New York City Growth Politics, Neighborhood Liberalism, and the Origins of the Modern Housing Crisis

MARCH 2024 | JACOB ANBINDER

Political Power In Poor Neighborhoods

Robert Dilger

Political Power In Poor Neighborhoods:

Political Power in Poor Neighborhoods Curt Lamb, 1975 *Political Power in Poor Neighborhoods* Curt Lamb, 1975-01-01 **Social Capital and Poor Communities** Susan Saegert, J. Phillip Thompson, Mark R. Warren, 2002-01-10

Neighborhood support groups have always played a key role in helping the poor survive but combating poverty requires more than simply meeting the needs of day to day subsistence *Social Capital and Poor Communities* shows the significant achievements that can be made through collective strategies which empower the poor to become active partners in revitalizing their neighborhoods Trust and cooperation among residents and local organizations such as churches small businesses and unions form the basis of social capital which provides access to resources that would otherwise be out of reach to poor families *Social Capital and Poor Communities* examines civic initiatives that have built affordable housing fostered small businesses promoted neighborhood safety and increased political participation At the core of each initiative lie local institutions church congregations parent teacher groups tenant associations and community improvement alliances The contributors explore how such groups build networks of leaders and followers and how the social power they cultivate can be successfully transferred from smaller goals to broader political advocacy For example community based groups often become platforms for leaders hoping to run for local office Church based groups and interfaith organizations can lobby for affordable housing job training programs and school improvement *Social Capital and Poor Communities* convincingly demonstrates why building social capital is so important in enabling the poor to seek greater access to financial resources and public services As the contributors make clear this task is neither automatic nor easy The book's frank discussions of both successes and failures illustrate the pitfalls conflicts of interest resistance from power elites and racial exclusion that can threaten even the most promising initiatives The impressive evidence in this volume offers valuable insights into how goal formation leadership and cooperation can be effectively cultivated resulting in a remarkable force for change and a rich public life even for those communities mired in seemingly hopeless poverty A Volume in the Ford Foundation Series on Asset Building *Political Power in Poor Neighborhoods* William Curtis Lamb, 1972 *Norman Street: Poverty and Politics in an Urban Neighborhood* Updated Edition Ida Susser, 2012-06-19

Based on a three year study of Brooklyn's Greenpoint Williamsburg area *Norman Street* is an in depth detailed description of life in a multi ethnic working class neighborhood during New York City's fiscal crisis of 1975-78 Now updated with a new introduction to address the changes and events of the thirty years since the book's original publication its lessons continue to demonstrate the impact of political and economic changes on everyday lives Over the decades Greenpoint Williamsburg has become home to artists actors writers and young people with alternative cultural aspirations Susser documents how these groups in many ways have joined with the remaining working class population to build a thriving community that is now threatened with displacement by municipal rezoning which has facilitated massive plans for new corporate investment Increasingly prescient at a moment of economic crisis when people are again occupying

public spaces in major American cities spurred to collective action by mounting economic inequalities and the government's role in perpetuating them. Susser's study of change, action, and conflict in a neighborhood that has become emblematic of urban transformation for better and worse has much to say to us today. *Understanding the Nature of Poverty in Urban America* James Jennings, 1994-08-23. This book is designed to help readers navigate through the vast and rapidly growing literature on poverty in urban America. The major themes, topics, debates, and issues are examined through an analysis of eight basic questions about the nature and problem of urban poverty: What is poverty and how is it measured? What kinds of national policies have been utilized to manage poverty? What are the major characteristics and trends associated with poverty in America and how are race and ethnicity reflected in these trends? What are the major explanations for persistent poverty in the United States? What are the major characteristics and themes reflected in the American welfare system and anti-poverty policies? How is the underclass defined and explained? How have the poor utilized political mobilization to fight poverty in the United States? How does social welfare policy directed at poverty in America compare to social welfare systems in other countries? After analyzing these issues, Jennings concludes with a brief overview of how public discussions related to poverty in the 1990s are similar to such debates in earlier periods. Essential reading for urban policy makers, social scientists, and students of contemporary American urban concerns. **Poverty-related Topics Found in Dissertations**, 1976. *The*

Myth of Marginality Janice E. Perlman, 1976. *Handbook of Research on Urban Politics and Policy in the United States* Ronald K. Vogel, 1997-01-21. A comprehensive reference work which provides a way to access research on urban politics and policy in the United States. Experts in the field guide readers through major controversies while evaluating and assessing the subfields of urban politics and policy. Each chapter follows the same basic organization with topics such as methodological and theoretical issues, current states of the field, and directions for future research. For students, this work provides a starting place to guide them to the most important works in a particular subfield and a context to place their work in a larger body of knowledge. For scholars, it serves as a reference work for immediate familiarity with subfields of the discipline, including classic studies and major research questions. For urban policymakers or analysts, the handbook provides a wealth of information and allows quick identification of existing academic knowledge and research relevant to the problem at hand.

