Political Issues In Lukeacts:

Political Issues in Luke-Acts Richard J. Cassidy, Philip J. Scharper, 2015-02-25 The contributors represent varying outlooks in New Testament study so that the book offers a continuation of the current debate rather than a set of agreed conclusions. The editors of this symposium deserve our thanks for bringing together this series of useful essays which no student of the social teaching in the New Testament and of Luke's writings in particular ought to miss. I Howard Marshall Professor of New Testament Exegesis University of Aberdeen Various phases of Luke's challenge to the powers of his day are discussed in some detail by the contributors to this symposium and in consequence much light is thrown on Luke's purpose in writing. I am happy to commend this new volume of studies to the serious attention of students and teachers of the New Testament and early Christian history. F F Bruce Rylands Professor of Biblical Criticism and Exegesis University of Manchester These lively provocative and well informed essays center around the thesis of Dr Richard J Cassidy in his *Jesus Politics and Society* in which he challenges the notion that Luke Acts was written as a political apologetic. The result is a stimulating debate as though one were participating in a discussion at once learned and relevant on the exegetical issue of Lukan redaction and of course on the moral question of Jesus attitude toward civil authority. Howard Clark Kee William Goodwin Aurelio Professor of Biblical Studies Boston University Here we have ten studies which sharply probe aspects of the political Luke and or Luke's political Jesus including a study by Cassidy himself as well as studies which take him to task on various counts. All told *Political Issues in Luke Acts* is an extremely valuable showcase of the most current research in Luke Acts and its societal concerns. Edward C Hobbs Professor of Religion Wellesley College Visiting Professor of New Testament Harvard University Richard J Cassidy serves as Professor of Sacred Scripture at Sacred Heart Major Seminary in Detroit Michigan. His most recent books are *Paul in Chains Roman Imprisonment and the Letters of Paul* and *Four Times Peter Portrayals of Peter in the Four Gospels and at Philippi*. He is currently completing a commentary on St Paul's Letter to the Philippians. Prior to his death Philip J Scharper served as an editor of *Commonweal* was the American editor of Sheed and Ward and was the founding editor of *Orbis Books*. He received seven honorary degrees and numerous awards for his contribution to religious publishing. With his wife Sally he authored more than thirty nationally televised religious documentaries which have received twenty international and national awards including several Emmys.

A Theology of the New Testament George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974. Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology, an augmented bibliography, and an entirely new subject index.

Criminalization in Acts of the Apostles Jeremy L. Williams, 2023-10-26 *Acts of the Apostles* presents Roman officials and militarized police criminalizing, prosecuting, and incarcerating a movement of Jesus followers. This book brings Acts into conversation with ancient and modern understandings of crime by tending to laws and by exploring how different writers

portray the criminalized Aspects of Coherency in Luke's Composite Christology Daniel Gustafsson, 2022-03-18 Luke has often been understood to transmit a variety of Christological traditions without reflecting on them in relation to each other In this study Daniel Gustafsson challenges such positions and demonstrates that when the Gospel of Luke is approached as a narrative a different picture emerges Presentations of Jesus as Messiah Son of God prophet and Son of Man are shown to conform to Luke's overall plot and significantly overlap each other The voices of characters with high authority the use of Scripture and Jesus's relationship to the Holy Spirit are examples of other factors that contribute to coherency in Luke's Christology *Acts 1-9:42, Volume 37A* The Rev. Dr. Steve Walton, 2024-10-29 Over 2 million copies sold in The Word Biblical Commentary series This commentary series delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation It emphasizes a thorough analysis of textual linguistic structural and theological evidence resulting in judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary *Sacramental Charity, Creditor Christology, and the Economy of Salvation in Luke's Gospel* Anthony Giambrone, 2017-07-20 In this work Anthony Giambrone investigates the appropriation and development of Jewish charity discourse in Luke's Gospel In contrast to previous scholarship neither the coherence of Lukan wealth ethics nor its contemporary actualization defines his study Instead the sacramental significance of almsgiving becomes the starting point for a more theologically oriented exegesis The

end result recognizes Luke's Christological mutation of the inherited tradition. The text is organized around three exegetical probes each handling parabolic material i.e. Luke 7:36-50, 10:25-37 and 16:1-31. The author advances an approach to these parables that highlights Christological allegory, metalepsis as a Lukan narrative device. A break is thus implied with the dominant rationalist constructions of Luke's parabolic art and ethics. Also in contrast to a dominant trend stress is laid upon Luke's Jewish rather than Greco-Roman context.

