Policy And Politics In American Governments:

Policy and Politics in American Governments Ira Sharkansky, Donald Van Meter, 1975-01-01 Policy and Politics in American Governments Marsh, 1975-02-01 Budgetary Politics in American Governments James J. Gosling, 2015-08-24 This comprehensive book describes and analyzes the substance and politics of public budgeting at the national state and local levels of government In doing so it takes a comparative approach illustrating the distinctiveness of budgeting at each level as well as highlighting the features common to all three A unifying focus is the extent to which budgetary decision makers use the budget as a central vehicle to advance their policy preferences This fully updated sixth edition provides an extensive and thorough analysis of the causes of the Great Recession its economic consequences and the policy responses which pushed the boundaries of conventional monetary and fiscal policy Also new to this edition is a chapter on the intergovernmental dimensions of public budgeting along with boxed features highlighting hands on vignettes of contemporary practical challenges facing budget makers at the different levels of government *Understanding American Government and Politics* Duncan Watts, 2002 After setting the subject in context the book provides an introduction to and analysis of the American Constitution and the make up of the federal states considering the Executive Branch before looking in depth at the legislature and the judiciary American Government, Politics, and Policymaking David R. Berman, 1983 American Government Scott F. Abernathy, 2023-04-17 In American Government Fourth Edition author Scott F Abernathy tunes in to the voices of all Americans showing how our diverse ideas shape the way we behave the laws we live by and the challenges we face Each chapter features personal narratives that illustrate how the American political system is the product of strategies calculations and miscalculations of individuals **The Struggle for Soviet Jewry in American Politics** Fred A. Lazin, 2005-04-19 Until 1989 most Soviet Jews wanting to immigrate to the United States left on visas for Israel via Vienna In Vienna with the assistance of American aid organizations thousands of Soviet Jews transferred to Rome and applied for refugee entry into the United States The Struggle for Soviet Jewry in American Politics examines the conflict between the Israeli government and the organized American Jewish community over the final destination of Soviet Jewish migrants between 1967 and 1989 A generation after the Holocaust a battle surrounded the thousands of Soviet Jewish migrants fleeing persecution by choosing to resettle in the United States instead of Israel Exploring the changing ethnic identity and politics of the United States Fred A Lazin engages history ethical dilemma and diplomacy to uncover the events surrounding this conflict This book is essential reading for students and scholars of public policy immigration studies and Jewish history **The Politics Of Interests** Mark P Petracca, 2018-02-19 This is a thematically unified survey of current and significant issues affecting interest group politics and scholarship in the USA Petracca has drawn together interest group scholars and practitioners to write 16 original essays dedicated to making the best and newest research accessible to students at all levels The mix of perspectives and approaches aims to offer a stimulating analysis of contemporary American interest group activity

University of Michigan Official Publication ,1960 **Dearborn Center Announcement** University of Michigan--Dearborn,1962 *The Government of Money* Peter A. Johnson,2019-05-15 In recent years governments have increasingly given their central banks the freedom to pursue policies of price stability In particular the German Bundesbank and the U S Federal Reserve have been widely considered models of autonomous policymaking This book traces the origins of their success to the political struggle to adopt monetarism in Germany and the United States The Government of Money contends that the political involvement of monetarist economists was central to this endeavor The book examines the initiatives undertaken by monetarists from 1970 to 1985 and the policies that resulted once their ideas were enacted Taking a historical approach to major issues of political economy Peter A Johnson describes both the political efforts of the monetarist economists to convert central banks to their preferred policies and the resistance offered by traditionalist central bankers politicians and financial and labor interests Johnson concludes that monetarist ideas succeeded in part because their supporters convincingly claimed that price stability would promote political stability He thereby challenges important assumptions about politics and policymaking in both countries and reveals the often hidden influence of monetary policy on the health of capitalist democracies Budgetary Politics in American Governments James J. Gosling,2009-04-15 The public budgeting process intensifies political competition at all levels of the U S federal system Gosling clearly explains the intergovernmental dynamics of the actors institutions and processes of U S public budgeting at the local state and federal levels both now and through changes of the last several decades This edition examines tax policy in the 2008 presidential elections budgeting for military expenditures in Iraq and Afghanistan and the challenges facing state and local governments during budget shortfalls Updates throughout focus on fiscal policy and budgetary politics during the George W Bush administration and projections into Obama s presidency In addition Gosling adds a new chapter on the nuts and bolts of the budgetary process focused on the implications of budget formats for political outcomes **Government and Politics of the United States** Nigel Bowles,Robert K McMahon,2014-03-31 This extensively revised new edition offers a broad ranging systematic and sophisticated introduction contemplating the institutions and processes of government in the US set in a clear historical context AP US Government and Politics Premium Curt Lader,2020-07-28 Be prepared for exam day with Barron s Trusted content from AP experts Barron s AP U S Government and Politics Premium 2020 2021 includes in depth content review and online practice It s the only book you ll need to be prepared for exam day Written by Experienced Educators Learn from Barron s all content is written and reviewed by AP experts Build your understanding with comprehensive review tailored to the most recent exam Get a leg up with tips strategies and study advice for exam day it s like having a trusted tutor by your side Be Confident on Exam Day Sharpen your test taking skills with 5 full length practice tests 2 in the book and 3 more online Strengthen your knowledge with in depth review covering all Units on the AP U S Government and Politics Exam Reinforce your learning with practice questions at the end of each chapter Interactive Online Practice Continue your

Teaching American Government and Politics A. L. Mathews-Schultz, Jennie Sweet-Cushman, 2024-02-12 Providing practical concrete teaching strategies alongside relevant methodology and scholarship this book offers a pedagogical approach for centering students democratic citizenship and political engagement in American government courses

Guide to U.S. Political Parties Marjorie R. Hershey, 2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of politics

Key Features Thematic narrative chapters organized into six major parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States
