Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary

David Foley

Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary:

The Political Economy of Dual Transformations David L. Bartlett, 2010-05-06 In the early 1990s scholars voiced skepticism about the capacity of Eastern Europe's new democracies to manage simultaneous political and economic reform. They argued that the surge of popular participation following democratization would thwart efforts by successor governments to enact market reforms that imposed high costs on major elements of post-Communist society. David Bartlett challenges the conventional wisdom regarding the hazards of dual transformations far from hindering marketization, democratization facilitated it. Bartlett argues that the transition to democracy in East Central Europe lowered the political barriers to market reforms by weakening the ability of actors most vulnerable to marketization to manipulate the existing institutional structure to stop or slow down the process. Although the analysis focuses on Hungary, whose long history of market reforms makes it an ideal vehicle for assessing the impact of institutional change on reform policy, the author shows how his findings call into question the use of shock therapy and arguments based on the experience in East Asia that economic development and democratization are incompatible. This book will appeal to economists, political scientists, and others interested in transition problems in formerly communist countries, democratic transitions, and the politics of stabilization and adjustment. David L. Bartlett is Assistant Professor of Political Science, Vanderbilt University. **The**

Political Economy of Dual Transformations David L. Bartlett, 1997-01-07 Shows how market reform and democratization are compatible in former Communist countries. The Political Economy of Fiscal Reform in Central-Eastern Europe Frank

Bönker, 2006-01-01 Frank Bönker has done a masterful job. This is probably the best book available on this important subject and its significance is not limited to studies of postcommunist societies. It has important theoretical implications for everyone interested in the Political Economy of Policy Reform perspective within the field of comparative political economy. John L. Campbell, Slavic Review. **The Political Economy of Hungary** Adam Fabry, 2019-04-03 This book explores the political

economy of Hungary from the mid 1970s to the present. Widely considered a poster boy of neoliberal transformation in post-communist Eastern Europe until the mid 2000s, Hungary has in recent years developed into a model illiberal regime. Constitutional checks and balances are non-functioning, the independent media, trade unions, and civil society groups are constantly attacked by the authorities, there is widespread intolerance against minorities and refugees, and the governing FIDESZ party led by Prime Minister Viktor Orbán controls all public institutions and increasingly large parts of the country's economy. To make sense of the politico-economical roller coaster that Hungary has experienced in the last four decades, Fabry employs a Marxian political economy approach, emphasising competitive accumulation, class struggle both between capital and labour, as well as different fractions of capital and uneven and combined development. The author analyses the neoliberal transformation of the Hungarian political economy and argues that the drift to authoritarianism under the Orbán regime cannot be explained as a case of Hungarian exceptionalism but rather represents an outcome of the inherent contradictions

of the variety of neoliberalism that emerged in Hungary after 1989 The Legacy Structure of Russia's One Hundred Year Transformation David Foley, 2018-11-16 Research and analysis of the post Soviet Russian experience of political economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state The complex nature of the Russian experience of political social and economic change had yet to be explained as a long term legacy analysis until now with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks the Soviets and the modern Republicans The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the Russia of Putinism and the twenty first century A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post Soviet Russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today Good Governance in Central and Eastern Europe Herman Willem Hoen, 2001-01-01 Undeniably Good Governance in Central and Eastern Europe provides many insights in the political economy of institutional reform and constitutes an important contribution to the growing literature on second generation reforms Carlos Santiso Democratization The implementation of a democratic order embedded in a market economy environment has proved immensely difficult Furthermore this process is subject to tremendous variety within Central and Eastern Europe Ten years after the collapse of communism it was apparent that only Poland and Slovenia surpassed their 1989 levels of GDP This book scrutinises the arrangements to enforce good governance in this area both by means of external help and domestic political leadership From the popular assumption that transformation is a collective good it follows that the problem of free riding has to be faced Consequently there is a danger that transformation may never be completed This book empirically tests the relationship between economic performance and good governance focusing upon voluntary coercion as a means to prevent free riding behaviour The author examines the role of international organisations and discusses elite formation as an important element of good governance something often ignored in the economic analysis of economic performance Democracy from Above Jon C. Pevehouse, 2005-01-13 These findings bridge international relations and comparative politics while also providing guidelines for policymakers who wish to use regional organizations to promote democracy BOOK JACKET **The Encyclopedia of the Cold War** Spencer C. Tucker, 2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world

