

Political Cartoons In The 1988 Presidential Campaign Image Metaphor And Narrative

Janis L. Edwards

Political Cartoons In The 1988 Presidential Campaign Image Metaphor And Narrative:

Political Cartoons in the 1988 Presidential Campaign Janis L. Edwards, 1997 First published in 1998 Routledge is an imprint of Taylor Francis an informa company **Teaching Politics Beyond the Book** Robert W. Glover, Daniel Tagliarina, 2012-11-22 To teach political issues such as political struggle justice interstate conflict etc educators rely mostly on textbooks and lectures However many other forms of narrative exist that can elevate our understanding of such issues This innovative work seeks new ways to foster learning beyond the textbook and lecture model by using creative and new media including graphic novels animated films hip hop music Twitter and more Discussing the opportunities these media offer to teach and engage students about politics the work presents concrete ways on how to use them along with teaching and assessment strategies all tested in the classroom The contributors are dedicated educators from various types of institutions whose essays span a variety of political topics and examine how non traditional texts can promote critical thinking and intellectual growth among students in colleges and universities The first of its kind to discuss a wide range of alternative texts and media the book will be a valuable resource to anyone seeking to develop innovative curricula and engage their students in the study of politics **Reenvisioning Israel through Political Cartoons** Matt Reingold, 2022-03-15 Reenvisioning Israel through Political Cartoons Visual Discourses During the 2018 2021 Electoral Crisis examines the ways in which the work of Israeli political cartoonists broadens conversations about contemporary challenges in the country Matt Reingold shows how 21 cartoonists across 10 different Israeli newspapers produced cartoons in response to the country's social and political crises between December 2018 June 2021 a period where the country was mired in four national elections Each chapter is structured around an issue that emerged during this period with examples drawn from multiple cartoonists This allows for fertile cross cartoonist discussion and analysis offering an opportunity to understand the different ways that an issue affects national discourse and what commentaries have been offered about it By focusing on this difficult period in contemporary Israeli society the volume highlights the ways that artists have responded to these national challenges and how they have fashioned creative reimaginations of their country Political cartoons and the Israeli-Palestinian conflict Ilan Danjoux, 2018-07-30 Do political cartoon predict violence To answer this question Ilan Danjoux examined over 1200 Israeli and Palestinian editorial cartoons to explore whether changes in their content anticipated the outbreak of the Al Aqsa Intifada in October of 2000 Despite stark differences in political economic and social pressures a notable shift in focus style and tone accompanied the violence With numerous illustrations and detailed methodology Political Cartoons and the Israeli Palestinian Conflict provides readers an engaging introduction to cartoon analysis and a novel insight into the Israeli Palestinian conflict In a region fraught with contested realities the cartoon's ability to capture the latent fears and unspoken beliefs of these antagonists offers a refreshing perspective on how both Israelis and Palestinians perceived each other and their chances for peace on the eve of the Second Intifada *The 2008 Presidential Campaign*

Robert E. Denton Jr.,2009-08-16 Presidential campaigns are our national conversations the widespread and complex communication of issues images social reality and personas In 2008 more people participated in the conversation as voter numbers in every demographic group increased to levels of the 1970s Here political communication specialists break down the historic 2008 presidential campaign and go beyond the quantitative facts electoral counts and poll results of the election Factoring in everything from the campaign in popular culture political cartoons and the effect of celebrity the authors look at the early campaign period the nomination process and conventions the social and political context the debates the role of candidate spouses candidate strategies political advertising and the use of the Internet This enlightening book shows why more technology doesn't always mean more effective communication and how as we attempt to make sense of our environment we collect political bits of communication that comprise our voting choices worldviews and legislative desires

