## **Political Obligation In Its Historical Context Essays In Political Theory:**

**Political Obligation in Its Historical Context** John Dunn, 2002-04-11 Mr Dunn addresses the central questions of political philosophy from an unusually broad variety of perspectives Identity, Narrative and Politics Maureen Whitebrook, 2014-04-04 Identity Narrative and Politics argues that political theory has barely begun to develop a notion of narrative identity instead the book explores the sophisticated ideas which emerge from novels as alternative expressions of political understanding This title uses a broad international selection of Twentieth Century English language works by writers such as Nadine Gordimer and Thomas Pynchon The book considers each novel as a source of political ideas in terms of content structure form and technique The book assumes no prior knowledge of the literature discussed and will be fascinating reading for students of literature politics and cultural studies **A History of Modern Political Thought** Gary Browning, 2016-10-27 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking Rethinking Modern Political Theory John Dunn, 1985-06-06 This volume of essays discusses the weaknesses in modern political theory and suggests how they might begin to be remedied **Rise of the International** Richard Devetak, Tim Dunne, 2024-07-04 International Relations and History were once academic fields sharing a common concern with the affairs of empires states and nations Over the course of the twentieth century however they drifted apart International Relations largely retained the focus on the affairs and relations of these principal international actors but took a methodological turn leading to higher levels of theoretical abstraction History on the other hand retained the methods that define the discipline but shifted the focus veering away from matters of state to the vast array of actors events activities and issues that colour everyday life In recent years the drift has been arrested by scholars in each discipline who have turned towards the other discipline in their research International Relations has undergone a historiographical turn while History has taken an international turn Rise of the International brings together

scholars of International Relations and History to capture the emergence and development of the thought the relations and the systems that have come to be called international in western discourse The evidence offered by contributors to the volume suggests there has been no single stable unchanging concept or object of theoretical reflection or historical investigation that can be called the international but a variety of historically contingent conceptualizations across different contexts

**Platonic Political Art** John R. Wallach,2010-11-01 In this first comprehensive treatment of Plato s political thought in a long time John Wallach offers a critical historicist interpretation of Plato Wallach shows how Plato s theory while a radical critique of the conventional ethical and political practice of his own era can be seen as having the potential for contributing to democratic discourse about ethics and politics today The author argues that Plato articulates and solves his Socratic Problem in his various dialogues in different but potentially complementary ways The book effectively extracts Plato from the straightjacket of Platonism and from the interpretive perspectives of the past fifty years principally those of Karl Popper Leo Strauss Hannah Arendt M I Finley Jacques Derrida and Gregory Vlastos The author s distinctive approach for understanding Plato and he argues for the history of political theory in general can inform contemporary theorizing about democracy opening pathways for criticizing democracy on behalf of virtue justice and democracy itself

Intellectual History and the Problem of Conceptual Change Elías J. Palti,2024-05-09 How does long term intellectual change occur Can we develop a theoretical framework for understanding past systems of knowledge In this ambitious study El as Jos Palti seeks to reassess the main concepts in the field of intellectual history Evaluating modes of thought from the seventeenth century to the present this book aims to prevent an anachronistic understanding of the texts of the past Palti rejects the idea of conceptual change as a coherent process deriving from one single source Instead he offers a convincing explanation of converging developments emanating from three different sources namely the Cambridge school the German school of conceptual history or Begriffsgeschichte and French politico conceptual history Intellectual History and the Problem of Conceptual Change also closely examines the temporality of concepts questioning how and why political languages mutate

**Modern Italian Social Theory** Richard Bellamy,2015-09-16 This text provides a clear and systematic introduction to the development of social and political theory in modern Italy It gives particular attention to relating the main traditions of Italian thought to the history of the country since unification The work concentrates on six major thinkers examining how their theoretical ideas influenced their analysis of political behaviour The thinkers concerned are Pareto Mosca Labriola Croce Gentile and Gramsci In discussing the respective theories of each author the book situates them within the intellectual and social contexts to which they were addressed The concluding chapter focuses on the recent debates between Bobbio della Volpe and others about the validity of the Italian road to socialism and its compatibility with the liberal values and institutions of Western democracies

