**André Gerrits**

## Polin Volume 17:

**My Father's Wars** Alisse Waterston, 2024-09-17 Winner International Congress of Qualitative Inquiry Outstanding Book Award 2016 My father was born into war begins this remarkable saga in Alisse Waterston's intimate ethnography a story that is also twentieth century social history This is an anthropologist's vivid account of her father's journey across continents countries cultures languages generations and wars It is a daughter's moving portrait of a charming funny wounded and difficult man his relationships with those he loved and his most sacred of beliefs And it is a scholar's reflection on the dramatic forces of history the experience of exile and immigration the legacies of culture and the enduring power of memory This book is for Anthropology and Sociology courses in qualitative methods ethnography violence migration and ethnicity

**The Myth of Jewish Communism** André Gerrits, 2009 This title presents a full length analysis of the identification of Jews with communism It traces the myth of Jewish communism from the traditional anti Jewish prejudices on which it is built to its crucial role in Eastern European Stalinist and post Stalinist politics *American Jewry and the Re-Invention of the East European Jewish Past* Markus Krah, 2017-11-20 The postwar decades were not the golden era in which American Jews easily partook in the religious revival liberal consensus and suburban middle class comfort Rather it was a period marked by restlessness and insecurity born of the shock about the Holocaust and of the unprecedented opportunities in American society American Jews responded to loss and opportunity by obsessively engaging with the East European past The proliferation of religious texts on traditional spirituality translations of Yiddish literature historical essays photographs and documents of shtetl culture theatrical and musical events culminating in the Broadway musical *Fiddler on the Roof* illustrate the grip of this past on post 1945 American Jews This study shows how American Jews reimagined their East European past to make it usable for their American present By rewriting their East European history they created a repertoire of images stories and ideas that have shaped American Jewry to this day **The Shtetl** Steven T Katz, 2006-12-24 Anyone looking to really understand the Jewish past not just the romanticized version of it will find this book a perfect antidote The Reporter Dating from the sixteenth century there were hundreds of shtetls Jewish settlements in Eastern Europe that were home to a large and compact population that differed from their gentile mostly peasant neighbors in religion occupation language and culture The shtetls were different in important respects from previous types of Jewish settlements in the Diaspora in that Jews had rarely formed a majority in the towns in which they lived This was not true of the shtetl where Jews sometimes comprised 80% or more of the population While the shtetl began to decline during the course of the nineteenth century it was the Holocaust that finally destroyed it In recent decades the shtetl has attracted a growing amount of scholarly attention though gross generalizations and romanticized nostalgia continue to affect how the topic is treated This volume takes a new look at this most important facet of East European Jewish life It helps to correct the notion that the shtetl was an entirely Jewish world and shows the ways in which the Jews of the shtetl interacted both with their co religionists and with their

gentile neighbors The volume includes chapters on the history of the shtetl its myths and realities politics gender dynamics how the shtetl has been mis represented in literature and the changes brought about by World War I and the Holocaust among other historical events Contributors include Samuel Kassow Gershon David Hundert Immanuel Etke Nehemia Polen Henry Abramson Konrad Zielinski Jeremy Dauber Israel Bartel Naomi Seidman Mikhail Krutikov Arnold J Band Katarzyna Wieclawska Yehuda Bauer and Elie Wiesel A complex and rich subject AJS Review This is the first book published in the Elie Wiesel Center for Judaic Studies Series

**The Death of the Shtetl** Yehuda Bauer,2009-01-01 The author recounts the destruction of small Jewish towns in Poland and Russia at the hands of the Nazis in 1941 1942

**Approaches to the Visual in Religion** Daria Pezzoli-Olgati,Christopher Rowland,2011-06-16 The authors of this volume investigate the analysis of visual sources and their indispensable role for understanding and interpreting religions their symbol systems and the wider traditions of which they are a part A particular interest in this study is the focus on the methodological challenge of images from a comparative perspective The common concern that ranges over all the contributions is the search for a methodological perspective where images may be analysed in a comprehensive way with particular regard for the social and wider intellectual settings as well as the religious in which the images are embedded Accordingly we seek to show that visual sources need to be interpreted from different angles In the last decades a broad range of publications has contributed to highlight the significance of images and visual media in general for understanding religious traditions communities and discourses in both historical and contemporary perspective In more recent research streams focussing on visual media in religious traditions and symbol systems various avenues have opened up and been explored focussing on the status of images and of the gaze of the viewer as central aspects Furthermore there are illuminating contributions dealing with the theoretical premises and settings with which to approach the visual as a central component of religion on the one hand giving an overview of essential definitions and implications on the other hand concentrating on specific techniques and or media