The 2024 Presidential Campaign Robert E. Denton, Jr.,2025-05-13 A comprehensive communication analysis of the 2024 presidential campaign Presidential campaigns are more than elections they are cultural touchstones that shape national identity and political discourse The 2024 presidential campaign was a defining moment in American history marked by political polarization and cultural turns In *The 2024 Presidential Campaign A Communication Perspective* Robert E Denton Jr and a team of esteemed scholars offer an incisive look at the strategies narratives and media that influenced this landmark election Examining all key areas of the 2024 election through the lens of communication this timely volume delves into critical facets of campaign messaging including political advertising and established news media Discussions of recent developments such as AI generated content and the expansion of alternative media provide a deeper understanding of how rapid technological advancement impacts both presidential campaigns and American democracy Each chapter provides unique insights connecting communication theory to real world electoral phenomena Presents in depth analyses of televised debates social media strategies and advertising Explores the use of humor in computer generated images and political cartoons Includes chapters on candidate branding and political party conventions Addresses the impact of campaign finance on electoral outcomes Offers the latest insights into digital and mediated campaign practices Provides a unique perspective on cultural and generational shifts in U S politics *The 2024 Presidential Campaign A Communication Perspective* is essential reading for scholars and students in Political Science Journalism and Communication particularly those studying presidential campaigns media and politics and the presidency Ideal for upper level undergraduate and graduate courses it is also a valuable resource for professionals in political campaign management

Political Incivility in the Parliamentary, Electoral and Media Arena Annemarie S. Walter,2021-02-25 This edited volume affords conceptual and analytical convergence in the study of political incivility by bringing together theoretical and empirical work of scholars from various sub disciplines studying political incivility within European countries and the USA It addresses the needs and challenges of comparative research adding to a more generic theory on political incivility Recent years have witnessed growing attention

to issues of political incivility in the parliamentary electoral and media arenas with rudeness hostility and vulgarity being highly prevalent in interactions between politicians journalists and citizens This book analyses what constitutes this political incivility its occurrence causes and effects in these various arenas using several country specific contexts and presenting a cohesive edifice of knowledge on political incivility This book will be of key interest to scholars and students of parliamentary studies political behaviour political communication and political psychology as well as more broadly to political science communication science media studies psychology sociology and to non governmental institutions and those that are concerned about the quality of democracy or public debate The Trump Presidency in Editorial Cartoons Natalia

Mielczarek,2023-09-18 The Trump Presidency in Editorial Cartoons engages with close to one thousand editorial cartoons to analyze the visual representations of President Donald Trump and his responses to six news events during his term in office Natalia Mielczarek traces the mechanisms through which the drawings construct the president s image and their potential rhetorical consequences for interpretation Through this analysis Mielczarek argues that the right leaning cartoons largely erase the president s likeness from their plotlines acting as a shield against accountability for Trump Left leaning cartoons on the other hand tend to clone the president and exaggerate his image in most of their stories often functioning as tools of symbolic censure and punishment Through these de and re contextualization tactics that make President Trump either largely absent or hyper present in the narrative the cartoons construct inadvertent rhetorical paradoxes and coalesce around ideological heroes and villains This result Mielczarek posits more closely resembles partisan propaganda rather than political commentary and social critique Scholars of communication political science and media studies will find this book of particular interest **Gender and Political Communication in America** Janis L. Edwards,2009-08-28 At a time when

presidential campaigns are shaped to appeal to women voters when masculinity constructs impinge on wartime leaders and when the United States appears to move towards the possibility of a woman president it is vital that communication scholarship addresses the issue of gender and politics in a comprehensive manner Gender and Political Communication in America Rhetoric Representation and Display takes on this challenge as it investigates from a rhetorical and critical standpoint the intersection and mutual influences of gender and political communication as they are realized in the nation s political discourse Representing some of the leading investigators on gender and political communication as well as emerging scholars the volume s contributors update and interrogate contemporary issues of gendered politics applicable to the 21st century including the historic 2008 election Through their original research the contributors offer critical examinations of the impact of salient theories and models of gender studies as they relate to historical and contemporary roles and practices in the political sphere Gender and Political Communication in America s broad and diverse engagement with the subject matter makes it a must read for those interested in women s studies and political communication *Media Messages in the 2022 Midterm Election* John Allen Hendricks,Dan Schill,2025-04-29 The 2022 midterms marked a

