

Changes in Political Culture

- ◆ Two arguments:
 - Political culture is subject to change
 - ◆ Global culture is “coming together”
 - Modernization
 - Globalization
 - Democratization
 - ◆ Post-modern, secular-rational values and self-expressionism will define values and cultures of the future

Political Culture And Political Change In Postcommunist Societies

M Lipman

Political Culture And Political Change In Postcommunist Societies:

Political Culture and Political Change in Post-communist Societies V. A. Gutorov, A. I. Koriukhin, Gerd Meyer, 1997 *Democracy and Political Culture in Eastern Europe* Hans-Dieter Klingemann, Dieter Fuchs, Jan Zielonka, 2006-11-22 What is the relationship between democracy and political culture in countries undergoing major systemic change Have subjective political orientations of citizens been important in shaping the development of democracy in central and eastern Europe after the fall of communism These core questions are tackled by an impressive range of twenty political scientists sixteen of which are based in the central and eastern European countries covered in this essential new book Their analyses draw on a unique set of data collected and processed by the contributors to this volume within the framework of the World Values Survey project This data enables these authors to establish similarities and differences in support of democracy between a large number of countries with different cultural and structural conditions as well as historical legacies The macro level findings of the book tend to support the proposition that support of democracy declines the further east one goes In contrast micro level relationships have been found to be astonishingly similar For example support of democracy is always positively related to higher levels of education no matter where an individual citizen happens to live This new book builds a clear understanding of what makes democracies strong and resistant to autocratic temptation

Values and Political Change in Postcommunist Europe W. Miller, S. White, P. Heywood, 1998-01-19 This is a book about political values socialist nationalist liberal and democratic values in five former communist countries Russia Ukraine Hungary Slovakia and the Czech Republic Based on eleven surveys involving extended interviews with 7350 members of the public and 504 Members of Parliament it provides an authoritative account of the extent to which politicians and the public in East Central Europe and the Former Soviet Union have rejected communist ideals and adopted nationalist and or liberal democratic values

Political Culture and Post-Communism S. Whitefield, 2005-10-11 Our understanding of the dynamics of Communist systems was substantially improved by taking political culture into account But how much does the concept of political culture add to our empirical understanding of post Communist Russia The book's contributors engage with theoretical debates between political culture and competing rational choice and institutionalist approaches to post Soviet politics and provide illustrative empirical studies of civic participation views of national identity the Russian criminal justice system and political violence

Changing Values and Identities in the Post-Communist World Nadezhda Lebedeva, Radosveta Dimitrova, John Berry, 2018-04-04 This book offers a comparative analysis of value and identity changes in several post Soviet countries In light of the tremendous economic social and political changes in former communist states the authors compare the values attitudes and identities of different generations and cultural groups Based on extensive empirical data using quantitative and qualitative methods to study complex social identities this book examines how intergenerational value and identity changes are linked to socio economic and political development Topics include the rise

of nationalist sentiments identity formation of ethnic and religious groups and minorities youth identity formation and intergenerational value conflicts *Sociological Abstracts* Leo P. Chall,1999 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers *The Politics of the Postcommunist World* Stephen White,Daniel Nelson,2017-11-01 This title was first published in 2001 This series brings together the most significant journal articles to appear in the field of comparative politics since the 1970s The aim is to render accessible to teachers researchers and students an extensive range of essays as a basis for understanding established terrain and new ground *Prospects for Constitutionalism in Post-Communist Countries* Levent Gönenç,2002-06-01 The last decade of the 20th century saw radical changes in Eastern Europe and the former USSR Most of these countries made a transition from totalitarianism or authoritarianism to democracy and from central planning to a market economy Adding to the latter a number of national entities gained their independence after the disintegration of the federative states of the USSR Yugoslavia and Czechoslovakia Many recent studies have focused on these double in some cases triple transitions and scholars from different fields analyzed the so called 1989 Revolution from different perspectives Rather less scholarly attention has been paid to the future of post communist constitutions and prospects for constitutionalism in these countries The main questions dealt with throughout this study can be formulated as follows Will liberal democratic constitutionalism take root in these countries Will new constitutions in Eastern Europe and the former USSR perish or survive This study also aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general Such constitutional change is not only on the East European but also on the West European agenda The purpose of this study is not to introduce a general theory about constitutional in stability but studying post communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective **Social Justice and Political Change** James R Kluegel David S Mason Bernd Wegener, Democratic Consolidation in East-Central Europe Fritz Plasser,Peter Ulram,Harald Waldrauch,2016-07-27 The postcommunist regimes in East Central Europe are confronted with the double challenge of establishing a democratic order and a market economy The book discusses the concepts of democratic consolidation and analyzes the development of attitudes towards the political and economic system in Poland Hungary the Czech Republic Slovakia and Slovenia The study compares the political values in East Central Europe with respective attitudes in the USA and Western Europe Special attention is given to experiences of the consolidation process in Germany Italy and Austria after 1945 as well as the more recent developments in Latin America and Southern Europe The final chapter discusses patterns and paths of democratic consolidation in the light of concepts of regime change Party Development and Democratic Change in Post-communist Europe Paul G. Lewis,2024-02-02 This

