## **Political Economy Of Colonialism The State And Industrialization In Puerto Rico:**

The Political Economy of Colonialism Sherrie L. Bayer, 1993-07-30 This study examines how Puerto Rico's industrial development process has shaped and been shaped by the state relations with Washington and Puerto Rican society especially in light of the economic crises of the 1970s and 1980s Sherrie Bayer posits that Puerto Rico's extreme integration into the U S political economy was an unintended consequence of the development model and that its result has been a state whose tasks such as securing an environment for private capital accumulation and income redistribution have become increasingly regulated by the federal government challenging Puerto Rico's commonwealth status Recommended for scholars of Latin American Politics and Third World Development

*From Puerto Rico to Philadelphia* Carmen Teresa Whalen, 2001 We were poor but we had everything we needed reminisces Do a Epifania Nonetheless when a man she knew told her about a job in Philadelphia she grasped the opportunity to leave Coamas He went to Puerto Rico and told me there were beans to cook I came here and cooked for fourteen workers In San Lorenzo Do a Carmen and her husband made the same decision We didn't want to nobody wanted to leave There wasn't any alternative Don Florencio recalls that in Salinas work had gotten scarce especially for the youth the young men The farmworker that was used to cutting cane already the sugar cane was disappearing and government licensing regulations made fishing more difficult for the poor Puerto Rican migration to the mainland following World War II took place for a range of reasons globalization of the economy the colonial relationship between the United States and Puerto Rico state policies changes in regional and local economies social networks and not least the decisions made by individual immigrants In this wide ranging book Carmen Whalen weaves them all into a tapestry of Puerto Rican immigration to Philadelphia Like African Americans and Mexicans Puerto Ricans were recruited for low wage jobs only to confront racial discrimination as well as economic restructuring As Whalen shows they were part of that wave of newcomers who come from areas in the Caribbean Latin America and Asia characterized by a heavy U S military and economic presence especially export processing zones looking for a new life in depressed urban environments already populated by earlier labor

migrants But Puerto Rican immigration was also unique especially in its regional and gender dimensions Many migrants came as part of contract labor programs shaped by competing agendas By the 1990s economic conditions government policies and racial ideologies had transformed Puerto Rican labor migrants into what has been called the other underclass Professor Whalen analyzes this continuation of culture of poverty interpretations and contrasts it with the efforts of Philadelphia Puerto Ricans to recreate their communities and deal with the impact of economic restructuring and residential segregation in the City of Brotherly Love Author note Carmen Teresa Whalen is Assistant Professor of Puerto Rican and Hispanic Caribbean Studies at Rutgers University

Legitimizing Empire Faye Caronan, 2015-05-30 When the United States acquired the Philippines and Puerto Rico it reconciled its status as an empire with its anticolonial roots by claiming that it would altruistically establish democratic institutions in its new colonies Ever since Filipino and Puerto Rican artists have challenged promises of benevolent assimilation and portray U S imperialism as both self interested and unexceptional among empires Faye Caronan s examination interprets the pivotal engagement of novels films performance poetry and other cultural productions as both symptoms of and resistance against American military social economic and political incursions Though the Philippines

became an independent nation and Puerto Rico a U S commonwealth both remain subordinate to the United States Caronán's juxtaposition reveals two different yet simultaneous models of U S neocolonial power and contradicts American exceptionalism as a reluctant empire that only accepts colonies for the benefit of the colonized and global welfare Her analysis meanwhile demonstrates how popular culture allows for alternative narratives of U S imperialism but also functions to contain those alternatives

**Making Livable Worlds** Hilda Lloréns, 2021-11-05 When Hurricanes Irma and María made landfall in Puerto Rico in September 2017 their destructive force further devastated an archipelago already pummeled by economic austerity political upheaval and environmental calamities To navigate these ongoing multiple crises Afro Puerto Rican women have drawn from their cultural knowledge to engage in daily improvisations that enable their communities to survive and thrive Their life affirming practices developed and passed down through generations offer powerful modes of resistance to gendered and racialized exploitation ecological ruination and deepening capitalist extraction Through solidarity reciprocity and an ethics of care these women create restorative alternatives to dispossession to produce good meaningful lives for their communities Making Livable Worlds weaves together autobiography ethnography interviews memories and fieldwork to recast narratives that continuously erase Black Puerto Rican women as agents of social change In doing so Lloréns serves as an ethnographer of home as she brings to life the powerful histories and testimonies of a marginalized disavowed community that has been treated as disposable

**Migration and Economy** Lillian Trager, 2005 Focuses on migration not as a single event but as a dynamic process that responds to and is shaped by broader economic cultural and social forces This title features individual essays that offer studies on Mexico Puerto Rico West Africa Kazakhstan and Mozambique It is useful for development anthropology migration studies and more This book focuses on the historical sociology of the Turkish state It seeks to compare the development of the Ottoman Turkish state with similar processes of large scale historical change in Europe identified by Michael Mann in The Sources of Social Power It traces the contours of Turkey's modernisation with the intention of formulating a fresh way to approach state development in countries on the global economic periphery particularly those attempting to effect closer ties with Northern markets It also highlights matters of social change pertinent to states grappling with issues relating to political Islam minority identity and irredentist dissent