The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references. Under the direction of internationally known military historian Spencer Tucker, ABC-CLIO's *The Encyclopedia of the Cold War: A Political, Social, and Military History* offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe. From the Second World War to the collapse of the Soviet Union, *The Encyclopedia of the Cold War* provides authoritative information on all military conflicts, battlefield and surveillance technologies, diplomatic initiatives, important individuals and organizations, national histories, economic developments, societal and cultural events, and more. The nearly 1,300 entries, plus topical essays and an extraordinarily rich documents volume, draw heavily on recently opened Russian, Eastern European, and Chinese archives. The work is a definitive cornerstone reference on one of the most important historical topics of our time.

The Cold War Spencer C. Tucker, 2020-10-27

This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991. The Cold War superpower face-off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today. This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world-changing event, including wars, new military technologies, diplomatic initiatives, espionage activities, important individuals and organizations, economic developments, societal and cultural events, and more. This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict. The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War, which are followed by some 1,500 entries on key individuals, wars, battles, weapons, systems, diplomacy, politics, economics, and art and culture. Each entry has cross-references and a list of books for further reading. The text includes more than 100 key primary source documents, a detailed chronology, a glossary, and a selective bibliography. Numerous illustrations and maps are inset throughout to provide additional context to the material.

Dual Transitions from Authoritarian Rule Francisco E. González, 2008-04-21

An analytically sophisticated and heavily documented study of two Latin American countries in their economic and political move toward democracy. In 1982, Latin America experienced a region-wide economic collapse that had a drastic effect on governments throughout Central and South America. Many were pushed to the verge of failure, while several of the most authoritarian—Argentina, Bolivia, Brazil, and Uruguay—went over the brink. Yet somehow Chile's repressive military dictatorship and Mexico's hegemonic civilian regime endured amid the economic chaos. *Dual Transitions from Authoritarian Rule* explains why these two regimes survived the upheaval and how each progressed toward a more open, democratic, market-driven system in later years. Using comparative analysis of Chile and Mexico, Francisco González explains that their governments, though different ideologically, shared a type of authoritarian rule that maintained the political status quo while aiding

proponents of political and economic liberalization Featuring a discussion of parallel phenomena in Brazil Hungary Taiwan and South Korea *Dual Transitions from Authoritarian Rule* challenges the received wisdom about sociopolitical and economic change within authoritarian nations A Choice Magazine Outstanding Academic Title Comparative Economics in a Transforming World Economy John Barkley Rosser, 2004 The second edition of an innovative undergraduate textbook in Comparative Economic Systems that goes beyond the traditional dichotomies **Democracy, Gender, and Social Policy in Russia** Andrea Chandler, 2015-12-17 Through compelling and insightful analysis of the Russian case this book explores the role that social welfare plays in regime transitions It examines the role that gender and social welfare has played in Russia's post communist political evolution from Yeltsin's assumption of the presidency to Putin's return for a third term as president in 2012 *Global Markets and Government Regulation in Telecommunications* Kirsten Rodine-Hardy, 2013-03-25 This book shows the surprising ways in which globalization has led to the spread of liberal reforms in the telecommunications sector around the world This book argues that international organizations rather than just markets structure this diffusion of policy innovation by providing information sharing policy standards and developing regulatory networks The book aims to disaggregate the concept of globalization using econometric analysis and controlled case comparisons and shows how governments play a critical role in allowing the spread of exciting new technologies and access to the broader world *The Great Surprise of the Small Transformation* Akos Rona-Tas, 1997 Views the fall of Communism in Hungary as the result of the erosion of universal state employment and the development of an informal private sector during the time of Communist rule

The Politics of Greed Andrew Harrison Schwartz, 2006-10-12 With the dissolution of the Soviet Empire it seemed that market capitalism had triumphed and that democracy might replace authoritarian regimes Economic reformers in the former Eastern Bloc rushed to liberalize prices and transfer state assets to private hands They assumed that private owners in a market setting would have no choice but to behave rationally—that is to invest in restructuring privatized enterprises so as to maximize profits They also assumed that these owners would perceive a stable institutional environment as conducive to economic success and thus become a powerful lobby in favor of the rule of law paving the way for democracy The post communist reality turned out to be very different Private owners found that in a weak state with limited laws and regulations and ineffective corporate governance structures it was more lucrative to steal enterprise assets and exploit opportunities for arbitrage than to restructure enterprises The lesson learned is that not all forms of private ownership are the same As this book's in depth political history of privatization in Central and Eastern Europe demonstrates the way that assets are privatized matters both with respect to national economic performance and the successful development of the rule of law Andrew Harrison Schwartz had unprecedented access to high level Czech government officials during the Czech Republic's privatization process This book is the result of the unique insights he gained and the innovative analytical framework he subsequently developed—ownership regime theory—which for the first time places ownership structures at the center of