transformative moment in American politics as the combined influence of legacy media and social platforms reached new heights Traditional outlets like television news and print journalism set the stage while a vast digital ecosystem spanning Facebook TikTok YouTube and more enabled campaigns to amplify messages on issues like abortion rights the economy and immigration As these platforms shaped the voter experience in a fragmented and often polarized media environment campaigns and citizens harnessed their power to reach diverse audiences and build momentum across both established and emerging channels This book offers a compelling scholarly exploration of these dynamics revealing how communication across traditional and digital media shaped an election forecasted as a Republican red wave but instead delivered unexpected narrower results Through detailed analyses data driven research and case studies from high profile races this book uncovers how media strategies influenced voter behavior shaped public discourse and framed electoral outcomes Essential for academics political analysts and media professionals this work provides crucial insights into the evolving role of media in U S elections and the weighty implications for future democratic engagement

Multimodal Metaphor Charles Forceville, Eduardo Urios-Aparisi, 2009 Metaphor pervades discourse and may govern how we think and act But most studies only discuss its verbal varieties This book examines metaphors drawing on combinations of visuals language gestures sound and music Investigated texts include ad

Creating Canada's Peacekeeping Past Colin McCullough, 2016-07-28

Peacekeeping Despite efforts to relegate it to the past what was once a central pillar in Canada's national identity has been making a comeback in recent years Creating Canada's Peacekeeping Past illuminates how participation in the United Nations peacekeeping efforts from 1956 to 1997 became central to national self identification in both English and French Canada Delving into four decades worth of political rhetoric newspaper coverage textbooks and more Colin McCullough outlines continuity and change in the production and reception of messages about peacekeeping He demonstrates that those who produced messages about peacekeeping often overlooked the particularities of individual missions preferring to link their cultural products to political discourses about national identity Engaging in debates about Canada's international standing as well as its broader national character this book is a welcome addition to the history of Canada's changing national identity

Presidential Campaigns Daniel M. Shea, Brian M. Harward, 2013-10-31 Combining primary sources with expert commentary this timely book probes critical moments in U S presidential elections in the last 20th and early 21st centuries empowering readers to better understand and analyze the electoral process Presidential Campaigns Documents Decoded illuminates both the high stakes of a presidential campaign and the gaffes controversies and excesses that often influence the outcome With a view to enabling readers to develop skills essential to political literacy the book examines crisis points in modern presidential elections from the early 1950s through the late 2000s Chronologically organized the study focuses on key events pertinent to each election It provides an original account of the event such as a debate transcript or news report as well as a discussion detailing how the issue emerged and why it was important This unique and engaging approach

enables students to experience the actual source material as voters might have. At the same time it shows them how an expert views the material facilitating a deeper understanding of the narratives every presidential campaign constructs around its candidates its party and its opponents

Persuasive Attacks on Donald Trump in the 2016 Presidential Primary William L. Benoit, Mark J. Glantz, 2017-03-08 Persuasive Attacks on Donald Trump in the 2016 Presidential Primary investigates the nature of persuasive attacks on Donald Trump during the 2016 presidential primary campaign. It begins by extending the Theory of Persuasive Attack to include attacks on character as well as attacks on actions. William L. Benoit video from SNL, Colbert and Oliver articles in The Onion and political cartoons and Republican establishment attacks from Mitt Romney and the National Review. Quantitative content analysis examines attacks in primary debates and primary TV spots. The book concludes with criticisms found on social media platforms and TV talk shows

Images in Use Matteo Stocchetti, Karin Kukkonen, 2011 Conceptualising images as images in use. This title considers the agencies behind visual communication and its impact on society. It engages critically with traditional approaches to visual analysis, socially situated analyses of images and demonstrates the explanatory force of thinking through images in use in a series of case studies

