

PRINCIPLES AND POLITICS IN CONTEMPORARY BRITAIN

MARK GARNETT

Political Culture Of Contemporary Britain People And Politicians Principles And Practice

William L Miller

Political Culture Of Contemporary Britain People And Politicians Principles And Practice:

Political Culture in Contemporary Britain William Lockley Miller, Annis May Timpson, Michael Lessnoff, 1996 Based on new and revealing survey data this is the most authoritative picture to date of what the British people and their politicians really think about the fundamentals of politics

Political Culture in Contemporary Britain William Lockley Miller, 1996 Based on new and revealing survey data this is the most authoritative picture to date of what the British people and their politicians really think about the fundamentals of politics

The British Study of Politics in the Twentieth Century Jack Hayward, Brian Barry, Archie Brown, 2003-05 A collection of articles about British studies relating to various political issues including totalitarianism individualism pluralism political parties elections political institutions public administration nationalism authoritarianism and international relations

Encyclopedia of Government and Politics M. E. Hawkesworth, Maurice Kogan, 2004 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

The Role of the Member of Parliament Since 1868 Michael Rush, 2001-09-20 This wide ranging study by one of the UK's leading scholars of British politics presents a fascinating picture of the role of the MP during the last 150 years The author examines the various roles of Members of Parliament since the middle of last century Backbench MPs have three major roles a partisan role a constituency role and a scrutiny role They increasingly expect and

are expected to support their parties to help constituents with individual problems and look after their collective interests and they are expected to keep a check on the government and its policies These roles existed 150 years ago but the balance between them has changed The partisan role now dominates at Westminster the constituency role has expanded beyond all recognition and the scrutiny role is widely seen as the poor relation Moreover while constituency work has been virtually hived off as a non partisan role the conflict between the partisan and the scrutiny role creates a dilemma at the heart of parliamentary government

Understanding Political Participation Lynn Bennie, 2017-05-15 Developing a framework of analysis which enables a detailed empirical investigation of Scottish Green Party membership this is a detailed assessment of why people become members of a green party The questions are particularly relevant in the light of declining political participation Lynn Bennie responds to the gap in the literature on green and small parties and builds on the work of other researchers who have used similar methods to explore membership of the larger parties The volume incorporates an extensive review of participation literature details the history of the Scottish Green Party documents extensive survey data of party members and develops an understanding of motivations behind membership of a green party It will prove ideal for courses on political behaviour and green politics and be of interest to sociologists and political science researchers

Models of Local Governance W. Miller, M. Dickson, G. Stoker, 2000-10-11 From 1979 to 1997 Britain was a laboratory for experiments in local governance as the control and delivery of local services was switched from elected councils to appointed boards quangos private companies or self management This book is about four models of local governance the traditional localist model the New Right's individual model the New Left's mobilisation model and government's own centralist model It tests them against public opinion as expressed in 2203 interviews with ordinary citizens 788 with councillors and 902 with members of appointed boards

Comparing Democracies 2 Mr Lawrence LeDuc, Professor Richard G Niemi, Dr Pippa Norris, 2002-02-21 The first edition of Comparing Democracies was a landmark text providing students with a thematic introduction to the global study of elections and voting In this major new edition the world's leading international scholars have again produced an indispensable guide and up to date review of the whole field Each of the chapters the majority of which are completely new provide a broad theoretical and comparative understanding of all the key topics associated with the elections including electoral and party systems voter choice and turnout campaign communications and the new politics of direct democracy This Second Edition will remain essential reading for students and lecturers of elections and voting behaviour comparative politics parties and democracy

Reinventing Britain Andrew McDonald, 2007-10-30 Contrary to popular myth Britain does have a constitution one that is uncodified and commanded little political interest for most of the twentieth century In the late 1990s Tony Blair's New Labour Government launched a program of reform that was striking in its ambition Reinventing Britain tells the story of Britain's constitutional reform and weighs its long term significance with essays both by officials who worked on the reforms and by other leading commentators