political transition analysis Engaging and important The Politics of Greed applies ownership regime theory to a broad range of post communist privatization cases including those of the Czech Republic Poland Hungary Russia and Ukraine **How**

Politics and Institutions Affect Pension Reform in Three Postcommunist Countries Mitchell Alexander

Orenstein,2000 During reform s three phases commitment building coalition building and implementation there are tradeoffs among inclusiveness of process radicalism of reform and participation in and compliance with the new system Including more and more various veto and proposal actors early in the deliberative process may increase buy in and compliance when pension reform is implemented but at the expense of faster and greater change **Making Russia and Turkey Great**

Again? Norman A. Graham,Folke Lindahl,Timur Kocaoglu,2021-03-19 This study analyzes theoretically and empirically the background of the rise to power of Vladimir Putin in Russia and Recep Tayyip Erdogan in Turkey It situates this analysis in the contexts of the historical assessment of the fragility of liberal democracy and the persistence and growth of authoritarianism populism and dictatorship in many parts of the world The authors argue that the question whether Putin and Erdogan can make Russia and Turkey great again is hard to confirm personal ambition for power and wealth is certainly key to an understanding of both rulers They each squandered opportunities to build from free and fair democratic electoral legitimacy and economic progress The prospect for restored national greatness depends on how they can handle the economic and political challenges they now face and will continue to face in the near future in a climate of global pandemic and economic recession Both rulers so far have succeeded in maintaining and increasing their powers and influence in their respective regions but neither has made real contributions to regional stability and order Chaos seems to be growing and the EU and the U S thus far seem unable to provide coherent responses to mitigate the impact of their adventurism and disruption **The Blackwell Companion to Law and Society** Austin Sarat,2008-04-15 The Blackwell Companion to Law and Society is an authoritative study of the relationship between law and social interaction Thirty two original essays by an international group of expert scholars examine a wide range of critical questions Authors represent various theoretical methodological and political commitments creating the first truly global overview of the field Examines the relationship between law and social interactions in thirty three original essay by international experts in the field Reflects the world wide significance of North American law and society scholarship Addresses classical areas and new themes in law and society research including the gap between law on the books and law in action the complexity of institutional processes the significance of new media and the intersections of law and identity Engages the exciting work now being done in England Europe Australia and New Zealand South Africa Israel as well as Third World scholarship *Political Elites and the New*

Russia Anton Steen,2004-06-01 Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites have been the crucial strategic actors in reshaping Russia s economy democratising its political system and decentralising its administration This book analyses the

role of elites under Yeltsin and Putin discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership

Democracy's Resilience to Populism's Threat Kurt Weyland, 2024-01-25 The recent global wave of populist governments which culminated in Donald Trump's victory in 2016 has convinced many observers that populism is a grave threat to democracy. In his new book, Kurt Weyland critiques recent scholarship for focusing too closely on cases where populist leaders have crushed democracy and instead turns to the many cases where would-be populist authoritarians have failed to overthrow democracy. Through a systematic comparative analysis of thirty populist chief executives in Latin America and Europe over the last four decades, Weyland reveals that populist leaders can only destroy democracy under special restrictive conditions. Left-wing populists suffocate democracy only when benefitting from huge revenue windfalls, whereas right-wing populists must perform the heroic feat of resolving acute severe crises. Because many populist chief executives do not face these propitious conditions, Weyland proves that despite populism's threat, democracy remains resilient.

Eventually, you will totally discover a extra experience and skill by spending more cash. yet when? do you take that you require to acquire those every needs with having significantly cash? Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully,

there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary any PDF files. With these platforms, the world of PDF downloads is just a

click away.

FAQs About Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary Books

1. Where can I buy Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Political Economy Of Dual Transformations Market Reforms And Democratization In Hungary books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