Campaigning in the Aftermath of the 2020 Elections Robert E. Denton Jr., 2021-10-28 The post election period of the 2020 presidential campaign is historic not only for the culmination of tensions in the January 6 2021 storming of the US Capitol but also in the very persistence of campaigning after the election was over. Historically political campaigns have had only four phases: pre primary, primary, convention and general election. In 2020 there was a distinct and active post election campaign in which President Donald Trump vigorously challenged the election, calling for recounts, court challenges amid charges of voter fraud and irregularities. Speeches, rallies, fundraising and advertising continued weeks past the election. For the first time in modern electoral history there was an active, dramatic and decisive post election phase of the 2020 presidential campaign. This volume explores political communication during the post election phase from election day until the inauguration of President Joseph R. Biden. Chapters address political branding, the nature of argumentation in the era of partisanship, the themes and issues of media coverage, examination of Trump's January 6th address in terms of inciting an insurrection or free speech, Trump's discursive strategy, political advertising and political cartoons during this period, concluding with an examination of the post election lawsuits

Encyclopedia of Humor Studies Salvatore

Attardo, 2014-02-25 The Encyclopedia of Humor: A Social History explores the concept of humor in history and modern society in the United States and internationally. This work's scope encompasses the humor of children, adults and even nonhuman primates throughout the ages, from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire. As an academic social history, it includes the perspectives of a wide range of disciplines including sociology, child development, social psychology, life style history, communication and entertainment media. Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child

and adult development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book s 335 articles are organized in A to Z fashion in two volumes approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader s Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader s Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore

Racism Postcolonialism Europe Graham Huggan,Ian Law,2013-08-29 Racism Postcolonialism Europe turns the postcolonial critical gaze that had previously been most likely to train itself on regions other than Europe and sometimes those perceived to be most culturally or geographically distant from Europe back on Europe itself The book argues that racism is alive and dangerously well in Europe and examines this racism through the lens of postcolonial criticism Postcolonial racism can be a racism of reaction based on the perceived threat to traditional social and cultural identities or a racism of false respect based on mainstream liberals desire to hold at arm s length different cultures they are anxious not to offend Most of all postcolonial racism at least within the contemporary European context is a racism of surveillance whereby foreigners become aliens protection disguises preference and cultural difference slides into racial stigmatization all in the interests of representing the European people which is a very different entity to the European population as a whole Boasting a broad multidisciplinary approach and a range of distinguished contributors including Philomena Essed Michel Wieviorka and Griselda Pollock Racism Postcolonialism Europe will be required reading for scholars and students of race postcolonial studies sociology European history and literary and cultural studies

The Multimodal Rhetoric of Humour in Saudi Media Cartoons Wejdan Alsadi,Martin Howard,2021-02-22 Cartoons as a form of humour and entertainment are a social product which are revealing of different social and political practices that prevail in a society humourised and satirised by the cartoonist This book advances research on cartoons and humour in the Saudi context It contributes to the growing multimodal research on non interactional humour in the media that benefits from traditional theories of verbal humour The study analyses the interaction between visual and verbal modes highlighting the multimodal manifestations of the rhetorical devices frequently employed to create humour in English language cartoons collected from the Saudi media The multimodal analysis shows that the frequent rhetorical devices such as allusions parody metaphor metonymy juxtaposition and exaggeration take a form which is woven between the visual and verbal modes and which makes

the production of humorous and satirical effect more unique and interesting The analysis of the cartoons across various thematic categories further offers a window into contemporary Saudi society **Cartoon Conflicts** Richard Scully, Paulo Jorge Fernandes, Ritu Gairola Khanduri, 2025-07-28 This edited collection of new research highlights the way in which the cartoon long regarded as a staple of journalism and freedom of expression faces new challenges in the twenty first century that can be far better understood and appreciated if one takes an historical perspective Current debates over the limits of freedom of expression political correctness and cancel culture all have their precedents in past controversies over cartoons and caricature indeed there is a definite continuum between these past instances of debate and their present manifestations Chapters 2 and 10 are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)
