
Introduction: The Political Economy of the Asian Financial Crisis

The Asian economic crisis of 1997-98 was a singular event in the region's postwar economic history. Adverse external shocks had struck the developing countries of East and Southeast Asia in the past, most notably the oil price increases of the 1970s and early 1980s. Individual countries had also experienced episodic difficulties. South Korea had a sharp, short recession in 1980, and the Philippines experienced a debt crisis in the early 1980s. Falling oil prices forced substantial adjustments on Indonesia in the mid-1980s, and a number of Southeast Asian countries experienced recession in 1985-86. But since the period of high growth began—a period that dates to the 1960s for Hong Kong, Singapore, South Korea, and Taiwan—East Asia had not experienced a collective shock of this magnitude.

The question of why these rapidly growing countries got into so much trouble and how they managed to return to growth has now been picked apart from a number of different angles, primarily by economists. Somewhat less attention has been paid to the political economy of the crisis (see, however, Jomo 1998c; Pempel 1999b). This book redresses this imbalance by posing three basic questions. First, did political factors contribute to Asia's vulnerability to crisis, and if so how? Second, how did incumbent governments and their successors manage the contentious politics of adjustment, including both short-term crisis measures and longer-term structural change? Third, what if any were the political and institutional consequences of the crisis of 1997-98, including for the consolidation of democratic rule?

Political Economy Of The Asian Financial Crisis

Iyanatul Islam, Anis Chowdhury

Political Economy Of The Asian Financial Crisis:

The Political Economy of the Asian Financial Crisis Stephan Haggard, 2000 This study not only examines the countries most severely affected by the Asian financial crisis but also draws lessons from those whose economies escaped the worst problems The author focuses on the political economy of the crisis emphasizing long standing problems and crisis management tactics

The Political Economy of the Asian Financial Crisis Stephan Haggard, 2010-10-01 The Asian crisis has sparked a thoroughgoing reappraisal of current international financial norms the policy prescriptions of the International Monetary Fund and the adequacy of the existing financial architecture To draw proper policy conclusions from the crisis it is necessary to understand exactly what happened and why from both a political and an economic perspective In this study renowned political scientist Stephan Haggard examines the political aspects of the crisis in the countries most affected Korea Thailand Malaysia and Indonesia Haggard focuses on the political economy of the crisis emphasizing the longer run problems of moral hazard and corruption as well as the politics of crisis management and the political fallout that ensued He looks at the degree to which each government has rewoven the social safety net and discusses corporate and financial restructuring and greater transparency in business government relations Professor Haggard provides a counterpoint to the analysis by examining why Singapore Taiwan and the Philippines escaped financial calamity

The Political Economy of Distress in East Asian Financial Institutions Paola Bongini, Stijn Claessens, Giovanni Ferri, 2000 In the East Asian crisis connections with industrial groups or influential families increased the probability of distress for financial institutions Connections also made closure more not less likely suggesting that the closure processes themselves were transparent But larger institutions although more likely to be distressed were less likely to be closed suggesting a too big to fail policy Cover

Crisis as Catalyst Andrew J. MacIntyre, T. J. Pempel, John Ravenhill, 2008 The financial crisis that swept across East Asia during 1997 1998 was devastating not only in its economic impact but also in its social and political effects The explosive growth and sociopolitical modernization that had powered the region for much of the preceding decade suddenly were dramatically interrupted East Asia is economically outperforming the rest of the developing world once again and has become a leading force in the global economy In the wake of the crisis East Asia changed in important ways Crisis as Catalyst contains assessments of these changes both ephemeral and permanent by a wide range of specialists in Asian economics and politics The crisis as the contributors to this volume show catalyzed changes across political corporate and social arenas both in the countries hit hard by the crisis and in others throughout the region The authors of Crisis as Catalyst examine what has changed as well as what has not changed in East Asia since the crisis explain these variations and reflect on the long term significance of these developments

The Politics of the Asian Economic Crisis T. J. Pempel, 2018-09-05 In the summer of 1997 a tidal wave of economic problems swept across Asia Currencies plummeted banks failed GNP stagnated unemployment soared and exports stalled In short the vaunted Asian Economic Miracle became

the Asian Economic Crisis with serious repercussions for nations and markets around the world While the headlines are still fresh a group of experts on the region presents the first account to focus on the political causes and implications of the crisis The events of 1997-98 involved not just property values financial flows portfolio makeup and debt ratios they argue but also the power relationships that shaped those economic indicators As they examine the domestic regional and international politics that underlay the economic collapse the authors analyze the reasons why the crisis affected the nations of Asia in radically different ways The authors also consider whether the crisis indicates a radical change in Asia's economic future

Two Crises, Different Outcomes T. J. Pempel, Keiichi Tsunekawa, 2015-05-06 Two Crises Different Outcomes examines East Asian policy reactions to the two major crises of the last fifteen years the global financial crisis of 2008-9 and the Asian financial crisis of 1997-98 The calamity of the late 1990s saw a massive meltdown concentrated in East Asia In stark contrast East Asia avoided the worst effects of the Lehman Brothers collapse incurring relatively little damage when compared to the financial devastation unleashed on North America and Europe Much had changed across the intervening decade not least that China rather than Japan had become the locomotive of regional growth and that the East Asian economies had taken numerous steps to buffer their financial structures and regulatory regimes This time Asia avoided disaster it bounced back quickly after the initial hit and has been growing in a resilient fashion ever since The authors of this book explain how the earlier financial crisis affected Asian economies why government reactions differed so widely during that crisis and how Asian economies weathered the Great Recession Drawing on a mixture of single country expertise and comparative analysis they conclude by assessing the long term prospects that Asian countries will continue their recent success

