## **Political Reform By The Representation:**

The Politics of Work-Family Policy Reforms in Germany and Italy Agnes Blome, 2016-11-25 One of the fundamental challenges facing modern welfare states is the question of work family reconciliation. An increasing share of mothers work but many European welfare states do not adequately support the dual earner model especially in southern Europe. After 2005 German policy makers transformed the nature of Germany's family policy regime through a number of legislative measures whilst Italy a country with many similarities witnessed little change. Using a multi methods approach this book addresses the puzzle of why Germany was able to implement far reaching reforms in this policy area after a long impasse and Italy was not. As such it delivers a broad systematic account of these reforms and sheds light on why similar reforms were not also adopted in other similar welfare states at the same time. More generally it contributes to understanding the determinants of welfare policy change in modern European welfare states. This text will be of key interest to scholars students and professionals working on topics linked to European politics welfare and work family policies comparative politics social policy and more broadly to political science and gender studies.

The Oxford Handbook of Political Representation in Liberal Democracies Robert Rohrschneider, Jacques Thomassen, 2020-07-28 The Handbook of Political Representation in Liberal Democracies offers a state of the art assessment of the functioning of political representation in liberal democracies. In 34 chapters the world's leading scholars on the various aspects of political representation address eight broad themes. The concept and theories of political representation its history and the main requisites for its development elite orientations and behavior descriptive representation party government and representation non electoral forms of political participation and how they relate to political representation the challenges to representative democracy originating from the growing importance of non majoritarian institutions and social media the rise of populism and its consequences for the functioning of representative democracy the challenge caused by economic and political globalization what does it mean for the functioning of political representation at the national level and is it possible to develop institutions of representative democracy at a level above the state that meet the normative criteria of representative democracy and are supported by the people. The various chapters offer a comprehensive review of the literature on the various aspects of political representation. The main organizing principle of the Handbook is the chain of political representation the chain connecting the interests and policy preferences of the people to public policy via political parties parliament and government. Most of the chapters assessing the functioning of the chain of political representation and its various links are based on original comparative political research. Comparative research on political representation and its various subfields has developed dramatically over the last decades so that even ten years ago a Handbook like this would have looked totally different.

**Political Reform in the Ottoman and Russian Empires** Adrian Brisku, 2017-09-21 Throughout the long 19th century the Ottoman and Russian empires shared a goal of destroying one another. Yet they also shared a similar vision for imperial state renewal with the goal of avoiding revolution.

decline and isolation within Europe Adrian Brisku explores how this path of renewal and reform manifested itself forging new laws and institutions opening up the economy to the outside world and entering the European political community of imperial states Political Reform in the Ottoman and Russian Empires tackles the dilemma faced by both empires namely how to bring about meaningful change without undermining the legal political and economic status quo The book offers a unique comparison of Ottoman and Russian politics of reform and their connection to the wider European politico economic space

Political Reform by the Representation of Minorities Matthias Nace Forney,1894      **Political Reform in Japan** Alisa Gaunder,2007-04-11 Comparing successful and unsuccessful reform drives by Japanese leaders Alisa Gaunder argues that the quality of political leadership is the crucial determinant of whether parties in positions of dominance pass or reject policies      **John R. Commons: Selected Essays** Malcolm Rutherford,Warren Samuels,2020-03-10 John R Commons is one of the most significant figures in the development of American economics One of the founders of the Institutional school Commons developed theories of the evolution of capitalism and of institutional change which continue to influence modern economics These volumes collect for the first time his major essays and articles      *Economic Development and Political Reform* Bradley Louis Glasser,2001-01-01 Providing new theoretical perspectives on Third World political and economic reform this innovative volume will be of particular interest to political economists international governmental and developmental organizations international financial institutions and non governmental organizations in this region BOOK JACKET      *Political Reform Reconsidered* Satoshi Machidori,2023-03-05 This Open Access book provides a comprehensive analysis of political reforms in Japan since the 1990s emphasizing the role of ideas in shaping their goals and outcomes For more than fifteen years following the collapse of Japan s economic bubble politicians business people and academics tackled a range of institutional reforms The sweeping changes they enacted covering almost all facets of the public sphere including elections public administration courts and the central bank fundamentally altered Japanese political processes and policies Taken together they arguably represent the final touches of Japan s political modernization which had been unfolding since the mid 19th century Throughout the reform process advocates were inspired by a combination of liberal and modernist ideas This book examines those guiding concepts and illustrates the often messy process of applying them to real world institutions While most reforms began from common goals they ultimately produced different and frequently unexpected institutional outcomes which continue to shape Japanese politics By focusing on the relationship between the ideas and processes that shaped Japan s reforms this book presents a broad vision of institutional change in comparative politics

**Civil Society and Political Reform in Lebanon and Libya** Carmen Geha,2016-02-12 Lebanon and Libya have undergone critical political events in recent years However demands for reform from civic institutions during these transitions have not led to concrete political decisions Civil Society and Political Reform in Lebanon and Libya reveals the deeply entrenched historical patterns and elements of continuity that have led to path dependent outcomes in the political

transitions of both countries Motivated by personal experiences as an activist in Lebanon the author draws together a wide range of data from participant observations nation wide surveys interviews and focus groups in a careful analysis of these two civil society led reform campaigns The study demonstrates how the combination of weak states and power sharing agreements marginalizes civic organisations and poses institutional constraints on the likelihood of reform Written by an active participant in the political events discussed this book offers new insight into two countries which present comparable and informative case studies As such it is a valuable resource for students scholars and policymakers interested in civil society politics and reform in the Middle East and North Africa **By the People** Eltwed Pomeroy,1900 **Policy**

