Policemans Lot:

Policeman's Lot Dell Shannon,2014-07-14 My favourite American crime writer New York Herald Tribune The Wilcox Street precinct is as busy as ever Sergeant Maddox and his team face three tricky murder cases with motives that turn out to be as strange and bizarre as the crimes themselves But it is not only murder that is occupying Maddox When policewoman Carstairs who has vainly adored him for so long begins to show interest in newcomer Sergeant O'Neill Maddox discovers to his astonishment that he is jealous and will have to balance his time between romance and murder **A Policeman's Lot** Msa Blackwell,2012-11 A Policeman's Lot Volume Two in the Notting Hill Trilogy A comedy adventure beginning in London in the spring of 1975 An elderly widow who lived in Notting Hill and was involved in the finding of some stolen penny black stamps brings home a real dinosaur bone to compare it to an imitation one Her dog breaks the false bone and falls sick A friend who was visiting her collected the residue contained within the false bone and gave it to a policeman It was identified as heroin and investigations lead the police to Museums in England who had bought the false bones being part of a display of Dinosaurs to a raid in Holland where the policeman who took part in a raid had a fight in a sex club The raid was a success but his escapade in the club infuriated his superiors whereupon he was placed on suspension The chief constable however knew the truth and engaged him as an undercover agent to resolve other police matters and placed him with an American cop as an assistant After many comical situations including going undercover in a nudist camp and being part of a sting in a criminal situation the truth however was finally revealed and the policeman became a hero and gained fame and fortune

Policeman's Lot Henry Wade,2016-07-28 A baker's dozen of stories from the Golden Age master of the police procedural seven from the casebook of Detective Inspector John Poole whose brilliant work in the *The Duke of York's Steps* and *No Friendly Drop* will be remembered by readers of Wade novels and six miscellaneous narratives of crime and detection all of them displaying the scientific ingenuity which distinguishes Wade's work In the Shadow of the Great War Kirsty Bennett,Imogen Middleton,Michael Page,Juliet Warren,2019-10-07 The military toll of World War I is widely known millions of Britons were mobilised many thousands killed or wounded and the landscape of British society changed forever But how was the conflict experienced by the people of Surrey on the home front Surrey Heritage's project *Surrey in the Great War* A County Remembers has over the four year centenary commemoration explored the wartime stories of Surrey's people and places The project's discoveries are here captured through text case studies and images This book chronicles the mobilisation of Surrey men the training of foreign troops in the county objection to military service defence against invasion voluntary work and fundraising the experiences of women and children shortages industrial supply to the armed forces and the commemoration of Surrey's dead Drawing heavily on the rich archives of Surrey Heritage it is an engaging exploration of a county in the shadow of the first globalised war between industrialised nations **Provincial Police Reform in Early Victorian England** Roger Swift,2021-04-21 The establishment of new police forces in early Victorian England has long

attracted historical enquiry and debate albeit with a general focus on London and the urban industrial communities of the Midlands and the North This original study contributes to the debate by examining the nature and process of police reform the changing relationship between the police and the public and their impact on crime in Cambridge a medium sized county town with a rural hinterland It argues that the experience of Cambridge was unique for the Corporation shared co jurisdiction of policing arrangements with the University and this fractious relationship as well as political rivalries between Liberals and Tories impeded the reform process although the force was certified efficient in 1856 Case studies of the careers of individual policemen and of the crimes and criminals they encountered shed additional light on the darker side of life in early Victorian Cambridge and present a different and more nuanced picture of provincial police reform during a seminal period in police history than either the traditional Whig or early revisionist Marxist interpretations implied As such it will support undergraduate courses in local social and criminal justice history during the Victorian period

Fatalities D. Baker, 2014-11-07 Police Picket lines and Fatalities explores public protests and their management by the police focusing on the fatalities of strikers at the hands of police and outlining practices towards preventing such tragedies. Uniquely examining the only three worker fatalities in Australian industrial history due to police use of deadly force, this book analyses the frenzied policing involvement that led to the deaths, the lack of accountability of police leadership and individual actions, government and press partisanship and the deficiencies in criminal justice administration. Baker ultimately questions: were the police merely performing their duty by enforcing the law or were they agents complicit in reckless violence and collusion? With analysis of the recent police shooting of 34 platinum miners at Marikana, South Africa, in 2012, Baker looks at the lessons of these case studies, both past and contemporary, to provide specific applications for developing best practice of police and union peace-keeping protocols during industrial protests and the wider issues pertinent to public order policing of demonstrations in general.

Police, Crime & 999 John Donoghue, 2011 Ever wondered what really happens behind the scenes in the police? What bizarre 999 calls are made to the emergency services? Why can wearing two pairs of socks make you a suspect? What is the link between police and vampires? Which Royal arrest never made news headlines? What covert signals do officers make when they no longer wish to talk to you? After successful careers in both the military and business, John Donoghue realised that the higher you get in any organisation, the less fun you have. So, after handing back his expense account and company car, he joined the police in search of excitement and thrills and discovered some surprising answers to these puzzling questions. PC John Donoghue reveals all in his fascinating and hilarious true account of a year in the life of a front-line response officer. Names and places have been changed to protect the guilty, but if you call the police, maybe just maybe it could be Police Constable John Donoghue turning up at your door. This book will appeal to anyone interested in crime and police, as well as fans of autobiographies and humour.
