

Policing Surveillance And Social Control

Clíodhna Pierce

Policing Surveillance And Social Control:

Policing, Surveillance and Social Control Tim Newburn, Stephanie Hayman, 2002 This book reports the results of research carried out in a London police station on the role and impact of closed circuit television CCTV in the management and surveillance of suspects the most thorough example of the use of CCTV by the police in the world Research methods involved the analysis of CCTV footage analysis of suspect s backgrounds and extensive interviews of both suspects and police officers The research is situated in the context of concerns about the human rights implications of the use of CCTV and challenges criminological and social theory in its conceptualisation of the role of the police their governance and the use of CCTV It raises key questions about both the future of policing and the treatment of suspects in custody A key theme of this book is the need to move away from a narrow focus on the negative intrusive face of surveillance as this study demonstrates CCTV has another face one that potentially watches and protects Both faces need to be examined and analysed simultaneously in order to understand the impact and implications of electronic surveillance Key points this book is about Big Brother and the police presenting the results of research into a unique experiment carried out in a London police station which involved blanket CCTV coverage of suspects in custody the authors situate their findings about this unique experiment in the context of the key questions it raises about human rights and privacy the treatment of prisoners and suspects the use of CCTV and the way in which the police operate

Understanding Social Control Innes, Martin, 2003-12-01 This book investigates how the concept of social control has been used to capture the ways in which individuals communities and societies respond to a variety of forms of deviant behaviour In so doing the book demonstrates how an appreciation of the meanings of the concept of social control is vital to understanding the dynamics and trajectories of social order in contemporary late modern societies

Surveillance, Crime and Social Control Dean Wilson, Clive Norris, 2017-05-15 Post 9 11 the need for an expansion of surveillance and greater expenditure on surveillance capabilities has been argued for by government and industry to help combat terrorism This has been coupled with increasing incorporation of surveillance technologies into the routine practice of criminal justice This important collection draws together key contemporary writings to explore how the surveillance gaze has been directed in the name of crime control Key issues include theories on surveillance CCTV undercover police surveillance bodies databases and technologies and surveillance futures It will be an essential collection for law librarians and criminologists

The Politics of the Police Benjamin Bowling, Robert Reiner, James W. E. Sheptycki, 2019 The Politics of the Police offers a geographical and historical overview of the law and politics of the police This fifth edition covers a wider range of empirical and theoretical issues encompassing a transnational scope and reflecting the growing diversity of policing forms in today s globalized world

Technocrime, Policing, and Surveillance Stéphane Leman-Langlois, 2013 The growth of technology allows us to imagine entirely new ways of committing combating and thinking about criminality criminals police courts victims and citizens Technology offers not only new tools for committing and fighting crime but new ways to look for

unveil label crimes and new ways to know watch prosecute and punish criminals This book builds on the work of Leman Langlois last book Technocrime and brings together fresh perspectives from eminent scholars to consider how our relationship with technology and **Surveillance and Crime** Roy Coleman, Michael McCahill, 2010-10-15 Surveillance has a long standing relationship with crime and its identification prevention detection and punishment With information on each citizen spanning up to 700 databases and over 4 million CCTV cameras in the United Kingdom alone this book explores how new technologies have given rise to new forms of monitoring and control Offering a comprehensive understanding of the relationship between surveillance crime and criminal justice this book explores the development of surveillance technologies within a broad historical context how new surveillance technologies are shaped by existing social relations political practices cultural traditions and organizational contexts the implications of the use of surveillance in responding to crime including biometrics DNA samples and electronic monitoring how new surveillance technologies reinforce old social divisions particularly along the lines of class race gender and age The book draws upon theoretical debates from a range of disciplines to shed light on this topical subject Engaging and authoritative this is an important read for advanced students and academics in criminology criminal justice social policy and sociology The Key Approaches to Criminology series celebrates the removal of traditional barriers between disciplines and specifically reflects criminology s interdisciplinary nature and focus It brings together some of the leading scholars working at the intersections of criminology and related subjects Each book in the series helps readers to make intellectual connections between criminology and other discourses and to understand the importance of studying crime and criminal justice within the context of broader debates The series is intended to have appeal across the entire range of undergraduate and postgraduate studies and beyond comprising books which offer introductions to the fields as well as advancing ideas and knowledge in their subject areas *Surveillance as Social Sorting* David Lyon, 2005-08-19 The book moves the debate beyond alarmist Big Brother treatments or complacent assumptions that once fair information principles are in place all is well to a constructive and thought provoking level

