Political Authority And Obligation In Aristotle:

Political Authority and Obligation in Aristotle Andres Rosler,2005-03-03 to follow **Political Authority and Obligation in Aristotle** Andres Rosler,2005-03-03 to follow **Hobbes on Legal Authority and Political Obligation** Luciano Venezia,2015-09-01 Hobbes on Legal Authority and Political Obligation develops a new interpretation of Hobbes s theory of political obligation According to the account developed in the book the directives issued by the sovereign as introducing authoritative requirements so that subjects are morally obligated to obey them *Justice and Reciprocity in Aristotle's Political Philosophy* Kazutaka Inamura,2015-09-17 This book illustrates how Aristotle s ethical concepts such as justice reciprocity and friendship offer a basis for his political philosophy In particular it points out the importance of Aristotle for articulating the concept of a civic relationship and developing a theory of integration by exploring how he includes a wide variety of people within the deliberative and judicial processes Comparisons between Aristotle s own thought and present day Aristotelian political theories such as communitarianism civic republicanism and the capabilities approach are also among the unique approaches offered by the book and are used to illustrate his original vision of politics They can also however offer new insights into the problems of how to read his texts appropriately in their context and why we now need to read them not only out of an antiquarian interest but also out of our concern for politics **Conflict in Aristotle's Political Philosophy** Steven Skultety,2019-10-03 Do only modern thinkers like Machiavelli and Hobbes accept that conflict plays a significant role in the origin and maintenance of political community In this book Steven Skultety argues that Aristotle not only took conflict to be an inevitable aspect of political life but further recognized ways in which conflict promotes the common good While many scholars treat Aristotelian conflict as an absence of substantive communal ideals Skultety argues that Aristotle articulated a view of politics that theorizes profoundly different kinds of conflict Aristotle comprehended the subtle factors that can lead otherwise peaceful citizens to contemplate outright civil war grasped the unique conditions that create hopelessly implacable partisans and systematized tactics rulers could use to control regrettable but still manageable levels of civic distrust Moreover Aristotle conceived of debate enduring disagreement social rivalries and competitions for leadership as an indispensable part of how human beings live well together in successful political life By exploring the ways in which citizens can be at odds with one another Conflict in Aristotle s Political Philosophy presents a dimension of ancient Greek thought that is startlingly relevant to contemporary concerns about social divisions constitutional crises and the range of acceptable conflict in healthy democracies **Aristotle on the Nature of Community** Adriel M. Trott,2014 Adriel M Trott reads Aristotle s Politics through the internal cause definition of nature to develop an active and inclusive account of politics **Natural Law and Modern Society** Sean Coyle,2023 Natural Law and Modern Society presents a new theory of natural law grounded in the thought of Saint Thomas Aquinas aimed at answering questions relevant to the ethics and morality of the theory of law obligation and political authority from the domestic realm to

international community *Philosophy and Politics in Aristotle's Politics* Curtis N. Johnson, 2016-04-30 Johnson argues that Aristotle's *Politics* needs to be understood as a two layered treatise the first being Aristotle's political theory and the second as a set of questions for statesmen and politicians Employing this model the book sets about to provide a reconceptualization of *Politics* as a multi layered canonical work **Aristotle and the Ethics of Difference, Friendship, and Equality** Zoli Filotas, 2021-08-12 Connecting several strands of Aristotle's thought Zoli Filotas sheds light on one of the axioms of Aristotle's ethics and political philosophy that every community has a ruler and demonstrates its relevance to his ideas on personal relationships Aristotle and the Ethics of Difference Friendship and Equality reveals a pluralistic theory of rule in Aristotle's thought tracing it through his corpus and situating it in a discussion among such figures as Gorgias Xenophon and Plato Considering the similarities and differences among various forms of rule Filotas shows that for Aristotle even virtuous friends must exercise a version of rule akin to that of slaveholders He also explores why Aristotle distinguishes the hierarchical rule over women from both the mastery of slaves and the political rule exercised by free and equal citizens In doing so he argues that natural and social differences among human beings play a complex and troubling role in Aristotle's reasoning Illuminating and thought provoking this book reveals Aristotle's ambivalence about political relations and the equal treatment they involve and offers an engaging inquiry into how he understood the common structures of human relationships

