

The Political Economy of Mexican Oil

Laura Randall

Political Economy Of Mexican Oil

Ricardo Grinspun, Maxwell A. Cameron

Political Economy Of Mexican Oil:

The Political Economy of Mexican Oil Laura Randall, 1989-12-08 This work follows upon the author's previous volume *The Political Economy of Venezuelan Oil* and investigates the general workings of the Mexican oil industry in relationship to the economics and politics of Mexico. Specifically, the author examines Mexico's state-run oil concern PEMEX and the costs and benefits of Mexican oil policy for the nation as a whole and for special groups. Using in-depth interviews and extensive data from PEMEX and other sources, Randall explores issues such as PEMEX's relationships with workers and the oil union with suppliers of capital goods and services with the regions in which oil is produced and with specific groups of oil consumers. Given the critical and negative publicity PEMEX has received over its lifetime, Randall also seeks to answer questions regarding the extent of corruption, overstaffing, and lax management within PEMEX, which she finds to be less than is often alleged. Students of energy and development economics will find Randall's study an important contribution to the literature of Latin American economic policy. In addition to examining the internal workings of PEMEX, Randall describes and analyzes measures taken to correct earlier abuses and to increase efficiency. She reveals the intricate relationships among Mexican oil production, OPEC, the United States, and other nations and explores the contradictory aspects of Mexican economic and oil policies that inhibit the ability of the oil industry to reach official goals. Throughout, Randall traces the transformation of PEMEX from a nationalized industry that mainly produced crude oil for export to one that has expanded to include refined products and petrochemicals. As a result of this expansion, Randall demonstrates, PEMEX has had a major impact both on the market for labor and capital goods and on the regions in which it operates. Her conclusions regarding the current and future prospects for PEMEX have important implications for the study of economic and energy development throughout the Third World.

The Political Economy of Institutional Change in the Mexican Oil Industry Enrique Velasco-Ibarra, 2002 *Oil and the American Century* David S. Painter, 1986 **The Politics of Mexican Oil** George Grayson, 1981-04-15 The Mexican oil boom of the 1970s brought great hope and prosperity with it. George Grayson shows the influence of oil and the oil sector both within Mexican society and in its relations with other nations. He traces the development of the oil industry from its beginnings in 1901 up until the 1980s, looking at topics that include the history of expropriation, the creation of the state-run company Petróleos Mexicanos, graft and corruption within the Oil Workers Union, Mexico's relations with OPEC, the political nuances of oil and gas agreements with the United States, and the prospects for the Mexican oil industry and domestic reforms generated from oil revenue. *The Political Economy of the Western Hemisphere*, 1981 *The Political Economy of Oil and Gas in Africa* Soala Ariweriokuma, 2008-10-22 The evolution of the Nigerian oil and gas industry spanned about a century during which several challenges were encountered and surmounted by major International Oil Companies (IOCs). This book provides a thoroughly researched guide to the Nigerian oil and gas industry. The author examines the increasing role of Africa in the contributi *The Political Economy of North American*

Free Trade Ricardo Grinspun, Maxwell A. Cameron, 1993-06-18 Analyzes the economic social political and environmental implications of NAFTA from a range of critical perspectives The chapters unified by a sceptical view of the management of economic integration in North America cover the economic strategy of Mexico Canada US trade agreement and more *The Political Economy of Natural Resources and Development* Paul A. Haslam, Pablo Heidrich, 2016-02-05 The Political Economy of Resources and Development offers a unique and multidisciplinary perspective on how the commodity boom of the mid 2000s reshaped the model of development throughout Latin America and elsewhere in the developing world Governments increased taxes and royalties on the resource sector the nationalization of foreign firms returned to the mainstream economic policy agenda and public spending on social and developmental goals surged These trends often described as resource nationalism have developed into a strategy for economic development generated a re imagining of the state and its institutional possibilities and created a new but very significant political risk for extractive enterprises However these innovations which constitute the most dramatic change in development policy in Latin America since the advent of neoliberalism have so far received little attention from either academic or policy oriented publications This book explores the reasons behind these policies and their effects on states firms and development trajectories This text brings together renowned thematic experts to examine the political economic causes of resource nationalism as well as its manifestation in six Latin American countries The causal variables considered by the contributors to this collection include a range of political economic determinants of policy including commodity prices the influence of ideology and national politics ideas about industrial policy relations between host governments and investors and how countries respond to opportunities provided by regional initiatives and the new geography of the global economy This volume is essential reading in development economics political economy and Latin American studies as well as for those who want to understand what economic development means after neoliberalism

The Political Economy of Transnational Power and Production James M. Cypher, Mateo Crossa, 2023-08-01 The Political Economy of Transnational Power and Production Mexico's Metamorphosis 1982 2022 How and why Mexico's socioeconomic structure was transformed through plutocratic preferences US corporate strategies and ideology all powering transnational processes of neoliberalization are issues examined in this comprehensive carefully documented publication covering four crucial decades of metamorphosis The causes and consequences of the creation of a new regional power bloc the North American Free Trade Agreement NAFTA are extensively examined Readers will benefit from the many important demystifications presented here chronicling the asymmetric Mexico US production system The impacts of the new transnational structure for labor on both sides of the border are matters of centrality Specialists and general readers alike will find an explicit and accessible account of the powerful forces opening access to and profiting from millions of low wage workers enabling Mexico to become a strategic source of US imports Portrayed by mainstream economists and major policy makers as a win win triumph of free trade theory this book documents the opposing reality

imposed by NAFTA and the US Mexico Canada Free Trade Agreement on both the US and Mexican working classes US economists foretold a dramatic narrowing of the income gap the US would benefit Mexico would benefit even more But instead the yawning gap increased for three decades bringing devastation for workers while debilitating Mexico's national industrial base