**Analysis of Structural Reforms in Higher Education** Harry de Boer,Jon File,Jeroen Huisman,Marco Seeber,Martina Vukasovic,Don F Westerheijden,2016-11-09 This book addresses the complex phenomenon in higher education of structural reforms in higher education systems Across the globe governments initiate comprehensive reforms of their higher education systems because they want their models to be the best and to excel at what they do This regularly requires governments to change the higher education landscape to achieve their set objectives Changes can include merger processes the introduction of a new sector of higher education or a new type of higher education institution or excellence initiative This book explores the current understanding of how successful such comprehensive reforms have been through an examination of eleven reform cases in European countries For each reform the different phases of the policy process policy objectives design implementation policy tools and evaluation are systematically described and analysed to provide an overview of the factors that contribute to the success or failure of the reforms **The Oxford Handbook of South Korean Politics**

Nikolaos Biziouras,2014-03-26 At the point of independence in 1948 Sri Lanka was projected to be a success story in the developing world However in July 1983 a violent ethnic conflict which pitted the Sinhalese against the Tamils began and did not come to an end until 2009 This conflict led to nearly 50 000 combatant deaths and approximately 40 000 civilian deaths as well as almost 1 million internally displaced refugees and to the permanent migration abroad of nearly 130 000 civilians With a focus on Sri Lanka this book explores the political economy of ethnic conflict and examines how rival political leaders are able to convince their ethnic group members to follow them into violent conflict Specifically it looks at how political leaders can influence and utilize changes in the level of economic liberalization in order to mobilize members of a certain ethnic group and in the case of Sri Lanka shows how ethnic mobilization drives can turn violent when minority ethnic groups are economically marginalized by the decisions that the majority ethnic group leaders make in order to stay in power Taking a political economy approach to the conflict in Sri Lanka this book is unique in its historical analysis and provides a

longitudinal view of the evolution of both Tamil and Sinhalese ethnic drives As such this interdisciplinary study will be of interest to policy makers as well as academics in the field of South Asian studies political science sociology development studies political economy and security studies

**Popular Protest in China** Teresa Wright, 2018-07-26 Popular protest in China has been widespread and prevalent Why do people protest and how are such demonstrations handled by the authorities Could they ultimately imperil China's political system In this book Teresa Wright analyzes the array of protests that have swept China in the post Mao period Exploring popular contention through a range of different groups from farmers to factory workers urban homeowners to environmentalists nationalists to dissidents ethnic minorities to Hong Kong residents Wright shows that with the exception of the latter popular protest has achieved adequate government responses to the public's most serious grievances Yet Wright cautions that this may not last forever For Chinese citizens that engage in protest often suffer serious emotional and physical costs As a result they have developed an unhealthy relationship with the regime In this context Xi Jinping's recent efforts to restrict public expression may backfire leading to an explosive dynamic that may threaten the political stability that China's ruling elites so desire

Social Reform and the Church John Rogers Commons, 1894 *Draft House of Lords Reform Bill* Great Britain: Parliament: Joint Committee on the Draft House of Lords Reform Bill, 2012-04-23 The history of reform of the House of Lords has a long history since the Parliament Act 1911 and since the House of Lords Act 1999 removed the right of all but 92 hereditary peers to sit in the Lords there has been a number of initiatives to further the debate on reform The latest proposals are contained in the draft Bill Cm 8077 ISBN 9780101807722 published in May 2011 which was referred to the Joint Committee In this report the Joint Committee acknowledges the controversial aspects of certain of the proposals and the members of the Committee reflect wider differences of opinion many of the report's recommendations being decided by a majority The majority supports the need for an electoral mandate provided the House has commensurate powers The current functions and role would continue but the House would probably seek to be more assertive to an extent that cannot be predicted The Committee recommends a House of 450 members 80% elected on a system of Single Transferable Voting preferably that used in New South Wales not the one proposed in the Bill for a 15 year term The main sections of the report cover functions role primacy of the Commons and conventions electoral system size voting system and constituencies appointments bishops and ministers transition salaries IPSA disqualification The Committee recommends that in view of the significance of the constitutional change the Government should submit the decision to a referendum

Twentieth Century, 1892 **Social Policy Reform in China** Catherine Jones Finer, 2017-11-01 This title was first published in 2003 The People's Republic of China PRC is a timely example of social policy reform in a socialist market economy This important and topical edited collection brings together leading Chinese and Western experts to introduce and integrate policy issues of the PRC into the mainstream of cross national social policy debate Drawing upon comparativist expertise in relevant aspects of social policy the book explores the

ways in which the PRC has or has not taken lessons from abroad in key social policy respects and illustrates policy relevant relations between Chinese and Western perspectives The contributors identify those aspects of China s recent social policy reforms that seem the most and least likely to appeal to Western societies The collection therefore represents a substantial advance in two way East West lesson learning in social and public policy      *Development: Identities, representations, alternatives* Stuart Corbridge,2000 Brings together more than one hundred articles dealing with the discipline of development in all its diversity Key topics include the transformation of peasant economies argibusiness rural urban relations markets industrialization workers trade aid and structural adjustment A unique set in its comprehensiveness and diversity it also considers four key challenges for development theory and practice relating to capabilities ethics sustainability and regulation      *Democracy More or Less* Bruce E. Cain,2015 This book studies how American political reform efforts often fail because of the unrealistic ideal of a fully informed and engaged citizenry