Uneasy Neighbors Walter E. Pilgrim, What does the New Testament have to say about the attitude of Christians and the church toward those who exercise political authority? Few topics have caused more controversy in the history of the church than the relationship between church and state from the first century to the present. Pilgrim offers an analysis of the various attitudes of New Testament writers on this difficult subject ranging from submission to overt resistance by the church. The volume also excurses on Church and State in Luke Acts and a concluding chapter on hermeneutics.

Render to Caesar Christopher Bryan, 2005-08-25 At the end of the 20th century postcolonialism described the effort to understand the experience of those who had lived under colonial rule. This kind of thinking has inevitably brought about a reexamination of the rise of Christianity which took place under Roman colonial rule. How did Rome look from the viewpoint of an ordinary Galilean in the first century of the Christian era? What should this mean for our own understanding of and relationship to Jesus of Nazareth? In the past Jesus was often depoliticized, treated as a religious teacher imparting timeless truths for all people. Now however many scholars see Jesus as a political leader whose goal was independence from Roman rule so that the people could renew their traditional way of life under the rule of God. In Render to Caesar Christopher Bryan reexamines the attitude of the early Church toward imperial Rome. Choosing a middle road he asserts that Jesus and the early Christians did indeed have a critique of the Roman superpower, a critique that was broadly in line with the entire biblical and prophetic tradition. One cannot worship the biblical God, the God of Israel, he argues, and not be concerned about justice in the here and now. On the other hand the biblical tradition does not challenge human power structures by attempting to dismantle them or replace them with other power structures. Instead Jesus' message consistently confronts such structures with the truth about their origin and purpose. Their origin is that God permits them. Their purpose is to promote God's peace and justice. Power is understood as a gift from God, a gift that it is to be used to serve God's will and a gift that can be taken away by God when misused. Render to Caesar transforms our understanding of early Christians and their relationship to Rome and demonstrates how Jesus' teaching continues to challenge those who live under structures of government quite different from those that would have been envisaged by the authors of the New Testament.

Acts of the Apostles Babu Immanuel, 2017-10-01 The India Commentary on the New Testament (ICNT) series aims to give a well-informed exposition of the meaning of the text and relevant reflections in everyday language from a contemporary Indian context. The intended audience is the theological seminary or bible college, both students and faculty. The commentaries are also ideal for pastors and lay people with an interest in theology or responsibilities for preaching in the local congregation.

The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved in cross cultural evangelism and mission work There is no direct equivalent to the ICNT and hence this is the first Indian commentary serving India the entire subcontinent India Nepal Bangladesh and Sri Lanka and the world The ICNT is an affordable evangelical commentary series written by respected academics in everyday language providing a well informed meaning of the New Testament and practical reflections for modern India *ICNT: Acts of the Apostles* Babu Immanuel Venkataraman,2016-07-05 The ICNT series aims to give a well informed exposition of the meaning of the text and relevant reflections in everyday language for today s Indian context The intended audience is the theological seminary or bible college both students and faculty However the commentaries are also suitable for pastors and lay people with an interest in theology The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved in cross cultural evangelism and mission work There is no direct equivalent of the ICNT and hence this will be the first Indian commentary series serving India and hopefully the entire subcontinent India Nepal Bangladesh and Sri Lanka **The Inheritors of the [basileia Tou Theou]** Daniel Monikaraj,2008 The Double Message Turid Karlsen Seim,2004-11-11 A thoroughly researched study of the treatment of women in Luke Acts **The Passion of Interpretation** W. Dow Edgerton,1992-01-01 In this book W Dow Edgerton reviews narratives from the Bible the Talmud Greek mythology and modern fiction in order to provide a better understanding of the nature and work of interpretation Disclosed are rich complex and compelling possibilities for imagining the work of interpretation and what it means to do that work in a time when so much is needed and so much is possible The Literary Currents in Biblical Interpretation series explores current trends within the discipline of biblical interpretation by dealing with the literary qualities of the Bible the play of its language the coherence of its final form and the relationships between text and readers Biblical interpreters are being challenged to take responsibility for the theological social and ethical implications of their readings This series encourages original readings that breach the confines of traditional biblical criticism Related Strangers Stephen Wilson,2004-12-01 This book examines Jewish Christian relations during one of the most formative but also most obscure centuries when many of the features that have characterized the interaction of Jews and Christians down to this day were first formulated Starting from incisive description of canonical and noncanonical literature of this period Wilson clarifies perceptions of the different groups that were in dialogue and dispute **Non-Retaliatio in Early Jewish and New Testament Texts** Gordon Zerbe,2015-01-29 This study examines the varieties and continuities of ethical exhortations and ideals in the Jewish and Christian traditions c 200 BCE 100 CE that fall under the rubric of non retaliation One of the principal conclusions of this thought provoking work is that a critical factor in determining the shape of non retaliatory ethics is whether the exhortation is applied to relations within the local and or elect community or to relations with oppressors of the elect community It becomes apparent also that the non retaliatory ethic of the NT stands solidly in the

