European Politics 1815-1848 Frederick C. Schneid, 2017-05-15 The three intervening decades between the Congress of Vienna and the Revolutions of 1848 are marked by enormous social political economic and cultural change Liberalism nationalism romanticism and industrialism profoundly affected the course of Europe and compelled conservative monarchies to accept the principles of collective action and military force to curb political revolution In the years immediately following 1815 the Quadruple and Holy Alliances served the dual purpose of preventing a restoration of Bonapartism and suppressing revolutions By the 1820s these international associations dissipated but the principles upon which they were founded informed the decisions of the respective governments through 1848 The classic articles and papers collected in this volume attempt to illustrate that despite the substantial changes to European society which occurred during these thirty years European powers accepted common principles which influenced their state s domestic and foreign policies Eastern Europe Bibliography ,1993 A selective work that documents the formative impact of the region s earlier history Includes reference aids and bibliographies general and descriptive histories of the land peoples and economies and works depicting intellectual and cultural life Moldova Marcel Mitrasca, 2002 **Balkan Departures** Wendy Bracewell, Alex Drace-Francis, 2009-05-01 In writings about travel the Balkans appear most often as a place travelled to Western accounts of the Balkans revel in the different and the exotic the violent and the primitive traits that serve according to many commentators as a foil to self congratulatory definitions of the West as modern progressive and rational However the Balkans have also long been travelled from The region s writers have given accounts of their travels in the West and elsewhere saying something in the process about themselves and their place in the world The analyses presented here ranging from those of 16th century Greek humanists to 19th century Romanian reformers to 20th century writers socialists and men of the world suggest that travellers from the region have also created their own identities through their encounters with Europe Consequently this book challenges assumptions of Western discursive hegemony while at the same time exploring Balkan Occidentalisms **The Foreign Policy of Serbia (1844-1867): Ilija Garašanin's Načertanije** Dušan T. Bataković, 2014 Contemporary analysis of Serbia s foreign policy in the middle of the nineteenth century has remained in a deep shadow of the Načertanije a document conceived in 1844 in Belgrade as a result of collaboration between Serbia s interior minister Ilija Garašanin and F A Zach the representative of the Polish political emigration from Paris led by Prince A Czartoryski in the capital of the autonomous Principality of Serbia Prince Czartoryski author of Councils for Serbia s foreign policy in 1843 considered Serbia the sole semi independent state among Slavs in South Eastern Europe a nucleus of a wider Serbia led South Slav state that might endorse an anti Russian and anti Austrian policy as a support for his wider plans regarding the restoration of independent Poland The over ambitious pan Slav project of F Zach Serbia s Slavic Policy was eventually modified by Garašanin to a more realistic and attainable plan in accordance with Serbia s modest demographic and military

potential limited international experience and still humble administrative capacities Planning the unification of the predominantly Serb inhabited lands under Ottoman rule was appropriately adapted to the geopolitical realities of 1844 The foreign policy of Serbia under Gara anin during the rule of the pro Austrian Prince Alexander Karadjordjevi and Gara anin s premiership under Russophile Prince Michael Obrenovi was balancing between various political options that were dominating Europe and the Balkans between the 1848 Revolution and the Crimean War and the first Balkan Alliance Gara anin was continuously prudent and bold in pursuing realistic political ambitions regarding large scale anti Ottoman activities by building a network of confidants and agents throughout Turkey in Europe that was to form a joint insurrection against the Ottoman rule During its last phase Gara anin s foreign policy gradually evolved into the direction of closer Yugoslav and Balkan cooperation Back cover East European Quarterly ,1979 **National Ideology Under Socialism** Katherine Verdery,2023-04-28 The current transformation of many Eastern European societies is impossible to understand without comprehending the intellectual struggles surrounding nationalism in the region Anthropologist Katherine Verdery shows how the example of Romania suggests that current ethnic tensions come not from a resurrection of pre Communist Nationalism but from the strengthening of national ideologies under Communist Party rule This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1991 The current transformation of many Eastern European societies is impossible to understand without comprehending the intellectual struggles surrounding nationalism in the region Anthropologist Katherine Verdery shows how the example of Romania suggests th **Romania** Peter Siani-Davies,Mary Siani-Davies,1998 The Revolution of 1989 dramatically brought Romania to international prominence as an absorbed world watched the bloody aftermath of the overthrow of Nicolae Ceausescu live in television These pictures of violence were soon joined by others including those depicting the plight of children placed in state care which brutally revealed the extent of the country s suffering under Communism The Crises of France's East Central European Diplomacy, 1933-1938 Anthony Tihamer Komjathy,1976 *The Bibliography of Romanian Nationalism & Ethnicity in Western Languages* Sorin Mitu,2008 Journal of the American Romanian Academy of Arts and Sciences ,1989 *Roman Dmowski, Party, Tactics, Ideology, 1895-1907* Alvin Marcus Fountain,1980 This is the first political biography in English of the Polish political leader Roman Dmowski 1864 1939 As champion of Polish independence before 1918 and an active leader of the National Democratic Party Dmowski s significance has generally been in the West This was particularly true of the formative years 1895 1907 which is the period of the primary focus of this volume **Britain and the War for Yugoslavia, 1940-1943** Mark C.