**Models of Democracy** David Held,2006-06-30 This new edition combines lucid exposition and clarity of expression with careful scholarship and originality making it highly attractive both to students and

to experts in the field      **Politics of Discourse** Kevin Sharpe, Steven N. Zwicker, 2024-06-21 The outstanding essays in this volume explore the interdependency of literature and history in seventeenth century England The relation of text to society is examined both as theory and as practice The theoretical essays explore writing reading and the emergence of the aesthetic as historical phenomena of the seventeenth century Other contributions examine cultural and political practices that fashioned the century patronage representations of authority the socialization of party politics and fables of power What is often separated as a distinct sphere of literature is returned to the contexts of other cultural and discursive practices Using the shaping force of history on the imagination and the status of literature as historical evidence the authors also claim the power of imaginative texts to mold as well as reflect history Politics of Discourse not only increases our understanding of seventeenth century England but also advances the study of subjects of interest to cultural critics of all historical periods genre and canon the interplay of institution and imagination and the symbols of power Contributors Barbara K Lewalski Michael McKeon Earl Miner David Norbrook Annabel Patterson J G A Pocock Pocock Mary Ann Radzinowicz Kevin Sharpe Blair Worden Steven N Zwicker This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987      **Critical International Theory** Richard Devetak, 2018-07-04 Whether inspired by the Frankfurt School or Antonio Gramsci the impact of critical theory on the study of international relations has grown considerably since its advent in the early 1980s This book offers the first intellectual history of critical international theory Richard Devetak approaches this history by locating its emergence in the rising prestige of theory and the theoretical persona As theory s prestige rose in the discipline of international relations it opened the way for normative and metatheoretical reconsiderations of the discipline and the world The book traces the lines of intellectual inheritance through the Frankfurt School to the Enlightenment German idealism and historical materialism to reveal the construction of a particular kind of intellectual persona the critical international theorist who has mastered reflexive dialectical forms of social philosophy In addition to the extensive treatment of critical theory s reception and development in international relations the book recovers a rival form of theory that originates outside the usual inheritance of critical international theory in Renaissance humanism and the civil Enlightenment This historical mode of theorising was intended to combat metaphysical encroachments on politics and international relations and to prioritise the mundane demands of civil government over the self reflective demands of dialectical social philosophies By proposing contextualist intellectual history as a form of critical theory Critical International Theory defends a mode of historical critique that refuses the normative temptations to project present conceptions onto an alien past and to abstract from the offices of civil government      Interpreting Governance, High Politics, and Public Policy Nick Turnbull, 2016-05-20 Interpreting Governance

High Politics and Public Policy offers the latest perspectives on the interpretive approach to governance and public policy research. This book commemorates more than a decade of governance research by Mark Bevir and R A W Rhodes, the leading exponents of interpretive political science in the United Kingdom. It explains how insights from the interpretive perspective may be used to advance the study of governance, high politics and public policy. Featuring contributions from major scholars in the field, both inside and outside the interpretivist fold, the authors critically reflect upon interpretivism and consider how aspects of the interpretive approach apply to their own research. The authors debate the significance of Bevir and Rhodes's work and develop future directions for interpretive governance research. The chapters link one of the most innovative contemporary perspectives in political science with the latest empirical studies. Contributing towards setting the governance research agenda.

*Interpreting Governance: High Politics and Public Policy* is an excellent resource for the study of interpretive policy analysis.

*Visions of Politics* Quentin Skinner, 2002-09-09. This collection of philosophical and methodological statements written between the 1960s and 2000 considers the theoretical difficulties inherent in the pursuit of knowledge and interpretation.

**The Varieties of British Political Thought, 1500-1800** J. G. A. Pocock, Gordon J. Schochet, Lois Schwoerer, 1993. A history of political debate and theory in England, later Britain, between the English Reformation and French Revolution.

John Locke, Territory, and Transmigration Brian Smith, 2020-12-28. This book examines John Locke as a theorist of migration, immigration and the movement of peoples. It outlines the contours of the public discourse surrounding migration in the seventeenth century and situates Locke's in-depth involvement in these debates. The volume presents a variety of undercurrents in Locke's writing: his ideas on populationism, naturalization, colonization and the right to withdrawal; the plight of refugees and territorial rights, which have great import in present-day debates about migration. Departing from the popular extant literature that sees Locke advocating for a strong right to exclude foreigners, the author proposes a Lockean theory of immigration that recognizes the fundamental right to emigrate, thus catering to an age wrought with terrorism, xenophobia and economic inequality. A unique and compelling contribution, the volume will be of great interest to scholars and researchers of political theory, political philosophy, history of international politics, international relations, international political economy, public policy, seventeenth-century English history, migration and citizenship studies, and moral philosophy.

