## **Political Dimensions Of The Asian Crisis:**

**The Political Dimensions of the Asian Crisis** Uwe Johannsen, Jürgen Rudolph, James Gomez, 2000 An Agenda for Action  
The Political Dimensions of the Asian Crisis Uwe Johannsen, Jürgen Rudolph, James Gomez, 2000 An Agenda for Action  
*Politics and Markets in the Wake of the Asian Crisis* Mark Beeson, Kanishka Jayasuriya, Hyuk-Rae Kim, Richard Robison, 2003-09-02 This book is a challenging volume by distinguished leading scholars of East Asian political economy it provides a distinct alternative to simplistic accounts of the Asian crisis which generally swing between an emphasis on convergence imposed by global economic forces and the resurrection of the special patterns of East Asian economic governance The authors argue that global forces and domestic structures are engendering new forms of economic and political regulation in East Asia While these signal the death knell of the developmental state this in itself does not presuppose a convergence towards a standard model of global capitalism The arguments in this book will contribute significantly to the construction of a new research agenda for comparative political economy at the dawn of a new century  
*Politics and Markets in the Wake of the Asian Crisis* covers a range of East Asian countries including the People's Republic of China South Korea Indonesia Thailand and Malaysia All the studies are linked together by a common endeavour to explore the dynamic interaction between global economic forces and domestic structures The book is at the cutting edge of the study of East Asian political economy and is distinguished by the attention it pays to the regional and international context of the crisis It also contains theoretically sophisticated analyses of organisations such as APEC and the IMF  
*Neoliberalism and Conflict In Asia After 9/11* Garry Rodan, Kevin Hewison, 2013-09-13 Key events in Asia's recent history have included the end of the Cold War the Asian Economic Crisis and the war on terror This is a critical assessment of these events and of the interplay of security and economics in shaping political regimes and modifying market systems Based on the notion that market systems are inherently political and conflict ridden this collection clarifies and explains the conflicts shaping the path of neoliberal globalization Collectively it represents a disciplined and systematic address of four overarching questions What are the significant conflicts emanating from neoliberal globalization and what are their implications What are the implications of new security concerns for these conflicts and what are their impacts How are conflicts associated with globalization and security affecting social and economic policy directions Can these directions be reconciled with the reproduction of existing political regimes or do they threaten their basis In addressing these questions the essays depict neoliberal globalization in the new security context as being able to accommodate a range of political regimes This fascinating collection is a must read for those with a professional interest in the region post 9 11 This book was previously published as a special issue of the Journal Critical Asian Studies  
*Empire and Neoliberalism in Asia* Vedi R. Hadiz, 2006-09-27 This book analyzes the overall effect of American primacy on social and political conflicts in Asia discussing how the post Cold War American agenda does not promote democratization in the region in contradiction to one of the major

proclaimed aims of the proponents of the Pax Americana This team of renowned scholars argue that the US agenda can strengthen anti democratic impulses in Asian societies exacerbating and complicating existing domestic conflicts and struggles Empire and Neoliberalism in Asia also examines how the requirements of the War on Terror intersect with and reinforce those of transnationalized sections of American capital Drawing on country case studies this multidisciplinary book looks at the ramifications of the American Empire for the Asian region and will appeal to anyone interested in Asian politics international relations political economy development studies and sociology

**Politics and the Media in Twenty-First Century Indonesia** Krishna Sen,David Hill,2010-11 This book examines the media in the post authoritarian politics of twenty first century Indonesia It considers how the media is being transformed its role in politics and its potential impact in enabling or hampering the development of democracy in Indonesia

**Handbook of Asian Aging** Hyunsook Yoon,Jon Hendricks,2018-10-26 In western countries the rising tide of population aging took 100 years to alter the face of societies but Asia is experiencing comparable changes in not much more than a quarter of a century Contributors to The Handbook of Aging describe the magnitude of these changes and their effects on the aged and on societies attempting to adapt to the dramatic improvements in life expectancy brought on by rapid economic and social transformations Asia encompasses a vast reach from Pakistan and India to Japan the Philippines and Indonesia and in this book including Australia The Handbook of Aging provides a framework for making sense of the meeting between reverential views of the elderly and contemporary priorities as Asia arrives at the crossroads The need for innovative approaches to social policy and personal practices is nowhere more evident than in Asian countries where modern marketing economies have forced hard political choices The economic tigers of the Asian Pacific region experienced the aging of their populations ahead of other Asian countries but solutions reached during times of financial boom are being re examined as economies come back to earth with soft or hard landings The Handbook of Asian Aging provides an atlas of the far reaching changes that are afoot and that will become even more pronounced in the near future

