Political Power: USA/USSR Zbigniew Brzezinski, Samuel P. Huntington, 1964 Comparative analysis of Soviet and American institutions sponsored jointly by the Russian Institute and The Institute of War and Peace Studies Columbia University *Political Power: USA/USSR* Zbigniew Brzezinski, Samuel P. Huntington, 1964 **Political Power** Zbigniew Brzezinski, Samuel P. Huntington, 1966 **American Political Scientists** Glenn H. Utter, Charles Lockhart, 2002-10-30 This dictionary offers the only comprehensive collection of profiles of American political scientists each of whom contributed significantly to the intellectual development of American political science from its beginnings in the late 19th century to the present This second edition includes 22 new and 110 revised entries reflecting new scholarship that emerged during the 1990s Numerous experts helped the editors develop this consensus group of the 193 political scientists who have made the most important theoretical contributions over the years with attention to varied approaches and the different subfields Alphabetically arranged entries focus on the main ideas and major works by each scholar listing list the most important publications by and about the individual There are numerous cross references to show how the work of one scholar has influenced another in the discipline Appendices list the political scientists by degree granting institutions and by major fields A short bibliography points to important general readings about the profession A general index makes this major reference easily accessible for broad interdisciplinary research **Politics and the Soviet System** Thomas F. Remington, 1989-06-18 This collection of essays focuses on topics pertaining to Soviet propaganda and policy making Among the essays there is a study of the view of international relations presented by Soviet TV news a survey of development in comparative communist studies and an analysis of recent changes **The Soviet Political Agenda: Problems & Priorities, 1950-1970** Daniel Tarschys, 2024-11-01 An examination of Russia's philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole

The Conduct of Soviet Foreign Policy Erik Peter Hoffmann, Frederic J. Flernon, Articles by Brzezinski Pipes Schulman Gati and two new chapters written by Hoffmann and Laird bring new information to this edition on geo politics SALT China and the scientific technological revolution's effects in the Soviet Union The last three sections of the book include updated selections such as a Retrospect and Prospect on the use abuse of Soviet power **Kissinger and Brzezinski** Gerry Argyris Andrianopoulos, 2016-07-27 Going beyond superficial comparisons of Kissinger and Brzezinski this study by comparing their views on world politics and on strategy and tactics for achieving national goals and examining the consistency of their beliefs and actions while in and out of office finds that despite Brzezinski's attacks on Kissinger he shared many of his views and copied many of his actions while in office and that their policy making behaviour was indeed strongly influenced by their shared beliefs **Political Participation in the USSR** Theodore H. Friedgut, 2014-07-14 Theodore H. Friedgut scrutinizes mass political participation in the Soviet system examining in detail the electoral process the local councils and the

neighborhood committees from 1957 to the present Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Problems of Communism, 1987 **Soviet Intervention in Czechoslovakia, 1968** Jiri Valenta, 1991-11-01 In this new edition of his highly acclaimed work Jiri Valenta adds his assessment of Soviet military decisionmaking in the 1980s to his earlier analysis of decisionmaking and crisis management in the Soviet bureaucracy and Warsaw Pact Comparing the events of 1968 to the Kremlin's very different reaction to reforms now under way in Czechoslovakia and the rest of Eastern Europe Valenta shows that Soviet politics were never simple The USSR's foreign policy response to the Prague Spring he contends was the result of a complex political process conditioned by bureaucratic inertia coalition politics and East European pressures **Political Leadership Between Democracy and Authoritarianism** Jerzy J. Wiatr, 2022-01-17 In diesem Buch wird die Theorie der politischen Führung die ein noch wenig erforschtes Feld der Politikwissenschaft ist beleuchtet Sie ist verwandt mit dem philosophischen Streit um Determinismus versus Aktivismus und hilft den Grundkonflikt des 21. Jahrhunderts zwischen liberaler Demokratie und neuem Autoritarismus zu verstehen Das Buch befasst sich mit Max Webers Typologie politischer Herrschaft und seinem Konzept der Verantwortungsethik welche der Schlüssel zur Theorie der Führung sind Der Autor zeigt auf dass der unvollendete Wettstreit zwischen Demokratie und neuem Autoritarismus im 21. Jahrhundert die Bedeutung von Führung in alten und neuen Demokratien sowie in den neoautoritären Regimen besttigt und einen neuen Typus politischer Führungskraft fordert *Interest Groups in Soviet Politics* Harold Gordon Skilling, Franklyn Griffiths, 2019-03-12 It is now generally agreed that since Stalin's death there has been a definite broadening of group participation in policy formation and implementation The contributors to this volume analyze seven elite political interest groups at the upper and middle levels of the Soviet social structure Originally published in 1971 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 American Studies Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 *A Discipline Divided* Gabriel A. Almond, 1990 A Discipline Divided is a collection of coherent and timely articles that discuss the emergence and divergence of the two dominant camps of political science ideology and methodology

Almond examines the hard versus soft science argument the history of model fitting in communism studies the strengths and weaknesses of the rational choice movement and the historical forces and processes that have shaped political culture