The Surveillance Web Mike McCahill, 2013-01-11 The rise of CCTV and surveillance technologies has been one of the key developments in contemporary society but its impact has often been analysed in a fragmented manner This book addresses this issue by providing a detailed micro sociological account of the construction of a CCTV network in one English city It differs from previous studies which have concentrated on open street CCTV systems in documenting and analysing the use of visual surveillance systems in a number of different locations and institutional settings including the industrial workplace shopping malls high rise housing schemes and hospitals It is concerned not just with abstract categories of grand theory but seeks to explain how people living in contemporary society experience these changes The Surveillance Web situates the growth of visual surveillance systems in the context of many of the key concerns of theorists of modernity and makes a key contribution to understanding the nature of the relationship between surveillance and society Its starting point

is to view the relationship between surveillance and society as a two way process the book looks at both the social impact of visual surveillance systems and at how the impact of these technologies is shaped by existing social relations political practice and cultural traditions provides a richly textured account and analysis of the introduction of visual surveillance technologies CCTV in an English city explores the impact of the introduction and use of visual surveillance systems in a wide variety of locales and institutional settings both public and private makes a key contribution to theoretical debates over the relationship between surveillance systems and society one of the central concerns of theorists of modernity

Surveillance and Governance Mathieu Deflem, 2008-04-08 Presents insights in the sociological study of surveillance and governance in the context of criminal justice and other control strategies This volume provides a varied set of theoretical perspectives and substantive research domains on the qualities and quantities of some of the transformations of social control

Legacies of the Surveillance State Cliodhna Pierce, 2025-02-19 In an age of invasive technology and mass data collection how can we understand the true impact of surveillance on our lives and communities Legacies of the Surveillance State offers a chilling exploration of two historical surveillance societies East Germany and Northern Ireland during the 1970s and 1980s to provide a unique perspective on the human cost of surveillance Cliodhna Pierce delves into the chilling similarities in surveillance tactics used by these ideologically opposed regimes revealing the profound and lasting consequences for those living under constant scrutiny Through a comparative analysis and personal testimonies from those who lived through it Pierce uncovers the mechanisms of control the manipulation of information and the chilling effects on individual liberties and community cohesion This book is a powerful reminder of the importance of vigilance in protecting our freedoms and a must read for anyone concerned about the growing reach of surveillance in our modern world It will appeal to scholars and students of surveillance studies sociology history political science policing and criminology security studies and science and technology studies

Surveillance, Capital and Resistance Michael McCahill, Rachel L. Finn, 2014-03-21 Surveillance Capital and Resistance is a major contribution to current debates on the subjective experience of surveillance Based on a large research project undertaken in a Northern City in the UK and focusing mainly on the use of surveillance in the context of policing and security the book explores how a diverse range of social groups school children political protesters offenders unemployed people migrants and police officers experience and respond to being monitored by new surveillance technologies such as CCTV surveillance cameras and computers The book interweaves surveillance theory with the work of Pierre Bourdieu to argue that the distribution of various forms of capital economic social cultural and symbolic in any given field operate as a range of goods or resources that structure the dynamics of surveillance practices and power relations including the ability to contest surveillance The term surveillance capital is introduced to refer to the tacit knowledge and everyday forms of cultural know how that allow surveillance subjects to contest surveillance in a variety of local and specific settings The book is essential reading for anyone that might be interested in how people experience and respond to the new

surveillance measures currently used in the crime control field It will be key reading for students and academics interested in surveillance studies childhood studies media studies criminal justice and migration studies