The Violent Underpinnings of American Life Liam Downey, 2023-10-03. *The Violent Underpinnings of American Life* explains how sexual violence against women and police and political violence against Black people maintains social order and elite power in the United States. **The Politics of Capital Investment** Carolyn T. Adams, 1988-11-02. This book examines both the politics and products of the public investment process in one of America's largest cities. It broadens the scope of contemporary debates on the political economy of urban development to include not only large-scale redevelopment projects but also neighborhood facilities such as schools, parks, and libraries. Showing the share of investments that went into Philadelphia's downtown versus its residential neighborhoods from 1950 to 1980, the author challenges the widely held view

that public investment patterns simply reflect political pressures from pro development groups Instead she shows that a city's decision to build often hinges on the availability and the sources of investment capital

The World in Brooklyn Judith DeSena, Timothy Shortell, 2012-03-22 The World in Brooklyn Gentrification Immigration and Ethnic Politics in a Global City is a collection of scholarly papers which analyze demographic social political and economic trends that are occurring in Brooklyn Brooklyn as the context reflects global forces while also contributing to them The idea for this volume developed as the editors discovered a group of scholars from different disciplines and various universities studying Brooklyn Brooklyn has always been legendary and has more recently regained its stature as a much sought after place to live work and have fun Popular folklore has it that most U S residents trace their family origins to Brooklyn It is presently referred to as one of the hippest places in New York Thus this book is a collection of demographic ethnographic and comparative studies which focus on urban dynamics in Brooklyn The chapters investigate issues of social class urban development immigration race ethnicity and politics within the context of Brooklyn As a whole this book considers both theoretical and practical urban issues In most cases the scholarly perspective is on everyday life With this in mind there are also social justice concerns Issues of social segregation and attendant homogenization are brought to light Moreover social class and race advantages or disadvantages as part of urban processes are underscored through critiques of local policy decisions throughout the chapters A common thread is the assertion by contributors that planning the future of Brooklyn needs to include multi ethnic racial and economic groups those very residents who make up Brooklyn

Grassroots Warriors Nancy A. Naples, 2014-01-14 Who are the grassroots warriors on the front lines of the war on poverty Through in depth interviews Nancy Naples presents the voices of over sixty women African American Puerto Rican and white European American who have fought for social and economic justice in the low income neighborhoods of New York City and Philadelphia These women as community workers and activist mothers contribute vital and often unpaid services to their communities offering complex political perspectives and empowering others Naples reconceptualizes labor mothering and politics from the standpoint of women committed to work and politically organize on behalf of low income urban communities Her analysis reveals significant legacies from past social movements and examines how gender ethnicity and class influence political consciousness and practice

Neighborhood Politics Robert Dilger, 1992-09 This book examines the role of residential community associations in the American intergovernmental system of governance Residential community associations RCAs have experienced phenomenal growth in recent years yet their significance and impact remains largely unexamined Robert Jay Dilger here identifies the extent and nature of the services and operations provided by RCAs documents their development as a housing and land use planning innovation and analyzes their role in acting in many ways as a substitute for local governments Dilger illustrates the many ways in which RCAs are influential actors in the American political and intergovernmental process Examining this impact of RCAs on local politics he also extrapolates to determine the implications of their proliferation for American governance and