work surveys processes of party development in the context of the ten years of democratic change in post communist eastern Europe It examines the capacity of the former ruling parties to attract contemporary voters and their role in contributing to the consolidation of the new democratic regimes Chinese Political Culture Shiping Hua,Andrew J. Nathan,2016-07-08 Until this book there has been no comprehensive methodologically aware study of all aspects of Chinese political culture The book is organized into three major areas Chinese identities and popular culture regional identities anti politics attitudes Hong Kong identity public opinion surveys the Beijing area Chinese workers the Shanghai area and ideological debates the new Confucianism masculinity and Confucianism why authoritarianism is popular in China the decline of Chinese official ideology Here is the first work that reveals just how much how rapidly and how dramatically China is changing and why our perceptions of China must keep pace **The Political Economy of Human Rights in Armenia** Simon Payaslian,2011-06-30 Since its independence from the Soviet Union in 1991 Armenia has experienced a reversal from democratization to a Soviet style authoritarian regime and has been accused of repressive approaches to human rights Here Simon Payaslian juxtaposes a masterful survey of the history of the Armenian people from the nineteenth century through the first republic 1918 21 and Sovietization to the present with the evolution of international human rights standards and argues that a statist and authoritarian political culture has impeded political liberalization and institutionalization of human rights principles Highlighting the clash between sovereignty on one side and human rights and democracy on the other this comprehensive and in depth analysis is essential for all those interested in human rights democratization political repression and the former Soviet republics **Handbook on Political Trust** Sonja Zmerli,Tom W.G. van der Meer,2017-01-27 Political trust in government parliament or political parties has taken centre stage in political science for more than half a century reflecting ongoing concerns with the legitimacy and functioning of representative democracy To provide scholars students and policy makers with a tool to navigate through the complexity of causes and consequences of political trust this Handbook offers an excellent overview of the conceptual theoretical methodological and empirical state of the art complemented by accounts of regional particularities and authored by international experts in this field The Handbook of Political Change in Eastern Europe Sten Berglund,2013-04-01 Lots has changed in Eastern Europe in the past quarter century and the new edition of this major study of the region sets out these changes in directions for the better and for the worse Richard Rose University of Strathclyde UK This Handbook offers a historically informed systematic account of the political development in Central and Eastern Europe Two chapters lay out a framework for comparison 26 specialists provide analyses for 19 countries In an appendix each of these country chapters documents election results government composition the electoral system and the constitutional framework The concluding chapter synthesizes the major results The Handbook is the most comprehensive source for an up to date analysis of all Central and Eastern European countries within the sphere of influence of the European Union It is a must have for students and scholars interested in how to evaluate the state of democracy in this

region of the globe Hans Dieter Klingemann New York University Abu Dhabi UAE and Social Science Research Center Berlin Germany This third edition of The Handbook of Political Change in Eastern Europe provides an authoritative and thorough analysis of the political changes which have occurred in Central and Eastern Europe since the demise of communism It offers an historical comparative perspective of the region and focuses on the social consequences of the democratisation process The country specific chapters are written by scholars with well documented area expertise on their respective cases Estonia Latvia Lithuania Poland The Czech Republic Slovakia Hungary Slovenia Romania Bulgaria Croatia Bosnia Serbia Montenegro Macedonia Albania Ukraine Moldova and Georgia Each chapter includes detailed examinations of elections the formation of governments electoral systems and constitutional arrangements These in depth and up to date analyses are supplemented by conclusions on the party systems and emerging political structures in the region as a whole as well as the consolidation of democracy in a post communist setting The revised and expanded version of The Handbook of Political Change in Eastern Europe provides a state of the art companion which will be indispensable for students and scholars in the social sciences including political science comparative politics European studies and political history as well as for policy makers and practitioners The Handbook of Political, Social, and Economic Transformation Wolfgang Merkel, Raj