Know Your Enemy David C. Engerman, 2009-11-20 As World War II Ended few Americans in government or academia knew much about the Soviet Union It was as Winston Churchill had famously noted a riddle wrapped in a mystery inside an enigma To address this dangerous gap in knowledge as David C Engerman shows in this book a network of scholars soldiers spies and philanthropists created an enterprise known as Soviet Studies Bringing together iconoclasts geniuses lone wolves and careerists to analyze an entire nation and its ruling ideas Soviet Studies attracted great minds from the left right and center Among them are controversial individuals ranging from George Kennan to Margaret Mead to Zbigniew Brzezinski not to mention historians Sheila Fitzpatrick and Richard Pipes Together they created the knowledge that helped fight the Cold War and define Cold War thought Ranging from the end of World War II to the collapse of the USSR in 1991 Know Your Enemy shows that Soviet Studies became a vibrant intellectual enterprise studying not just the Soviet threat but Soviet society and culture as well as Russian history and literature Book Jacket **Anti-American Myths** Arnold

Beichman, 2023-05-09 In his probing new introduction to Anti American Myths which was initially published twenty years ago as Nine Lies About America Arnold Beichman notes a powerful fact what makes the United States unique is not only its military power nor its huge economy nor even its great technological innovations Rather what differentiates the nation from virtually all others is that there is no large scale territorial movement whose sponsors seek to secede from the country and to establish a new nation And yet anti Americanism has characterized a small portion of ideologists whom Beichman refers to as radical egalitarians These prophets of doom still abound Everywhere the glib accusations are leveled America is sick racist materialist aggressive decadent and only violent revolution can save it Even the collapse of the Soviet Union and of socialist regimes in Eastern Europe has not quelled the rhetoric of anti Americanism It is Beichman's aim to explain the roots of such persistent opposition to American society as presently constructed Tom Wolfe in his Foreword shrewdly observes This is not a book about America it is a book that uses the subject of the United States as a device with which to explore the modern intellectual's retrograde habits of mind Beichman finds nothing particularly amusing about what American intellectuals do to rationality and the English language let alone the common weal when they get on the subject of the United States But I for one find his demonstration of the hash these men have made of the mother tongue extremely entertaining When initially published Beichman's classic was termed powerful persuasive and credible a laser beam of fact and reason by the Los Angeles Times and a most valuable antidote to a lot of cliché thinking and cliché writing by the New York Times Edwin McDowell in his review for the WaH Street Journal reminds the reader that Beichman is not a rightwinger bent on defining the status quo but unabashedly a man of the left an important figure in the international trade union movement Anti American Myths will be of interest to intellectual historians political scientists sociologists and all readers interested in

contemporary social and political affairs Post-communist Studies And Political Science Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism **Political Recruitment across Two Centuries** Roderic Ai Camp, 2013-12-06 During more than twenty years of field research Roderic Ai Camp built a monumental database of biographical information on more than 3 000 leading national figures in Mexico In this major contribution to Mexican political history he draws on that database to present a definitive account of the paths to power Mexican political leaders pursued during the period 1884 to 1992 Camp's research clarifies the patterns of political recruitment in Mexico showing the consequences of choosing one group over another It calls into question numerous traditional assumptions including that upward political mobility was a cause of the Mexican Revolution of 1910 Comparing Mexican practices with those in several East Asian countries also allows Camp to question many of the tenets of political recruitment theory His book will be of interest to students not only of Mexican politics but also of history comparative politics political leadership and Third World development Asia and the Road Ahead Robert A. Scalapino, 2023-04-28 Asia and the Road Ahead Issues for the Major Powers examines the foreign policy trends and challenges facing six key Asian Pacific societies Japan the People's Republic of China India Indonesia the Soviet Union and the United States Organized into five regions Pacific Ocean Northeast Asia the Continental Center Southeast Asia and South Asia the study explores domestic influences on foreign policy and highlights the interconnectedness of these regions While acknowledging the fluidity and uncertainties of contemporary global politics the author argues for continued U S engagement in the Asian Pacific world cautioning against isolationism in the wake of America's defeat in Indochina The work advocates periodic reassessment of foreign policy priorities balancing economic political and military tools to address evolving challenges Drawing on decades of experience including 26 trips to the Soviet Union and Asia since World War II the author incorporates insights from numerous experts and sources including a January 1974 Foreign Affairs article on China While the work reflects the author's personal convictions it incorporates contrasting perspectives to provide a comprehensive analysis The collaborative input from academic peers and field experts further enhances the depth of this study making it a valuable resource for understanding the complexities and alternatives shaping the future of the Asian Pacific region This title is part of UC Press's

Political Power Usa Ussr Introduction

In today's digital age, the availability of Political Power Usa Ussr books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Power Usa Ussr books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Power Usa Ussr books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Power Usa Ussr versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Power Usa Ussr books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Power Usa Ussr books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Power Usa Ussr books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Power Usa Ussr books and manuals for download have transformed the way we access information.