The Cambridge Companion to Aristotle's Politics Marguerite Deslauriers, Pierre Destrée, 2013-08-29 One of the most influential works in the history of political theory Aristotle's *Politics* is a treatise in practical philosophy intended to inform legislators and to create the conditions for virtuous and self sufficient lives for the citizens of a state In this Companion distinguished scholars offer new perspectives on the work and its themes After an opening exploration of the relation between Aristotle's ethics and his politics the central chapters follow the sequence of the eight books of the *Politics* taking up questions such as the role of reason in legitimizing rule the common good justice slavery private property citizenship democracy and deliberation unity conflict law and authority and education The closing chapters discuss the interaction between Aristotle's political thought and contemporary democratic theory The volume will provide a valuable resource for those studying ancient philosophy classics and the history of political thought Aristotle's Politics Thornton Lockwood, Thanassis Samaras, 2015-10-09 Arguably the foundational text of Western political theory Aristotle's *Politics* has become one of the most widely and carefully studied works in ethical and political philosophy This volume of essays offers fresh interpretations of Aristotle's key work and opens new paths for students and scholars to explore The contributors embrace a variety of methodological approaches that range across the disciplines of classics political science philosophy and ancient history Their essays illuminate perennial questions such as the relationship between individual and community the nature of democratic deliberation and how to improve political institutions Offering groundbreaking studies that both set Aristotle within the context of his own time and draw on contemporary discussion of his writings this collection will provide

researchers with an understanding of many of the major scholarly debates surrounding this key text **Brill's Companion to the Legacy of Greek Political Thought** ,2024-09-23 A wealth of political literature has survived from Greek antiquity from political theory by Plato and Aristotle to the variety of prose and verse texts that more broadly demonstrate political thinking However despite the extent of this legacy it can be surprisingly hard to say how ancient Greek political thought makes its influence felt or whether this influence has been sustained across the centuries This volume includes a range of disciplinary responses to issues surrounding the legacy of Greek political thought exploring the ways in which political thinking has evolved from antiquity to the present day On Oligarchy David Tabachnick,Toivu Koivukoski,2011-12-01 Economic power is becoming increasingly concentrated in the hands of the few even as democratic movements worldwide allow for political power to be dispersed among the many With their access to influence the wealthy can shape and constrain the political power of the rest of the world As the economic dominance of an elite minority coincides with the forces of globalization is oligarchy becoming the dominant political regime This collection explores the renewed relevance of oligarchy to contemporary global politics By drawing out lessons from classic texts contributors illustrate how the character of oligarchical regimes informs contemporary political life Topics include the relationship between the American government and corporations the tension between republican and oligarchical regimes and the potential conflicts that have opened up between economic management and political life On Oligarchy deftly illuminates the significance of this regime in the context of pressing global economic and political issues **Virtue Ethics and Contemporary Aristotelianism** Andrius Bielskis,Eleni Leontsini,Kelvin Knight,2020-05-28 This compelling and distinctive volume advances Aristotelianism by bringing its traditional virtue ethics to bear upon characteristically modern issues such as the politics of economic power and egalitarian dispute This volume bridges the gap between Aristotle s philosophy and the multitude of contemporary Aristotelian theories that have been formulated in the twentieth and twenty first centuries Part I draws on Aristotle s texts and Thomas Aquinas Aristotelianism to examine the Aristotelian tradition of virtues with a chapter by Alasdair MacIntyre contextualising the different readings of Aristotle s philosophy Part II offers a critical engagement with MacIntyrean Aristotelianism while Part III demonstrates the ongoing influence of Aristotelianism in contemporary theoretical debates on governance and politics Extensive in its historical scope this is a valuable collection relating the tradition of virtue to modernity which will be of interest to all working in virtue ethics and contemporary Aristotelian politics **Aristotle's Legal Theory** George Duke,2020 This book offers a systematic exposition of Aristotle s legal thought and account of the relationship between law and politics Virtue, Happiness, Knowledge David O. Brink,Susan Sauvé Meyer,Christopher Shields,2018-06-21 Fifteen leading philosophers explore a set of themes from the pioneering work of Gail Fine and Terence Irwin in ancient philosophy but also in later periods and in systematic philosophy The contributors discuss knowledge rhetoric freedom and practical reason virtue and the good life ethics and politics in Plato and Aristotle and beyond The

