**Political Encyclopedia of the Middle East** Avraham Sela,1998      **Continuum Political Encyclopedia of the Middle East** Avraham Sela,2002-09-05 It also includes the role of foreign powers in the Middle East especially France Great Britain the former Soviet Union and the United States **BOOK JACKET**      [Encyclopedia of the Modern Middle East & North Africa: D-K](#) Philip Mattar,2004 Contains entries that provide information about significant people places and events in the history of the Middle East and North Africa since 1800 arranged alphabetically from Dabbagh to Kuwait University      **The Middle East** Barry Rubin,2015-03-17 The Middle East is an area of great importance globally yet misperceptions abound Events have made it a region of special interest to the West and so the search for understanding gains momentum This publication is intended to clarify the region s complex history and issues In developing this project the contributors set out to explore seven significant themes that are usually not found in other sources While many books focus on political history and conflicts this two volume work deals specifically with culture religion women economics governance and media as well as the role that the region s modern history has played in shaping its society and worldview      *Understanding the Volatile and Dangerous Middle East* Steven Carol,2019-09-26 The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in *Understanding the Volatile and Dangerous Middle East*      *Arms Control in the Middle East* Emily B. Landau,2006-08-24 This book focuses on the Middle East arms control process as it unfolded during the years 1992 1995 as part of the multilateral track of the Arab Israeli peace process initiated in Madrid October 1991      [Historical Dictionary of Arab and Islamic Organizations](#) Sarah Tenney,2020-10-28 The Historical Dictionary of Arab and Islamic Organizations focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the

subject Hollywood Films in North Africa and the Middle East Nolwenn Mingant, 2022-05-01 Drawing on a broad range of primary sources from trade and government publications to interviews Hollywood Films in North Africa and the Middle East traces the circulation of Hollywood films across the region from the early twentieth century to the present Originally introduced by French distributors Hollywood films have been a key component of film culture in North Africa and the Middle East These films became a favored mode of entertainment during the first half of the century as the major US film studios built a strong distribution structure After World War II the changing geopolitical context of decolonization pushed US distributors out of the market Hollywood films however have continued to be favored by audiences Today in a landscape that also includes Egyptian and Indian films Hollywood remains a relevant force in the region's film culture experienced by audiences in myriad ways from the pirate markets of North Africa to state of the art theatres in the United Arab Emirates

**Historical Dictionary of Egypt** Arthur Goldschmidt, Jr., 2023-07-25 Egypt is the world's oldest continuous country with a recorded past of over 6 000 years Often invaded conquered and occupied by foreign armies Egypt has never lost its identity The Egyptians of today although they have changed their language once and their religion twice descend mainly from the Egyptians who built the Giza Pyramids and the Temple of Karnak who served Alexander the Great and his heirs who submitted to Augustus Caesar and raised much of the grain that fed the Roman Empire who started Christian monasticism and the veneration of the Virgin Mary and who advanced and sustained Muslim learning in what is now the world's oldest functioning university It was and is one of the most important countries in the world Historical Dictionary of Egypt Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Egypt

*American Presidents and Jerusalem* Ghada Hashem Talhami, 2017-04-26 Any casual observer of the Israeli Palestinian conflict would immediately recognize that the holy city of Jerusalem is the core issue impeding a permanent peace settlement between the two antagonists The religious symbolism of this city and its centrality to major religious faiths has never faded and has become increasingly vital to various strands of twentieth century religious nationalisms The political fate of Jerusalem was inevitably mired in international political struggles of the Cold War particularly after the United States inherited Britain's mantle as the ultimate arbiter of regional conflicts and strategic disputes The asymmetrical balance of military power between Israel and Jordan made superpower intervention both inevitable and unpredictable This study examines the policies of twentieth century US presidents regarding the status of Jerusalem It traces the evolution of the United States embroilment in the politics of Mandatory Palestine successive wars and regimes that vied for control over Jerusalem and tracks the conflicting historical narratives presented by various states in the region It also takes a detailed look at the role of the American Jewish lobby which constantly pressured the United States to overlook Israel's refusal to go

back to the lines of June 5 1967 or to stop creating facts on the ground in East Jerusalem The role of the oil lobby in seeking the reversal of Israeli annexationist steps in Jerusalem is also analyzed The failure of several American presidents to broker an Arab Israeli peace agreement is seen here as the result of the latitude enjoyed by presidential advisers in determining the main contours of American foreign policy in this region and guarding access to the chief executive in times of crisis Finally the book is an illustration of the perils of downplaying the human rights abuses of junior client states in order to placate national lobby groups in the United States leading to the entrenchment of the Israeli state not only over Jerusalem but throughout the West Bank

**Lebanon** Mordechai Nisan, 2015-05-31 Lebanon is an exceptionally misunderstood country its religious politics are typically misrepresented and denigrated in Western political commentary Politics and War in Lebanon offers a lucid examination of Lebanese society and politics Mordechai Nisan examines Lebanon in its own terms on its own cultural turf He then points to the causes of political disintegration in 1975 and explores the capacity of Lebanon to recover and retain its unique national poise Avoiding disorienting Western stereotypes Nisan presents Lebanon in its own native frame of reference as a multi ethnic country that operates according to its immutable and enigmatic political forms Lebanon is different from other Arab countries as demonstrated through its very complex electoral system its tradition of cross elite cooperation and its special sense of Lebanese national identity that differentiates it from its overbearing Syrian neighbor Nisan explores intra Maronite Christian feuds identifies Syria's occupation strategy analyzes the violence of the Palestinians and studies Israel's failed policy strategy and the role of Hezbollah in the Lebanese power equation Lebanon is caught between its special historical identity as a country of poise creativity and liberty and the interminable warfare in the streets and villages of the country Although its future appears dim its resilience enabled it to prevail in the past and may yet continue to do so *Contesting the Monolith* Priya Singh, 2025-10-24 The book challenges the notion that Israel is a homogeneous state whether in theory or in practice It offers a detailed and critical intersectional analysis of nationalism ethnicity gender and marginality in Israeli society revealing how these forces converge to produce multiple as well as fused identities within a complex social fabric Examining the ruptures and fault lines that shape a multi layered society the study contends that Israel's exceptionality lies not in its self proclaimed Jewish and democratic character but in its resort to exceptional legal and coercive measures to mask internal diversity By obscuring this heterogeneous reality the state cultivates an illusion of a monolithic and uniform Israeli identity The analysis presents a society far more fragmented and stratified than official narratives suggest offering readers an understanding of how intersecting structures of identity and power operate in the Israeli context and how social and political institutions respond to and regulate internal difference This book will be of interest to academic researchers postgraduate and doctoral students and policymakers engaged with questions of nationalism marginality identity and Middle Eastern politics particularly within the disciplines of political science sociology Middle Eastern studies and gender studies Green Crescent Over Nazareth Raphael Israeli, 2014-04-08 This is the story of the cultural and political struggle between Christians and Muslims and of the rapid Islamicization of Nazareth the birthplace of Christianity ironically under the rule of the Jewish State of Israel