**Cartoons and Antisemitism** Ewa Stańczyk,2024-06-20 Antisemitic caricatures had existed in Polish society since at least the mid nineteenth century But never had the devastating impacts of this imagery been fully realized or so blatantly apparent than on the eve of the Second World War In *Cartoons and Antisemitism Visual Politics of Interwar Poland* scholar Ewa Stańczyk explores how illustrators conceived of Jewish people in satirical drawing and reflected on the burning political questions of the day Incorporating hundreds of cartoons satirical texts and newspaper articles from the 1930s Stańczyk investigates how a visual culture that was essentially hostile to Jews penetrated deep and wide into Polish print media In her sensitive analysis of these sources the first of this kind in English the author examines how major satirical magazines intervened in the ongoing events and contributed to the racialized political climate of the time Paying close attention to the antisemitic tropes that were both local and global Stańczyk reflects on the role of pictorial humor in the transmission of visual antisemitism across historical and geographical borders As she discusses the communities of artists publishers and political

commentators who made up the visual culture of the day Sta czyk tells a captivating story of people who served the antisemitic cause and those who chose to oppose it

**Yiddish Writers in Weimar Berlin** Marc Caplan, 2021-01-05 In Yiddish Writers in Weimar Berlin Marc Caplan explores the reciprocal encounter between Eastern European Jews and German culture in the days following World War I By concentrating primarily on a small group of avant garde Yiddish writers Dovid Bergelson Der Nister and Moyshe Kulbak working in Berlin during the Weimar Republic Caplan examines how these writers became central to modernist aesthetics By concentrating on the character of Yiddish literature produced in Weimar Germany Caplan offers a new method of seeing how artistic creation is constructed and a new understanding of the political resonances that result from it Yiddish Writers in Weimar Berlin reveals how Yiddish literature participated in the culture of Weimar era modernism how active Yiddish writers were in the literary scene and how German speaking Jews read descriptions of Yiddish speaking Jews to uncover the emotional complexity of what they managed to create even in the midst of their confusion and ambivalence in Germany Caplan s masterful narrative affords new insights into literary form Jewish culture and the philosophical and psychological motivations for aesthetic modernism

**How Strange the Change** Marc Caplan, 2011-09-14 In this book Marc Caplan argues that the literatures of ostensibly marginal modern cultures are key to understanding modernism Caplan undertakes an unprecedented comparison of nineteenth century Yiddish literature and twentieth century Anglophone and Francophone African literature and reveals unexpected similarities between them These literatures were created under imperial regimes that brought with them processes of modernization that were already well advanced elsewhere Yiddish and African writers reacted to the liberating potential of modernity and the burdens of imperial authority by choosing similar narrative genres typically reminiscent of early modern European literatures the picaresque the pseudo autobiography satire and the Bildungsroman Both display analogous anxieties toward language caught as they were between imperial global languages and stigmatized native vernaculars and between traditions of writing and orality Through comparative readings of narratives by Reb Nakhman of Breslov Amos Tutuola Yisroel Aksenfeld Cheikh Hamidou Kane Isaac Meyer Dik Camara Laye Mendeley Moykher Sforim Wole Soyinka Y Y Linetski and Ahmadou Karouma Caplan demonstrates that these literatures belated relationship to modernization suggests their potential to anticipate subsequent crises in the modernity and post modernity of metropolitan cultures This in turn leads him to propose a new theoretical model peripheral modernism which incorporates both a new understanding of periphery and center in modernity and a new methodology for comparative literary criticism and theory

Poland: General Government August 1941-1945 Klaus-Peter Friedrich, 2024-02-19 Executive editor Klaus Peter Friedrich English language edition prepared by Elizabeth Harvey Russell Alt Haaker Johannes Gamm Georg Felix Harsch Dorothy Mas and Caroline Pearce This source edition on the persecution and murder of the European Jews by Nazi Germany presents in a total of 16 volumes a thematically comprehensive selection of documents on the Holocaust The work illustrates the contemporary contexts the dynamics and the intermediate stages of the

political and social processes that led to this unprecedented mass crime It can be used by teachers researchers students and all other interested parties The edition comprises authentic testimony by persecutors victims and onlookers These testimonies are furnished with academic annotations and the vast majority of them are published here for the first time in English Learn more about the PMJ on <https://pmjdocuments.org>

*The Rabbi's Atheist Daughter* Bonnie S. Anderson, 2017 The first modern biography of one of the nineteenth century's most prominent radical activists written by an acclaimed senior feminist historian

**Anatomy of a Genocide** Omer Bartov, 2018-01-23 Winner of the Yad Vashem International Book Prize for Holocaust Research A substantive contribution to the history of ethnic strife and extreme violence The Wall Street Journal and a cautionary examination of how genocide can take root at the local level turning neighbors friends and family against one another as seen through the eastern European border town of Buczacz during World War II For more than four hundred years the Eastern European border town of Buczacz today part of Ukraine was home to a highly diverse citizenry It was here that Poles Ukrainians and Jews all lived side by side in relative harmony Then came World War II and three years later the entire Jewish population had been murdered by German and Ukrainian police while Ukrainian nationalists eradicated Polish residents In truth though this genocide didn't happen so quickly In *Anatomy of a Genocide* Omer Bartov explains that ethnic cleansing doesn't occur as is so often portrayed in popular history with the quick ascent of a vitriolic political leader and the unleashing of military might It begins in seeming peace slowly and often unnoticed the culmination of pent up slights and grudges and indignities The perpetrators aren't just sociopathic soldiers They are neighbors and friends and family They are also middle aged men who come from elsewhere often with their wives and children and parents and settle into a life of bourgeois comfort peppered with bouts of mass murder For more than two decades Bartov whose mother was raised in Buczacz traveled extensively throughout the region scouring archives and amassing thousands of documents rarely seen until now He has also made use of hundreds of first person testimonies by victims perpetrators collaborators and rescuers *Anatomy of a Genocide* profoundly changes our understanding of the social dynamics of mass killing and the nature of the Holocaust as a whole Bartov's book isn't just an attempt to understand what happened in the past It's a warning of how it could happen again in our own towns and cities much more easily than we might think