**Crisis of Legitimacy and Political Violence in Uganda, 1890 to 1979** Ogenga Otunnu, 2016-12-26. This book demonstrates that societies experiencing prolonged and severe crises of legitimacy are prone to intense and persistent political violence. The most significant factor accounting for the persistence of intense political violence in Uganda is the severe crisis of legitimacy of the state, its institutions, political incumbents and their challengers. This crisis of legitimacy, which is shaped by both internal and external forces, past and present, accounts for the remarkable continuity in the history of political violence since the construction of the state.

**Hobbes's Theory of the Will** Jürgen Overhoff, 2000. In Hobbes's Theory of the Will, Jürgen Overhoff reveals the religious, ethical and political consequences of Thomas Hobbes's doctrine of

volition The author gracefully describes how Hobbes's thought was governed by assumptions based firmly in Galilean natural philosophy and orthodox Protestant theology Overhoff also demonstrates how his subject used materialist eschatology and an absolutist political theory to resolve the social and ethical predicaments that coincided with these assumptions Finally Overhoff provides a chronological study of the numerous philosophical theological religious and political aspects of Hobbes's idea of the will and situates Hobbes's doctrine within the context of the most important responses and objections put forward by his critics

*Republics Ancient and Modern, Volume II* Paul A. Rahe, 2017-11-01 This is a work vast in scale soaring in its scholarly ambition and magnificent in its achievement The author's command of the primary sources is staggering in breadth and depth deftly orchestrated and rich with insight Deploying an avalanche of evidence Rahe shows how alien the modern project in all its diverse versions was to the classics as well as the Bible Thomas L Pangle Political Theory

Locke: Two Treatises of Government Student Edition John Locke, 1988-10-28 This is the revised version of Peter Laslett's acclaimed edition of Two Treatises of Government which is widely recognised as one of the classic pieces of recent scholarship in the history of ideas read and used by students of political theory throughout the world This 1988 edition revises Dr Laslett's second edition 1970 and includes an updated bibliography a guide to further reading and a fully reset and revised introduction which surveys advances in Locke scholarship since publication of the second edition In the introduction Dr Laslett shows that the Two Treatises were not a rationalisation of the events of 1688 but rather a call for a revolution yet to come

**A Treatise of Legal Philosophy and General Jurisprudence** Damiano Canale, Paolo Grossi, Hasso Hofmann, Patrick Riley, 2009-08-11 TO VOLUMES 9 AND 10 OF THE TREATISE I am happy to present here the third batch of volumes for the Treatise project This is the batch consisting of Volumes 9 and 10 namely A History of the Philosophy of Law in the Civil Law World 1600-1900 edited by Damiano Canale Paolo Grossi and Hasso Hofmann and The Philosophers' Philosophy of Law from the Seventeenth Century to Our Days by Patrick Riley Three volumes will follow Two are devoted to the philosophy of law in the 20th century and the third one will be the index for the entire Treatise which will therefore ultimately comprise thirteen volumes This Volume 9 runs parallel to Volume 8 A History of the Philosophy of Law in the Common Law World 1600-1900 by Michael Lobban published in 2007 Volume 10 for its part takes up where Volume 6 left off which appeared under the title A History of the Philosophy of Law from the Ancient Greeks to the Scholastics edited by Fred Miller Jr in association with Carrie Ann Biondi likewise published in 2007 and which is mainly a history of the philosophers' philosophy of law let us refer to this philosophy as A

## Reviewing **Political Obligation In Its Historical Context Essays In Political Theory**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Political Obligation In Its Historical Context Essays In Political Theory**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. ### **Political Obligation In Its Historical Context Essays In Political Theory Introduction**

In today's digital age, the availability of Political Obligation In Its Historical Context Essays In Political Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Obligation In Its Historical Context Essays In Political Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Obligation In Its Historical Context Essays In Political Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Obligation In Its Historical Context Essays In Political Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Obligation In Its Historical Context Essays In Political Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Obligation In Its Historical Context Essays In Political Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Political Obligation In Its Historical Context Essays In Political Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Obligation In Its Historical Context Essays In Political Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Obligation In Its Historical Context Essays In Political Theory books and manuals for download and embark on your journey of knowledge?

### **FAQs About Political Obligation In Its Historical Context Essays In Political Theory Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Obligation In Its Historical Context Essays In Political Theory is one of the best book in our library for free trial. We provide copy of Political Obligation In Its Historical Context Essays In Political Theory in digital format, so the resources that you find are reliable. There are also

many Ebooks of related with Political Obligation In Its Historical Context Essays In Political Theory. Where to download Political Obligation In Its Historical Context Essays In Political Theory online for free? Are you looking for Political Obligation In Its Historical Context Essays In Political Theory PDF? This is definitely going to save you time and cash in something you should think about.