Political Dimensions of South Asian Cooperation V. Kanesalingam,1991 This book presents country papers prepared by well known political scientists in respect of each of the six CSCD countries BNdesb India the Maldives Nepal Pakistan and Sri Lanka Font Size 1 Color FF0000 Limited copies in stock Supp

Political Booms: Local Money And Power In Taiwan, East China, Thailand, And The Philippines Lynn T White,2009-06-10 Why have Taiwan rich parts of China and Thailand boomed famously while the Philippines has long remained stagnant both economically and politically Do booms abet democracy Does the rise of middle classes promise future liberalization Why has Philippine democracy brought no boom and barely served the Filipino people This book unlike most previous studies shows that both the roots and results of growth are largely political rather than economic Specifically it pays attention to local not just national power networks that caused or prevented growth in the four places under consideration Violence has been common in these polities along with money Elections have contributed to socio political problems that are also obvious in Leninist or

junta regimes because elections are surprisingly easy to buy with corrupt money from government contracts Liberals should pay more serious theoretical attention to the effects of money on justice and Western political science should focus more clearly on the ways non state local power affects elections By considering the effects on fair justice of local money and power largely from small and medium sized firms that emerge after agrarian reforms this book asks democrats to face squarely the extent to which electoral procedures fail to help ordinary citizens Students and scholars of Asia will all need this book as will students of the West whose methods have become parochial

### **Transparency and Authoritarian Rule in Southeast Asia**

Garry Rodan,2004-08-02 In Transparency and Authoritarian Rule in Southeast Asia Rodan rejects the notion that the 1997 98 Asian economic crisis was further evidence that ultimately capitalism can only develop within liberal social and political institutions and that new technology necessarily undermines authoritarian control Instead Rodan argues that in Singapore and Malaysia external pressures for transparency reform were and are in many respects being met without serious compromise to authoritarian rule or the sanctioning of media freedom

### **Routledge Encyclopedia of International**

**Political Economy** R. J. Barry Jones,2002-09-11 This three volume Encyclopedia offers the first comprehensive and authoritative survey of the rapidly developing field of international political economy Its entries cover the major theoretical issues and analytical approaches within the field The set also provides detailed discussion of the contributions of key individuals and surveys a wide range of empirical conditions and developments within the global political economy including its major institutions The Encyclopedia has been designed to be eclectic in approach and wide ranging in coverage Theoretical entries range from discussions of the definition and scope of the field through core methodological questions such as rationalism and the structure agent problem to surveys of the major theories and approaches employed in the study of the international political economy

*The SAGE Handbook of Asian Foreign Policy* Takashi Inoguchi,2021-08-04

Comprising 60 3 percent of the world s 7 2 billion population Asia is an enigma to many in the West Hugely dynamic in its demographic economic technological and financial development its changes are as rapid as they are diverse The SAGE Handbook of Asian Foreign Policy provides the reader with a clear balanced and comprehensive overview on Asia s foreign policy and accompanying theoretical trends Placing the diverse and dynamic substance of Asia s international relations first and bringing together an authoritative assembly of contributors from across the world this is a reliable introduction to non Western intellectual traditions in Asia VOLUME 1 PART 1 Theories PART 2 Themes PART 3 Transnational Politics PART 4 Domestic Politics PART 5 Transnational Economics VOLUME 2 PART 6 Foreign Policies of Asian States Part 6a East Asia Part 6b Southeast Asia Part 6c South Central Asia Part 7 Offshore Actors Part 8 Bilateral Issues Part 9 Comparison of Asian Sub Regions