**Days of Remembrance, April 7-14, 1991**, 1990 *The New Nationalism and the First World War* L. Rosenthal, V. Rodic, 2014-10-29 The *New Nationalism and the First World War* is an edited volume dedicated to a transnational study of the features of the turn of the century nationalism its manifestations in social and political arenas and the arts and its influence on the development of the global scale conflict that was the First World War

**Hasidism, Suffering, and Renewal** Don Seeman, Daniel Reiser, Ariel Evan Mayse, 2021-06-01 Kalonymus Kalman Shapira 1889-1943 was a remarkable Hasidic mystic leader and educator He confronted the secularization and dislocation of Polish Jews after World War I the failure of the traditional educational system and the devastation of the Holocaust in which he lost all his

close family and eventually his own life Thanks to a new critical edition of his Warsaw Ghetto sermons scholars have begun to reassess the relationship between Shapira's literary and educational attainments his prewar mysticism and his Holocaust experience and to reexamine the question of faith or its collapse in the Warsaw Ghetto This interdisciplinary volume the first such work devoted to a twentieth century Hasidic leader integrates social and intellectual history along with theological literary and anthropological analyses of Shapira's legacy It raises theoretical and methodological questions related to the study of Jewish thought and mysticism but also contributes to contemporary conversations about topics such as spiritual renewal and radical religious experience the literature of suffering and perhaps most pressingly the question of faith and meaning or their rupture in the wake of genocide     Joe Salsberg Gerald J. J. Tulchinsky, 2013-01-01 Award winning historian Gerald Tulchinsky traces Salsberg's personal and professional journey from his entrance into Toronto's oppressive garment industry at age 14 which led to his becoming active in emerging trade unions to his rise through the ranks of the Communist Party of Canada and the Workers Unity League Detailing Salsberg's time as an influential Toronto alderman and member of the Ontario legislature the book also examines his dramatic break with communism and his embrace of a new career in journalism     **Jewish Experiences across the Americas** Katalin Franciska Rac, Lenny A. Ureña Valerio, 2023-08-01 This volume explores the local specificities and global forces that shaped Jewish experiences in the Americas across five centuries illuminating the culturally religiously and politically diverse lives of Jewish minorities in the Western Hemisphere     *Stories of Khmelnytsky* Amelia M. Glaser, 2015-08-19 In the middle of the seventeenth century Bohdan Khmelnytsky was the legendary Cossack general who organized a rebellion that liberated the Eastern Ukraine from Polish rule Consequently he has been memorialized in the Ukraine as a God-given nation builder cut in the model of George Washington But in this campaign the massacre of thousands of Jews perceived as Polish intermediaries was the collateral damage and in order to secure the tentative independence Khmelnytsky signed a treaty with Moscow ultimately ceding the territory to the Russian tsar So was he a liberator or a villain This volume examines drastically different narratives from Ukrainian Jewish Russian and Polish literature that have sought to animate deify and vilify the seventeenth century Cossack Khmelnytsky's legacy either as nation builder or as antagonist has inhibited inter ethnic and political rapprochement at key moments throughout history and as we see in recent conflicts continues to affect Ukrainian Jewish Polish and Russian national identity     **The Making of Jewish Revolutionaries in the Pale of Settlement** I. Shtakser, 2014-07-22 This book examines the emotional aspects of revolutionary experience during a critical turning point in both Russian and Jewish history the 1905 revolution Shtakser argues that radicalization involved an emotional transformation which enabled many young revolutionaries to develop an activist attitude towards reality     **Survivors** Jadwiga Biskupska, 2022-02-17 Reveals the harrowing story of life in Warsaw under Nazi occupation and explores resistance to the regime by the Warsaw intelligentsia

## Polin Volume 17 Introduction

In today's digital age, the availability of Polin Volume 17 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Polin Volume 17 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Polin Volume 17 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Polin Volume 17 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Polin Volume 17 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Polin Volume 17 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Polin Volume 17 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Polin Volume 17 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Polin Volume 17 books and manuals for download and embark on your journey of knowledge?

## FAQs About Polin Volume 17 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Polin Volume 17 is one of the best book in our library for free trial. We provide copy of Polin Volume 17 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Polin Volume 17. Where to download Polin Volume 17 online for free? Are you looking for Polin Volume 17 PDF? This is definitely going to save you time and cash in something you should think about.