tradition of non retaliatory ethics in Early Judaism

The Saving Cross of the Suffering Christ Benjamin R.

Wilson,2016-07-25 What is the place of the cross in the thought of the third evangelist This book seeks to show the central significance of the death of Jesus for Luke s understanding of 1 how salvation is accomplished and 2 what it means for Jesus to be the messiah Whereas previous authors have helpfully attended to individual motifs within Luke s account of the passion this book takes more of a wide angle approach to the topic moving from the very first allusions to Jesus rejection at the beginning of Luke s gospel all the way through to the retrospective references to Jesus death that occur throughout the speeches of Acts By focusing on the inter relationship of the various parts that form the whole of the Lukan portrayal of Jesus death Wilson proposes fresh solutions to several of the intractable exegetical disputes related to the place of the cross in Lukan theology thereby helping to situate Lukan soteriology within the broader context of Jewish and Christian belief and practice in the first century Sparsa Collecta, Part 1. Jesus' Entry into Jerusalem Kinman,2018-07-17 Taking into account the backgrounds of Graeco Roman and Jewish triumphal entries this volume deals with the Lukan version of Jesus entry to Jerusalem and his subsequent cleaning of its Temple It is argued that Luke s account has been shaped by identifiable political and theological considerations including the phenomenon of parousia and the place of Israel in the plan of God Early chapters explore Luke s political milieu together with various entry phenomena from the ancient world including the advent of governors emperors and Jewish kings a close examination of the Lukan text and context follow This study breaks new ground in contributing to our understanding of how specific contemporary political issues and theological concerns led to the shaping of Luke 19 28 48 and context

Peter and Cornelius vanThanh Nguyen,2012-11-29 The mission to the Gentiles and their conversion into the church gave rise to conflict in the early Christian community Acts 11 1 18 indicates that there was clearly dissension over the issue of Peter going to the house of Cornelius and participating in table fellowship with him The issue was no small matter since it could have split the church How then does Luke portray the resolution of the conflict Instead of writing a long theological treatise the author employs the art of storytelling The study of Luke Acts has long been dominated by historical critical methods focusing on Luke as a historian and theologian This work however proposes a paradigm shift by looking at Luke as a storyteller Since narrative criticism is concerned with the work of the writer as author and not simply redactor and since it treats narrative precisely as narrative the time has come to apply the narrative critical approach to Acts 10 1 11 18 This approach explores a different set of questions What is the story of Peter and Cornelius about How is the story told What effect does the story have on the reader and why

Salty Wives, Spirited Mothers, and Savvy Widows F. Scott

Spencer,2012-12-19 Engaging feminist hermeneutics and philosophy in addition to more traditional methods of biblical study *Salty Wives Spirited Mothers and Savvy Widows* demonstrates and celebrates the remarkable capability and ingenuity of several women in the Gospel of Luke While recent studies have exposed women s limited opportunities for ministry in Luke

Scott Spencer pulls the pendulum back from a negative feminist critical pole toward a more constructive center Granting that Luke sends somewhat mixed messages about women s work and status as Jesus disciples Spencer analyzes such women as Mary Elizabeth Joanna Martha and Mary and the infamous yet intriguing wife of Lot whom Jesus exhorts his followers to remember as well as the unrelentingly persistent women characters in Jesus parables
