Polish Portrait Michael Tarnowski, 1972 *Family and Artistic Relations in Polish Women's Autobiographical Literature* Aleksandra Grzemska, 2024-06-03 Family and Artistic Relations in Polish Women's Autobiographical Literature examines women's autobiographical works published in Poland after the year 2000 in a broader cultural context This volume focuses on the writers representation of their relationships with their mothers many of them traumatized survivors of historical cataclysms many of them professional artists many of them struggling to reconcile their creative work with their role as wife and mother Grzemska sheds light not only on the literary strategies used by the memoirists but she also helps us understand women's struggles for an independent voice for new models of commemoration for healing This book will interest readers in literary and cultural studies as well as anyone who wishes to better understand Poland's cultural transformations in the post Communist era *Danse Macabre: Memoir of a Polish Girl at the Time of the Russian Revolution (1914/1924)* Irene Rochas, 2014-08-25 Memoir of a Polish Girl at the Time of the Russian Revolution 1914 1924 Expanded second edition with additional photographs Irene Rochas was born Aniela Tarnowicz in Warsaw in 1906 the youngest child in a large upper middle class Polish family With the outbreak of WW I in 1914 Irene and her family were stranded in Moscow and with the further outbreak of the Bolshevik Revolution they were able to return to their homeland only after a delay of four years Irene's rediscovered narrative written when she was fifty years old and set in the form of a novel is a remembrance of those eventful years of her childhood in Moscow and Warsaw In this sense it is truly a memoir Yes danse macabre is the dance of death the last waltz to which we are all invited But Irene's Danse Macabre with its inquisitive and empathetic tone and its often searing imagery is less a rumination on the inevitability of death and more a testament to the vibrancy of life itself 345 pp Endnote 29 plates **The Biography Book** Daniel S. Congress, 2000 This volume deals with the inherent relation between literary genres and cultural memory Indeed generic repertoires may be regarded as bodies of shared knowledge a sort of encyclopaedia or museum of stocked culture and have played and still play an important role in absorbing and activating that memory The contributors have focused on some specific memory linked genres that prove especially relevant in remembering and transforming past

experiences i.e. the post modern historical novel and various forms of post modern autobiographical writing. They deal with such renowned authors as Carlos Fuentes, Vargas Llosa, Umberto Eco, Antonio Tabucchi, John Barth, Julian Barnes, Michel Butor, Nathalie Sarraute, Alain Robbe-Grillet, Claude Simon, Georges Perec, and Marguerite Yourcenar. The volume thus constitutes an attractive and representative sample of post modern forms of rewriting and problematizing individual and collective pasts.

Poyln Yehiel Yeshaia Trunk, 2016-05-12. Originally published between 1944 and 1953. Poyln, Poland is one of the treasures of Yiddish literature. Despite its reputation, the book has not been fully translated into English until now. Written by Yehiel Yeshaia Trunk, a prominent Polish Jewish writer, Poyln is a colourful epic, a moving testimony and an important primary historical source that presents a portrait of Polish Jewry against the backdrop of the Nazi genocide. The undisputed hero of the story is the national community of Polish Jews. To portray this community, Trunk creates a rich gallery of characters: Hassidic patricians, timber merchants, rich landowners, brilliant Talmudists, Orthodox rabbis, and Hasidic tsadikim. He also depicts ordinary village and small town Jews, artisans, shopkeepers, workers, and Luftmenschen, all of them members of one extended family. Particularly valuable aspects of Poyln are its examination of different trends in the Hasidic movement and the author's attempt to bridge the gap between his secular generation and its religious ancestors. In short, Trunk's work aims to show Jewishness as a way of life. This is the first instalment of a multi-volume edition of Poyln, the first English translation to be published. Here begins a story of the beauty and pathos of the world of Polish Jewry, a world that was almost totally destroyed by the Nazis.

Polish-Jewish Literature in the Interwar Years Eugenia Prokop-Janiec, 2003-04-01. Foremost among a recent wave of Polish books on Jewish issues, this groundbreaking work rectifies long-held misconceptions about Polish Jewish writers. Popular notion has it that Polish Jewish writers, unlike their counterparts in Western, Northern, and Central Europe, wrote solely in Yiddish or Hebrew. Yet between the two world wars, Poland produced an elite group of assimilated Jews who wrote exclusively in Polish. Theirs was not an easy lot. Torn between love of Poland and its literature and their own Jewish identity, they straddled a fine line between two cultural worlds, at once advocating acculturation while prey to virulent anti-Semitism. This pioneering award-winning volume examines the emergence and development of these writers, their personal plight, and the profound effect they had upon Polish letters and poetry. Meticulously researched, it explores the role of language as a bridge, attitudes toward Polish writing, impact of the ghetto, and the transformation of Polish into a force for its Jewish populace. Finally, it pays homage to fine literary voices silenced by the Holocaust.