and academics from Britain and North America Contributors Mark Bevir Jack Citrin Joseph Fletcher Robert Hazell Ailsa Henderson Kate Malleson Craig Parsons Kenneth MacKenzie Peter Riddell **Television News, Politics and Young People** M. Wayne, J. Petley, C. Murray, L. Henderson, 2010-04-09 Why are young people alienated from television news This book argues that contemporary trends indicating deepening disconnection from news about public life reflect both problems in the way television news covers politics the single biggest item on the news and problems with the nature of politics itself under neo liberal capitalism **Britain in the Nineties** Hugh Berrington, 2014-06-11 This volume looks at the changes in British politics and government since the accession of Mrs Thatcher in 1979 and in particular at the 1990s Its aim is to explore some of these changes and to emphasize the recurring paradoxes in political developments **Values and Political Change in Postcommunist Europe** W. Miller, S. White, P. Heywood, 1998-01-19 This is a book about political values socialist nationalist liberal and democratic values in five former communist countries Russia Ukraine Hungary Slovakia and the Czech Republic Based on eleven surveys involving extended interviews with 7350 members of the public and 504 Members of Parliament it provides an authoritative account of the extent to which politicians and the public in East Central Europe and the Former Soviet Union have rejected communist ideals and adopted nationalist and or liberal democratic values

Advanced Introduction to Political Trust Kenneth Newton, 2024-12-09 Newton investigates cutting edge current research and pathways for future research in the field presenting empirical studies highlighting political trust s importance variations origins and consequences He demonstrates that political trust is a useful and highly important symptom but not a cause of political conditions Through exploration of the relationship between political trust and democracy Newton illustrates that functions often attributed to political trust alone may be carried out by non political institutions and practices instead

The Cunning Of Unreason John Dunn, 2008-01-06 All human action lies under the shadow of prospective regret but there are few areas of contemporary life over which that shadow falls so darkly as it does over politics We hear constantly that Americans are less likely than ever to vote and are increasingly cynical about the ability of politicians to effect change Why is politics so consistently disappointing Starting from the premise that the professional study of politics can offer us a way to understand why we have so little faith in the political process The Cunning of Unreason explores competing definitions of politics probing the hidden assumptions and implications of each In energetic and engaging prose Cambridge political theorist John Dunn makes a convincing case for the ongoing relevance of great political thinkers from Aristotle to Marx Along the way he bridges the academic world of political theory and the public world of debate about democracy corruption globalization and the recent trend toward conservatism A must read for every politician spin doctor and professional pundit The Cunning of Unreason offers a greater understanding of the way politics works in contemporary society and what its promise is for the future **Englishness** Ailsa Henderson, Richard Wyn Jones, 2021 This book presents a strong and original argument about English nationalism and the ways in which it is currently transforming British politics Central Debates in

British Politics John Benyon, David Denver, Justin Fisher, 2014-09-25 Central Debates in British Politics focuses on British politics in a changing social economic and institutional context The book explores issues and debates using a variety of approaches and techniques It is written and edited by a team of leading experts who analyse key issues in a highly structured and thematic manner

Comparing Democracies 2 Lawrence LeDuc, Richard G Niemi, Pippa Norris, 2002-03-13 This excellent collection of essays provides a highly knowledgeable and insightful overview of current knowledge in the sub field of elections and voting in the world s democracies Coherent in organization and wide ranging in content and perspective this is a book that should be read by anyone interested in political science Anthony Mughan The Ohio State University In this major new edition the world s leading international scholars have again produced an indispensable guide and up to date review of the whole field Each of the chapters the majority of which are completely new provide a broad theoretical and comparative understanding of all the key topics making this essential reading for students and lecturers of elections and voting behavior comparative politics parties and democracy

Scotland and the Union 1707-2007 Tom M. Devine, 2008-05-12 Written by the cream of academic talent in modern Scottish history and politics this book provides a comprehensive examination of the past present and future prospects of the Anglo Scottish Union A scholarly but accessible read its contributors do not shy away from the controversies surrounding the Union Their cutting edge research is presented in a lucid style serving as an excellent introduction to some key aspects of the Anglo Scottish relationship between 1707 and 2007 Scotland and the Union 1707 2007 covers all the key themes Why the Union took place A growing acceptance of the Union in the 18th century The impact of Scots central role in the British Empire The politics of unionism The challenge of nationalism Thatcherism and the Union Devolution and prospects for the future No other volume considers the entire 300 year experience of union from its origins in the early 18th century to the historic parliamentary victory of the SNP in May 2007 This is the essential text for unders

Anglo-Scottish Relations, from 1900 to Devolution and Beyond William L Miller, 2005-12-22 These essays trace the changing relationship between Scotland and England following the unifying reign of Queen Victoria through the debates over devolution and into a future where the Union will be under continuing pressure to evolve Historians social scientists and lawyers investigate the personal social financial and constitutional tensions between the Scots and the English both before and after devolution and ask if Scots and English have been driven apart or brought more closely together by this reconstruction of the Union Building on its companion Anglo Scottish Relations from 1603 to 1900 0 19 726330 5 this volume provides wideranging insights into what some may regard as unfinished business