Political Booms Lynn T. White,2009 Why have Taiwan rich parts of China and Thailand boomed famously while the Philippines has long remained stagnant both economically and politically Do booms abet democracy Does the rise of middle classes promise future liberalization Why has Philippine democracy brought no boom and barely served the Filipino

people This book unlike previous books shows that both the roots and results of growth are largely political not just economic Specifically it pays attention to local not just national power networks that caused or prevented growth in the aforementioned countries Violence has been common in these politics along with money Elections have contributed to socio political problems that are also obvious in Leninist or junta regimes because elections are surprisingly easy to buy with corrupt money from government contracts Liberals should pay more serious theoretical attention to the effects of money on justice and Western political science should focus more clearly on the ways non state local power affects elections By considering the role of local money and power above all from small and medium sized firms that emerged after agrarian reforms on elections and justice this book asks democrats squarely to face the extent to which electoral procedures have failed to help ordinary citizens Students and scholars of Asia will all need this book as will students of the West whose methods have become parochial **Asian Security Handbook 2000**,2000 **Asian Economic and Political Issues**

Frank H Columbus,1998 It is predicted by some observers that the 21st century will be remembered as the Asian Century Many of the countries in the region seem to be able to take the economic and trade baton when one of the others experiences problems the region in general continues to grow economically politically and militarily The articles presented in this book examine the current political and economic situations in nations across Asia particularly focusing on economic developments

*The Political Economy of International Capital Mobility* M. Watson,2007-07-03 Matthew Watson draws a distinction between the spatial and the functional mobility of capital allowing fresh insights into existing work on the subject whilst repoliticizing the very idea of capital being in motion The dynamics of capital mobility and the patterns of risk exposure are illustrated through four detailed global case studies **Routledge Handbook of Politics in Asia** Shiping Hua,2018-03-15 The Routledge Handbook of Politics in Asia is designed to serve as a comprehensive reference guide to politics in Asia Covering East South Southeast and Central Asia this handbook brings together the work of leading international academics to cover the political histories institutions economies and cultures of the region Taking a comparative approach it is divided into four parts including A thorough introduction to the politics of the four regions of Asia from the perspectives of democratization foreign policy political economy and political culture An examination of the Big Three of Asia China India and Japan focusing on issues including post Mao reform China s new world outlook Indian democracy and Japanese foreign policy A discussion of important contemporary issues such as human rights the politics of the internet security nationalism and geopolitics An analysis of the relationship between politics and certain theoretical ideas such as Confucianism Hinduism socialist constitutionalism and gender norms As an invaluable and all inclusive resource this handbook will be useful for students scholars researchers and practitioners of Asian politics and comparative politics **The Routledge Handbook to Global Political Economy** Ernesto Vivares,2020-04-16 The Routledge Handbook to Global Political Economy provides a comprehensive guide to how Global Political Economy GPE is conceptualized and researched around the world Including

contributions that range from traditional International Political Economy IPE to GPE approaches the Handbook gathers the investigations varying perspectives and innovative research of more than sixty scholars from all over the world Providing undergraduates postgraduates teachers and researchers with a complete set of traditional contending and regional perspectives the book explores current issues conceptual tools key research debates and different methodological approaches taken Structured in five parts methodologically correlated the book presents GPE as a field of global regional and national research historical waves and diverse ontological axes major theoretical perspectives beyond traditional perspectives regional inquiries research arenas Carefully selected contributions from both established and upcoming scholars ensure that this is an eclectic pluralist and multidisciplinary work and an essential resource for all those with an interest in this complex and rapidly evolving field of study

**The Political Consequences of Anti-Americanism** Richard Higgott, Ivona Malbasic, 2008-07-31 Anti Americanism as a concept is confused often used in a contradictory fashion and invariably driven by emotion rather than intellect Nevertheless it casts a long policy shadow with adverse consequences both real and potential for actors including those who may not support the concept This book puts anti Americanism into a contemporary context and analyses some of its political consequences The argument of the book is that ideas matter they shape actions and have policy consequences With the case of anti Americanism even superficial ideas can reflect deep seated emotions that might at first sight appear real These can range from the rhetorical flourish and smart comment occasioned by a presidential gaucherie through to a deep embedded visceral hatred of all things American The contributors to this volume discern the difference between these two ends of the anti American spectrum and assess the varying degree of political consequence Divided into three parts items addressed include Networks culture and foundations consisting of the role of influential foundations and think tanks in combating anti Americanism and the link between the political establishment in Washington D C and the popular culture industry Security and Anti Americanism Regional and country Studies including Canada Australia East Asia Latin America Greece and France The Political Consequences of Anti Americanism will be of interest to students and scholars of politics international relations security studies American politics and American foreign policy
