Here is a little pocket hug,  
Keep it close, all warm and snug.  
So even when I can't be there,  
You can hold this tight and know I care.

**The Polish Peasant in Europe and America** William Isaac Thomas,Florian Znaniecki,1918 **A History of Polish Literature** Anna Nasiłowska,2024-06-11 Anna Nasilowska s A History of Polish Literature is a one volume guide that immerses readers in the rich tapestry of Polish literature and reveals its enduring impact on European identity from the Middle Ages to the late twentieth century By exploring key themes writers and works and grounding her discussion in crucial biographical context she weaves together the lives of a carefully curated list of Polish writers to paint a vivid literary portrait elucidating the epochs that these writers shaped Offering indispensable insights for readers who may be unfamiliar with the world of Polish literature it is an excellent jumping off point for further study and learning **Periods of Polish Literary History, Being the Ilchester Lectures for the Year 1923** Roman Dyboski,1923 **Troubadours and Irony** Simon Gaunt,2008-01-28 From Petrarch and Dante to Pound and Eliot the influence of the troubadours on European poetry has

been profound They have rightly stimulated a vast amount of critical writing but the majority of modern critics see the troubadour tradition as a corpus of earnestly serious and confessional love poetry with little or no humour Troubadours and Irony re examines the work of five early troubadours namely Marcabru Bernart Marti Peire d Alvernha Raimbaut d Aurenga and Giraut de Borneil to argue that the courtly poetry of southern France in the twelfth century was permeated with irony and that many troubadour songs were playful laced with humorous sexual innuendo and far from serious attention is also drawn to the large corpus of texts that are not love poems but comic or satirical songs

Women in Early Modern Polish Society, Against the European Background Maria Bogucka, 2017-03-02 While far fewer studies on women and gender have been published in Poland than in the West the last decade has seen growing interest in gender history among Polish scholars The first general history of Polish women in the early modern times was published by Dr Bogucka in Polish in 1998 the present study constitutes an expansion as well as a translation into English of that seminal work Women in Early Modern Polish Society against the European Background makes widely available to historians and women s studies scholars in the West a mass of information about women in Poland from the 16th to the 18th century previously inaccessible in Polish archives In the preface Bogucka points to the need for theoretical reflection within Polish studies of women s history and the need to develop standard concepts and terms for the study of gender to allow this research to develop further She emphasizes that scholars of women s history must rely on all documents of a given epoch if they want to examine women s lives Urban and rural records especially law court records church archives private archives diaries noblemen s records collections of sermons last wills inventories belles lettres correspondence are all sources which always contain scattered direct or indirect information on women and gender relations Bogucka examines the stages of the typical woman s life girl married woman widow discussing their position in the family and society as well as the societal changes that occurred in this sphere from the sixteenth to the eighteenth century She also looks among other things at the role of women s work in the countryside and in towns according to social status and education religious life which offered possibilities to women to appear and to act outside the home the impact of Reformation on the situation of women the participation of women in the creation and consumption of culture and women s roles in political life Finally she places her discussion of Polish women in comparative context exploring the legal status and general situation of women in Poland against those in Western countries Germany France and England as well as Central and Eastern Europe Hungary Bohemia and Russia

**The Affective Dimension in Second Language Acquisition** Danuta Gabryś-Barker, Joanna Bielska, 2013-05-03 Affectivity is at the core of everything we do in life Thus its development is also central to learning acquisition and is important for educational contexts The studies presented in this volume consider the different contexts of language learning and examine different types of participants in this process Most of them look at a formal instruction context while others look beyond the classroom and even report on the author s own affectivity and its involvement in

learning experiences Affectivity is discussed here in relation to learners but also to teachers in their own professional contexts of teaching foreign languages In the majority of cases affectivity is explored in the case of bilinguals but there are also articles which focus on multilingual language users and their affectivity as an evolving factor      *Petrarch* Francesco Petrarca,1996 Mark Musa in editing and translating Petrarch s Canzoniere has performed a wonderful service to the English speaking reader Here in one volume are included the poet s own selection of the best lyric verse he wrote throughout his life accompanied by brief but useful notes Chronicles As well as skillful and fluent verse renderings of the 366 lyrics that make up this milestone in the development of Western poetic tradition Musa offers copious and up to date annotation to each poem along with a substantial sensitive and intelligent introduction that is genuinely helpful for the first time reader and thought provoking for Petrarch scholars and other medievalists Choice The 366 poems of Petrarch s Canzoniere represent one of the most influential works in Western literature Varied in form style and subject matter these scattered rhymes contains metaphors and conceits that have been absorbed into the literature and language of love In this bilingual edition Mark Musa provides verse translations annotations and an introduction co authored with Barbara Manfredi      Cultural Differences in Concepts of Life and Partnership Ulrike Notarp,2020-05-01 The study aims to describe value formations in the area of family life and partnership in West and East Germany the Czech Republic and Poland The analysis of personal advertisements allowed the identification of basic values and attitudes that shape a culturally specific concept of life and partnership in each society The comparison showed a systematic relationship specifics in economic conditions historical heritage and national past effect the idea of a good life and a good partnership      **Sotheran's Price Current of Literature** Henry Sotheran Ltd,1905