democratic values Economic conditions and consumer preferences suggest he argues that RCAs will continue to play an vital role in American governance well into the 21st century Essential reading for anyone interested in public policy local politics and government this book is the definitive account of these increasingly powerful organizations *The Transformation of Plantation Politics* Sharon D. Wright Austin,2012-02-16 *The Transformation of Plantation Politics* explores the effects of black political exclusion the sharecropping system and white resistance on the Mississippi Delta s current economic and political situation Sharon D Wright Austin s extensive interviews with residents of the region shed light on the transformations and legacies of the Delta s political and economic institutions While African Americans now hold most of the major political offices in the region and are no longer formally excluded from political participation educational opportunities or lucrative jobs Wright Austin shows that white wealth and black poverty continue to be the norm partly because of the deeply entrenched legacies of the Delta s history Contributing to a greater theoretical understanding of black political efforts this book demonstrates a need for a strong level of black social capital intergroup capital financial capital political capital and a human capital of educated and skilled workers *Leading Issues in Black Political Economy* Thomas D. Boston,2018-01-16 *Leading Issues in Black Political Economy* brings together the foremost experts on issues ranging from employment training and education of African Americans It also emphasizes macro economic concerns of business development with special emphasis on long term trends of black owned businesses The work emphasizes welfare considerations in an anti welfare epoch and the role of affirmative action now that it is under attack Attention is given to the role of race in the continuing disparity of income distribution in American society The highlights of *Leading Issues* include An Employment and Business Strategy for the Next Century A Comment by Thomas D Boston Long Term Trends and Prospects for Black owned Business by Andrew F Brimmer Is the U S Small Business Administration a Racist Institution by Timothy Bates Worker Re Training and Labor Market Outcomes A New Focus for Labor Research by James B Stewart Race Cognitive Skills Psychological Capital and Wages by Arthur H Goldsmith William Darity Jr and Jonathan R Veum and Reparations and Public Policy by Richard F America The overall findings suggest that empirical wage equation specifications do matter The role of psychological capital is critical in the marketplace Race is indeed an important determinant of wages especially when the influence of both cognitive skills and psychological capital are included in the wage equation This volume will be of crucial interest to economists political scientists sociologists and policy analysts studying African American life Thomas D Boston is editor of the *Review of Black Political Economy* and professor of economics at the Georgia Institute of Technology He is the co editor with Catherine L Ross of *The Inner City Urban Poverty and Economic Development in the Next Century* also available from Transaction *Dry Bones Rattling* Mark R. Warren,2010-09-13 *Dry Bones Rattling* offers the first in depth treatment of how to rebuild the social capital of America s communities while promoting racially inclusive democratic participation The Industrial Areas Foundation IAF network in Texas and the Southwest is gaining national attention as a

model for reviving democratic life in the inner city and beyond This richly drawn study shows how the IAF network works with religious congregations and other community based institutions to cultivate the participation and leadership of Americans most left out of our elite centered politics Interfaith leaders from poor communities of color collaborate with those from more affluent communities to build organizations with the power to construct affordable housing create job training programs improve schools expand public services and increase neighborhood safety In clear and accessible prose Mark Warren argues that the key to revitalizing democracy lies in connecting politics to community institutions and the values that sustain them By doing so the IAF network builds an organized multiracial constituency with the power to advance desperately needed social policies While Americans are most aware of the religious right Warren documents the growth of progressive faith based politics in America He offers a realistic yet hopeful account of how this rising trend can transform the lives of people in our most troubled neighborhoods Drawing upon six years of original fieldwork Dry Bones Rattling proposes new answers to the problems of American democracy community life race relations and the urban crisis

40 Years of China's War on Poverty Xinkai Zhu,Chao Peng,2022-09-03 China s anti poverty campaign has liberated hundreds of millions of citizens from absolute poverty offering a compelling model for other developing countries around the world This book demonstrates the path of China s poverty alleviation and explores the approach and the theory underlying the country s experience The authors elucidate four important stages of poverty alleviation in China They further investigate how the administration has balanced economic growth regional development and the protection of ecosystem and cultural and heritage sites during China s remarkable transformation As China s development experience have extended the theory of international poverty alleviation this book should provide valuable insights and offer enlightenment to global scholars NGOs and governments of other developing countries

Political Power In Poor Neighborhoods Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Power In Poor Neighborhoods has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Power In Poor Neighborhoods has opened up a world of possibilities. Downloading Political Power In Poor Neighborhoods provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Power In Poor Neighborhoods has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Power In Poor Neighborhoods. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Power In Poor Neighborhoods. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Power In Poor Neighborhoods, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Power In Poor Neighborhoods has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have

become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Power In Poor Neighborhoods Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Power In Poor Neighborhoods is one of the best book in our library for free trial. We provide copy of Political Power In Poor Neighborhoods in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Power In Poor Neighborhoods. Where to download Political Power In Poor Neighborhoods online for free? Are you looking for Political Power In Poor Neighborhoods PDF? This is definitely going to save you time and cash in something you should think about.