The Political Economy of Latin America in the Postwar Period Laura Randall, 2010-07-22 The historic and increasing interdependence of the Latin American and U S economies makes an understanding of the political economies of Latin American nations particularly timely and important After World War II many nations initially implemented import substituting industrialization policies Their outcomes and the shift in policies are related to the domestic policies and world economic conditions that led to government deficits inflation foreign borrowing debt renegotiation and renewed emphasis on common markets and other devices to stimulate trade and investment In *The Political Economy of Latin America in the Postwar Period* important policy measures are evaluated such as indexation of prices and contracts special provisions for financing the government through the Central Bank stabilization and deregulation of the economy The introduction presents trends in Latin American growth and the factors that influence them This is followed by parallel studies of the economic development of Argentina Brazil Chile Cuba Ecuador Mexico and Peru from 1945 to the mid 1990s Noted experts bring their considerable experience to analyzing the content and impact of the economic theories that guided policymaking and their effects on output income and quality of life

The Political Economy of International Oil George Philip, 1994 Developing countries in Africa the Middle East and Latin America have made huge profits from exporting oil in recent years and have won great control over world markets This book looks at the background to examine why this vast oil revenue has done so little to bring about sustained economic and political development in these countries Separate chapters consider the impact of oil on individual developing countries from initial exploitation through to the present day the evolution of the international oil industry as a whole and US and British oil policies The work is fully up to date and contains statistical material

The Political Economy of World Energy Ferdinand E. Banks, 2007 This easy to read book presents an elementary yet comprehensive introduction to modern energy economics Mathematical content is kept to a minimum and advanced numerical concepts are placed in appendices The two survey chapters are suitable for readers with little or no formal training in economics Differing greatly from other energy textbooks the book aims to provide the reader with an informed advantage Principally intended as a textbook for undergraduate economics students it can also be used for self study or as a reference material

Post-NAFTA Political Economy Carol Wise, 2010-11-01 An assessment of the impact of NAFTA on Mexico and its implications for the broadening of hemispheric economic cooperation

The Routledge Handbook to the Political Economy and Governance of the Americas Olaf Kaltmeier, Anne Tittor, Daniel Hawkins, Eleonora Rohland, 2020-01-09 This handbook explores the political economy and governance of the Americas placing particular emphasis on collective and intertwined experiences Forty six chapters cover a range of Inter American key concepts and dynamics The flow of peoples

goods resources knowledge and finances have on the one hand promoted interdependence and integration that cut across borders and link the countries of North and South America including the Caribbean together On the other hand they have contributed to profound asymmetries between different places The nature of this transversally related and multiply interconnected hemispheric region can only be captured through a transnational multidisciplinary and comprehensive approach This handbook examines the direct and indirect political interventions geopolitical imaginaries inequalities interlinked economic developments and the forms of appropriation of the vast natural resources in the Americas Expert contributors give a comprehensive overview of the theories practices and geographies that have shaped the economic dynamics of the region and their impact on both the political and natural landscape This multidisciplinary approach will be of interest to a broad array of academic scholars and students in history sociology geography economics and political science as well as cultural postcolonial environmental and globalization studies

Changing Structure of Mexico Laura Randall, 2015-01-28 Mexico is reinventing itself It is moving toward a more tolerant global market oriented and democratic society This new edition of *Changing Structure of Mexico* is a comprehensive and up to date presentation of Mexico's political social and economic issues All chapters have been rewritten by noted Mexican scholars and practitioners to provide a lucid and informative introductory reader on Mexico The book covers such topics as Mexico's foreign economic policy and NAFTA maquiladoras technology policy and Asian competition as well as domestic economics such as banking tax reform and oil energy policy the environment population and migration policy the changing structure of political parties and values and changes affecting women

The Journal of political economy, 1925

The Political Economy of Fiscal Policy Miguel Urrutia, Shin'ichi Ichimura, Setsuko Yukawa, 1989 The book represents an attempt to test the applicability of this hypothesis through a comparative study of the fiscal policy and decision making process of six countries that taken together represent a broad range of political and bureaucratic systems

International Bibliography of Business History Francis Goodall, Terry Gourvish, Steven Tolliday, 2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The *International Bibliography of Business History* brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians

Energy Abstracts for Policy Analysis, 1983

Africa, Asia, and South America Since 1800 A. J. H. Latham, 1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5

000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance

Political Economy Of Mexican Oil Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Economy Of Mexican Oil has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Economy Of Mexican Oil has opened up a world of possibilities. Downloading Political Economy Of Mexican Oil provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Economy Of Mexican Oil has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Economy Of Mexican Oil. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Economy Of Mexican Oil. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Economy Of Mexican Oil, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Political Economy Of Mexican Oil has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Economy Of Mexican Oil Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Economy Of Mexican Oil is one of the best book in our library for free trial. We provide copy of Political Economy Of Mexican Oil in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Economy Of Mexican Oil. Where to download Political Economy Of Mexican Oil online for free? Are you looking for Political Economy Of Mexican Oil PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Political Economy Of Mexican Oil. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Political Economy Of Mexican Oil are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.