editors offer an introduction charting the scholarly contributions of Fine and Irwin and assessing their individual and joint impact together with a complete bibliography of their writings

The Temporality of Political Obligation Justin Chandler Mueller, 2015-12-22 The Temporality of Political Obligation offers a critique and reconceptualization of the ways in which our political obligations what we owe to political authorities and communities and the reasons why we ought to obey their rules have been traditionally conceptualized justified and contested Drawing from theories of time and temporality Justin Mueller demonstrates some of the unacknowledged assumptions and theoretical blind spots shared among these ostensibly opposed positions and the problems and contradictions that this neglect of time poses Enriching the literature on the philosophers Henri Bergson and Gilles Deleuze Mueller demonstrates how their theoretical frameworks on time can be used to analyze a political problem that is usually confined to the concerns of normative liberal democratic theory Politically this book provides readers with the means to better identify and analyze the diverse temporalities they encounter in everyday life and better understand their experiences of them A welcomed and timely read which will be of interest to scholars involved in recent efforts to engage with the social and political dimensions and consequences of time and temporality

Aristotle's Practical Epistemology Dhananjay Jagannathan, 2024 Aristotle's Practical Epistemology presents a novel interpretation of Aristotle's influential account of practical wisdom *phronesis* by situating the topic within his broader theory of ethical knowledge Interpreters have long struggled to make sense of the disparate features Aristotle seems to attribute to practical wisdom particularly its role in bringing about individual choices and actions that fulfil the demands of the virtues of character and its status as an intellectual excellence or virtue of thought that is the analogue in the domain of ethical action of theoretical wisdom *sophia* and craft *tekhnē* in their respective domains The main contention of the book is that these features can be united when we see that *phronesis* is a distinctively practical form of understanding The book begins from the idea that Aristotle first establishes that we have ground level ethical knowledge described in the Nicomachean Ethics as ethical experience *empeiria* as a result of a decent upbringing before identifying practical wisdom as a deeper form of understanding This understanding involves a grasp of explanations just as theoretical wisdom and craft do yet it does not consist in a form of scientific or theoretical knowledge which would be detached from practice Rather the understanding of the personal of practical wisdom involves grasping the goals that are characteristic of the several virtues of character justice courage generosity and the like in such a way that they can be brought to bear on particular contexts of deliberation That comprehensive perspective is why Aristotle thinks of practical wisdom as the same understanding as political wisdom

Polis, 2006 **Aristotle on Political Community** David J. Riesbeck, 2016-08-02 A unified interpretation of Aristotle's views about the distinctive nature and value of political community rule and participation

Political Authority And Obligation In Aristotle Introduction

In today's digital age, the availability of Political Authority And Obligation In Aristotle books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Authority And Obligation In Aristotle books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Authority And Obligation In Aristotle books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Authority And Obligation In Aristotle versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Authority And Obligation In Aristotle books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Authority And Obligation In Aristotle books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Authority And Obligation In Aristotle books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Authority And Obligation In Aristotle books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Authority And Obligation In Aristotle books and manuals for download and embark on your journey of knowledge?

FAQs About Political Authority And Obligation In Aristotle Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Authority And Obligation In Aristotle is one of the best book in our library for free trial. We provide copy of Political Authority And Obligation In Aristotle in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Authority And Obligation In Aristotle. Where to download Political Authority And Obligation In Aristotle online for free? Are you looking for Political Authority And Obligation In Aristotle PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available

and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Political Authority And Obligation In Aristotle. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Political Authority And Obligation In Aristotle are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