**Environmental Justice in North America** Paul C. Rosier, 2023-11-01 Emphasizing the voices of activists this book's diverse contributors examine communities' common experiences with environmental injustice how they organize to address it and the ways in which their campaigns intersect with related movements such as Black Lives Matter and Indigenous sovereignty The global COVID 19 pandemic exposed the ways in which BIPOC Black Indigenous People of Color communities and white working class communities have suffered disproportionately from the crisis due to sustained exposure to toxic land air and water creating a new urgency for addressing underlying conditions of systemic racism and poverty in North America In addition to exploring the historical roots of the Environmental Justice movement in the 1980s and 1990s the volume offers

coverage of recent events such as the DAPL pipeline controversy the Flint water crisis and the rise of climate justice The collection incorporates the experiences of rural and urban communities Alaska Natives Native Hawaiians Puerto Ricans and Indigenous peoples in the U S Canada and Mexico The chapters offer instructors undergraduate and graduate students and general readers a range of accessible case studies that create opportunities for comparative and intersectional analysis across geographical and ethnic boundaries South America, Central America and the Caribbean 2002 Jacqueline West, 2001 South America Central America and the Caribbean 2002 has been thoroughly revised and updated by Europa s experienced editorial team The information included is as invaluable to those who know little of the region as it is to the seasoned businessman or academic It should be in the reference collections of public and academic libraries international organizations trade and industrial companies diplomats government and the media Containing a wealth of up to date information on the 48 countries and territories of the region this reference provides a unique perspective on the region with its exhaustive collection of facts up to date statistics extensive directory details and expert comment **Building a Latino Civil Rights Movement** Sonia Song-Ha Lee, 2014 Building a Latino Civil Rights Movement Puerto Ricans African Americans and the Pursuit of Racial Justice in New York City Sunbelt Diaspora Patricia Silver, 2020-04-15 2021 Silver Medal Raul Yzaguirre Best Political Current Affairs Book International Latino Book Awards Latino Literacy Now An in depth look at an emerging Latino presence in Orlando Florida where Puerto Ricans and others navigate differences of race class and place of origin in their struggle for social economic and political belonging Puerto Ricans make up half of Orlando area Latinos arriving from Puerto Rico as well as from other long established diaspora communities to a place where Latino politics has long been about Cubans in Miami Together with other Latinos from multiple places Puerto Ricans bring diverse experiences of race and class to this Sunbelt city Tracing the emergence of the Puerto Rican and Latino presence in Orlando from the 1940s through an ethnographic moment of twenty first century electoral redistricting Sunbelt Diaspora provides a timely prism for viewing how differences of race class and place play out in struggles to claim political social and economic ground for Latinos Drawing on over a decade of ethnographic oral history and archival research Patricia Silver situates her findings in Orlando s historically black white racial landscape post 1960s claims to color blindness and neoliberal celebrations of individualism Through the voices of diverse participants Silver brings anthropological attention to the question of how social difference affects collective identification and political practice Sunbelt Diaspora asks what constitutes community and how criteria for membership and legitimate representation are negotiated *Radical Imagination, Radical Humanity* Rose Muzio, 2017-01-25 In this book Rose Muzio analyzes how structural and historical factors including colonialism economic marginalization racial discrimination and the Black and Brown Power movements of the 1960s influenced young Puerto Ricans to reject mainstream ideas about political incorporation and join others in struggles against perceived injustices This analysis provides the first in depth account of the origins evolution achievements and failures of El Comit Movimiento de

Izquierda Nacional Puertorriqueña one of the main organizations of the Puerto Rican Left in the 1970s in New York City El Comit fought for bilingual education programs in public schools for access to quality jobs and higher education and against health care budget cuts The organization mobilized support nationally and internationally to end the US Navy's occupation of Vieques denounced colonial rule in Puerto Rico and opposed US aid to authoritarian regimes in Latin America and Africa Muzio bases her project on dozens of interviews with participants as well as archival documents and news coverage and shows how a radical counterhegemonic political perspective evolved organically rather than as a product of a priori ideology

**Beyond Sun and Sand** Sherrie L. Baver, Barbara D. Lynch, 2006 Annotation Bringing together ten essays by social scientists and activists this book provides the most comprehensive exploration of the range of environmental issues facing the region and the social movements that have developed to deal with them The authors consider the role that global and regional political economies play in this process *Sponsored Identities* Arlene M. Dávila, 1997 Examines the creation of an essentialist view of nationhood based on a peasant culture and a unifying Hispanic heritage and the ways in which grassroots organizations challenge and reconfigure definitions of national identity through their own activities and representations