Surveillance Practices and Mental Health Suki Desai, 2021-12-30 This book examines how CCTV cameras expose the patient body inside the mental health ward especially the relationship between staff and patients as surveillance subjects A key aspect of the book is that existing surveillance literature and mental health literature have largely ignored the influence of CCTV cameras on patient and staff experiences inside mental health wards Research findings for this book suggest that camera use inside mental health wards is based on a perception of the violent nature of the mental health patient This perception not only influences ethical mental health practice inside the ward but also impacts how patients experience the ward It is not known how and why CCTV camera use has expanded to its uses inside mental health wards These include not only communal areas of the ward but also patient bedrooms The research therefore examines how and why camera technology was introduced inside three Psychiatric Intensive Care Mental Health Units located in England UK Aimed at both undergraduate and postgraduate students this book will appeal to sociology mental health and surveillance studies students as well as practitioners in mental health nursing caseworkers and social caregivers

ICTs for Mobile and Ubiquitous Urban Infrastructures: Surveillance, Locative Media and Global Networks Firmino, Rodrigo J., Duarte, Fabio, Ultramari, Clovis, 2010-10-31 This book investigates how a shift to a completely urban global world woven together by ubiquitous and mobile ICTs changes the ontological meaning of space and how the use of these technologies challenges the social and political construction of territories and the cultural appropriation of places Provided by publisher

International Handbook of Criminology Shlomo Giora Shoham, Paul Knepper, Martin Kett, 2010-02-23 The second handbook in the Shoham trilogy which includes the esteemed International Handbook of Penology and Criminal Justice and the upcoming International Handbook of Victimology this volume is a comprehensive treatment of criminology theory This text contains contributions from 25 of the top international scholars in the field across a wide range of disciplines Topics include social deviance research methods biological and physiological explanations personality types and family socialization processes The book also explores ecological and economic factors differential association and situational crime prevention cultural conflicts and immigration as well as stigmas group delinquency and juvenile delinquency

Opening the Black Box Gavin Smith, 2014-10-03 Closed Circuit Television CCTV cameras are a prominent if increasingly familiar feature of urbanism They symbolize the faith that spatial authorities place in technical interventions for the treatment of social problems CCTV was principally introduced to sterilize municipalities to govern conducts and to protect properties Vast expenditure has been committed to these technologies without a clear sense of how precisely they influence things CCTV cameras might appear inanimate but Opening the Black Box shows them to be vital mediums within relational circulations of supervision The book principally excavates the social relations entwining the everyday application of CCTV It takes the reader on a journey from living beneath the camera to working behind the lens

Attention focuses on the labour exerted by camera operators as they source and process distanced spectacles. These workers are paid to scan monitor screens in search of disorderly vistas visualizing stimuli according to its perceived riskiness and or allurement. But the projection of this gaze can draw an unsettling reflection. It can mean enduring behavioural extremities as an impotent witness. It can also entail making spontaneous decisions that determine the course of justice. Opening the Black Box therefore contemplates the seductive and traumatic dimensions of monitoring telemediated riskscape through the prism of camera circuitry. It probes the positioning of camera operators as vicarious custodians of a precarious social order and engages their subjective experiences. It reveals the work of watching to be an ambiguous practice as much about managing external disturbances on the street as managing internal disruptions in the self. *Police Powers and Citizens' Rights* Layla Skinns, 2019-01-31. Police detention is the place where suspects are taken whilst their case is investigated and a case disposal decision is reached. It is also a largely hidden but vital part of police work and an under explored aspect of police studies. This book provides a much needed comparative perspective on police detention. It examines variations in the relationship between police powers and citizens rights inside police detention in cities in four jurisdictions in Australia, England, Ireland and the US, exploring in particular the relative influence of discretion, the law and other rule structures on police practices as well as seeking to explain why these variations arise and what they reveal about state/citizen relations in neoliberal democracies. This book draws on data collected in a multi method study in five cities in Australia, England, Ireland and the US. This entailed 480 hours of observation as well as 71 semi structured interviews with police officers and detainees. Aside from filling in the gaps in the existing research, this book makes a significant contribution to debates about the links between police practices and neoliberalism. In particular, it examines the police, not just the prison, as a site of neoliberal governance. By combining the empirical with the theoretical, the main themes of the book are likely to be of utmost importance to contemporary discussions about police work in increasingly unequal societies. As a result, it will also have a wide appeal to scholars and students, particularly in criminology and criminal justice. **Punishment and Social Control** Stanley Cohen, 2017-07-05. While crime, law and punishment are subjects that have everyday meanings not very far from their academic representations, social control is one of those terms that appear in the sociological discourse without any corresponding everyday usage. This concept has a rather mixed lineage. After September 11, it has become a slogan that conveys all things to all people but carries some very specific implications on interrogation and civil liberties for the future of punishment and social control. The editors hold that the already pliable boundaries between ordinary and political crime will become more unstable. National and global considerations will come closer together. Domestic crime control policies will be more influenced by interests of national security measures to prevent and control international terrorism will cast their reach wider to financial structures and ideological support. The movements of immigrants, refugees and asylum seekers will be curtailed and criminalized. Taken for granted human rights and civil liberties will be restricted. In the midst of these dramatic social changes, hardly anyone will