Kollmorgen, Hans-Jürgen Wagener, 2019-01-25 Political social and economic transformation is a complex historical phenomenon It can adequately be analysed only by a multidisciplinary approach The Handbook brings together an international team of scholars who are specialists in their respective research fields It introduces the most important areas theories and methods in transformation research with particular attention placed on the historical and comparative dimension Although focussing on post communist and other democratic transformations in our epoch the Handbook therefore presents and discusses not only their problems paths and developments but also deals with the antecedent waves beginning with the Meiji Restoration in Japan in 1868 and its aftermath The book is structured into six parts Starting with basic concepts as systems actors and institutions Section I it gives an overview over major theoretical approaches and research methods Sections II and III The connection of theory and method with their application is essential allowing special insights into the past and opens analytical avenues for transformation research in the future Section IV provides a historically oriented description or interpretation of particular waves or types of societal transformation With a clear focus on present transformations the contributions to Section V provide a description and discussion of the problems structures actors and courses of the transformations within different spheres of civil society politics law and economics Finally brief lexicographic entries in Section VI delineate research perspectives and facts about relevant issues of societal transformation Each of the 79 contributions contains a concise list of the most important research literature *Learning Democracy* Robert Rohrschneider, 1999-05-13 The fall of the Berlin wall raised many questions about Germany and post socialist countries Given East Germany s authoritarian history how democratic are its citizens now What kind of democracy do they want a liberal or

socialist democracy What economic system do they prefer How have they reacted to democratic and market systems since 1989 The book shows how individual institutional learning may be offset by the diffusion of democratic values The author uses public opinion surveys to compare attitudes of MPs and the general public and in depth interviews with parliamentarians in east and west Berlin to show the persistence of socialist views in the east as well as lower levels of political tolerance Moreover the book argues these values have changed fairly little since unification The author presents evidence and develops implications for other post socialist nations arguing that while post socialist citizens do not yearn for the old socialist order their socialist values frequently lower enthusiasm for new democratic and market institutions The implications being that ideological values are primarily shaped by individual exposure to institutions and that democratic and market values are diffused only in specific conditions More than just an analysis of German political culture the book offers compelling conclusions about the future of democracy in all post socialist states Robert Rohrschneider won the Stein Rokkan Prize for best book in comparative politics by a young scholar awarded by the International Social Science Committee of UNESCO

CSA Political Science & Government, 2004 **Historical Legacies of Communism in Russia and Eastern Europe** Mark Beissinger, Stephen Kotkin, 2014-07-07 This book takes stock of arguments about the historical legacies of communism that have become common within the study of Russia and East Europe more than two decades after communism's demise and elaborates an empirical approach to the study of historical legacies revolving around relationships and mechanisms rather than correlation and outward similarities Eleven essays by a distinguished group of scholars assess whether post communist developments in specific areas continue to be shaped by the experience of communism or alternatively by fundamental divergences produced before or after communism Chapters deal with the variable impact of the communist experience on post communist societies in such areas as regime trajectories and democratic political values patterns of regional and sectoral economic development property ownership within the energy sector the functioning of the executive branch of government the police and courts the relationship of religion to the state government language policies and informal relationships and practices [Ibss: Political Science: 1994](#) British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

The Enigmatic Realm of **Political Culture And Political Change In Postcommunist Societies**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Political Culture And Political Change In Postcommunist Societies** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

Political Culture And Political Change In Postcommunist Societies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Culture And Political Change In Postcommunist Societies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Culture And Political Change In Postcommunist Societies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Culture And Political Change In Postcommunist Societies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Political Culture And Political Change In Postcommunist Societies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Culture And Political Change In Postcommunist Societies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Culture And Political Change In Postcommunist Societies Books

What is a Political Culture And Political Change In Postcommunist Societies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Culture And Political Change In Postcommunist Societies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Culture And Political Change In Postcommunist Societies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Culture And Political Change In Postcommunist Societies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Culture And Political Change In Postcommunist Societies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" ->

"Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