Politics and Markets in the Wake of the Asian Crisis Richard Robison, 2000 The contributors to this book argue vigorously that processes of globalisation are driven by complex political forces and that it is not enough to look at economic factors in isolation

The Political Economy of the East Asian Financial Crisis Nicholas Kiersey, 1998

The Political Economy of East Asia Ming Wan, 2020-09-03 Offering a coherent overview of the historical and institutional context of enduring patterns in East Asian political economy this updated and expanded second edition textbook explores the dramatic regional and international transformations that this key region has faced since the 2008 financial crisis

The Political Economy of East Asia K. Cai, 2016-04-30 In a systematic study of the political economy of East Asia Cai adopts an historical perspective alongside a contemporary focus exploring East Asia's development since the late 19th century Following similar paths to economic development East Asian states have achieved economic success integrating themselves into a regional economy

The Political Economy of the East Asian Crisis and Its Aftermath Arvid John Lukauskas, Francisco L. Rivera-Batiz, 2001 The collection begins with a comparative and historical analysis of the crisis placing it in the context of other financial and debt crises This is followed by a discussion of the domestic political and economic factors behind the events delineating the differences and similarities among affected countries The contributors also examine how global political forces influenced the

unfolding crisis in various countries Using the latest data top experts present the current economic situation in East Asia the contagion effects in the rest of the world and the role played by international institutions such as the IMF Handbook of the International Political Economy of Monetary Relations Thomas Oatley,W. Kindred Winecoff,2014-06-27 This extensive Handbook provides an in depth exploration of the political economy dynamics associated with the international monetary and financial systems Leading experts offer a fresh take on research into the interaction between system structure t **Global Political Economy** Theodore H. Cohn,2015-08-07 Praised for its authoritative coverage Global Political Economy places the study of IPE in its broadest theoretical context This text not only helps students understand the fundamentals of how the global economy works but also encourages them to use theory to more fully grasp the connections between key issue areas like trade and development Written by a leading IPE scholar Global Political Economy equally emphasizes theory and practice to provide a framework for analyzing current events and long term developments in the global economy **The Political Economy of Distress in East Asian Financial Institutions** Stijn Claessens,2005 The 1997 1999 East Asian crisis is an interesting case for studying the determinants of distress and closure of financial institutions Of a sample of 283 financial institutions from Indonesia Korea Malaysia the Philippines and Thailand 120 experienced distress and by July 1999 38 were closed We find that traditional CAMEL type financial data for 1996 help predict distress and closure quot Connectionsquot with industrial groups or influential families increased the likelihood of distress however suggesting that supervisors had granted selective prior forbearance from prudential regulations Since closure was more not less likely with connections the closure processes themselves appear transparent We also find evidence of quot too big to failquot policies

Global Instability John Grieve-Smith,Jonathan Michie,1999-04-22 First published in 1999 Routledge is an imprint of Taylor Francis an informa company **The Political Economy of International Financial Crisis** Shale Asher Horowitz,Uk Heo,2001 The world financial crisis of 1997 99 was the most important international economic event since the oil shocks of the 1970s and the associated debt crisis of the 1980s What were its political causes and consequences In particular how did interest group coalitions and political institutions affect pre crisis economic policies and post crisis responses This book focuses on how policymaking coalitions are formed and how political institutions mediate the pressure of rival coalitions This approach is applied to 13 countries drawn from the main crisis affected regions of the world economy East Asia Southeast Asia Latin America and Eastern Europe **The Changing Politics of Finance in Korea and Thailand** Xiaoke Zhang,2003-08-29 This book represents the first systematic attempt to explore the financial crisis in an interdisciplinary and comparative perspective and is essential reading for both policy makers and academics interested in national governance **The Political Economy of East Asia** Iyanatul Islam,Anis Chowdhury,2000 This text critically evaluates the current orthodoxy in the light of the Asian crisis and traces the debates in East Asian political economy in the broad context of development studies **The Asian Financial Crisis: New International Financial Architecture**

Shalendra Sharma,2003-10-03 The Asian financial crisis of 1997 98 shook the foundations of the global economy What began as a localized currency crisis soon engulfed the entire Asian region What went wrong and how did the Asian economies long considered miracles respond How did the United States Japan and other G 7 countries react to the crisis What role did the IMF play Why did China remain conspicuously insulated from the turmoil raging in its midst What lessons can be learnt from the crisis by other emerging economies This book provides answers to all the above questions and more It gives a comprehensive account of how the international economic order operates examines its strengths and weaknesses and what needs to be done to fix it The book will be vital to students of economics international political economy Asian and development studies Future Trends in East Asian International Relations Quansheng Zhao,2014-03-18 The world has undergone significant change since the end of the Cold War One such development is that the Asia Pacific has become increasingly prominent in international affairs This comprehensive study provides a detailed understanding of key issues actors and future trends in the region

Political Economy Of The Asian Financial Crisis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Economy Of The Asian Financial Crisis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Economy Of The Asian Financial Crisis has opened up a world of possibilities. Downloading Political Economy Of The Asian Financial Crisis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Economy Of The Asian Financial Crisis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Economy Of The Asian Financial Crisis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Economy Of The Asian Financial Crisis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Economy Of The Asian Financial Crisis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Economy Of The Asian Financial

Crisis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Economy Of The Asian Financial Crisis Books

What is a Political Economy Of The Asian Financial Crisis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Economy Of The Asian Financial Crisis PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Economy Of The Asian Financial Crisis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political**

Economy Of The Asian Financial Crisis PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Economy Of The Asian Financial Crisis PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