notice the academic field of punishment and social control being drawn closer to political matters Criminology is neither a pure academic discipline nor a profession that offers an applied body of knowledge to solve the crime problem Its historical lineage has left an insistent tension between the drive to understand and the drive to be relevant While the scope and orientation of this new second edition remain the same in recognition of the continued growth and diversity of interest in punishment and social control new chapters have been added and several original chapters have been updated and revised

Media and Crime in the U.S. Yvonne Jewkes, Travis Linnemann, 2017-07-27 Offering new and innovative ways of thinking about the relationship between media and crime *Media and Crime in the U S* critically examines the influence of media coverage of crimes on US culture and identity

The Handbook of Social Control Mathieu Deflem, 2019-01-11 The Handbook of Social Control offers a comprehensive review of the concepts of social control in today s environment and focuses on the most relevant theories associated with social control With contributions from noted experts in the field across 32 chapters the depth and scope of the Handbook reflects the theoretical and methodological diversity that exists within the study of social control Chapters explore various topics including theoretical perspectives institutions and organizations law enforcement criminal justice agencies punishment and incarceration surveillance and global developments This Handbook explores a variety of issues and themes on social control as being a central theme of criminological reflection The text clearly demonstrates the rich heritage of the major relevant perspectives of social control and provides an overview of the most important theories and dimensions of social control today Written for academics undergraduate and graduate students in the fields of criminology criminal justice and sociology The Handbook of Social Control is an indispensable resource that explores a contemporary view of the concept of social control

Private Security and the Modern State David Churchill, Dolores Janiewski, Pieter Leloup, 2020-03-11 Based on extensive research in several international contexts this volume provides a nuanced assessment of the historical evolution of private security and its fluid contested and mutually constitutive relationship with state agencies public policing and the criminal justice system This book provides an overview of the history of private security provision in its multiple forms including detective agencies insurance companies moral campaigners employers associations paramilitary organizations self protection and vigilantism It also explores the historical evolution of private policing and security provision in a diverse set of temporal national and international contexts and compares the interactions between public and private security bodies structures strategies and practices in different countries cultures and settings In doing so the volume fills the existing gaps in historical knowledge about the emergence of private and public security organizations and provides a more robust understanding of changes in the division of responsibility for security provision law enforcement and punishment between public and private institutions This wide ranging volume will be of great interest to scholars and students of history criminology sociology political science international relations security studies surveillance studies policing criminal justice and law

Policing Surveillance And Social Control Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Policing Surveillance And Social Control free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Policing Surveillance And Social Control free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Policing Surveillance And Social Control free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Policing

Surveillance And Social Control. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Policing Surveillance And Social Control any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Policing Surveillance And Social Control Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
