro-Systems Complete Baton Manual* Fernan Vargas, Joseph Truncala, 2015-10-03 The straight stick has probably been used as a self defense tool since a human made the first footprints on earth Through the ages variations of the stick and staff have been created to make a better self defense tool The straight stick was turned into spears and swords Understanding the basic use of the straight police baton makes it possible to use numerous other objects for self defense In fact the same techniques taught for using the police baton relate to a host of stick fighting and sword arts such as Hanbo Jutsu Jo Jutsu Wakizashi Jutsu and similar weapon combat systems It is hoped this book will provide a basic overview of the many ways a straight baton can be used for self defense control and takedowns for law enforcement security officers and martial artists studying weapons **California.
