## **Political Risk Analysis Around The North Atlantic:**

**Political Risk Analysis around the North Atlantic** Frederick Stapenhurst, 1992-06-18 Examines the emergence of the corporate political risk assessment function highlighting its evolution as an integral component of strategic decision making Numerous country specific and company specific examples of political risk analysis are included **Political Risk Analysis Around the North Atlantic** Frederick Stapenhurst, 1992-01-01 Routledge Encyclopedia of International Political Economy R. J. Barry Jones, 2002-09-11 This three volume Encyclopedia offers the first comprehensive and authoritative survey of the rapidly developing field of international political economy Its entries cover the major theoretical issues and analytical approaches within the field The set also provides detailed discussion of the contributions of key individuals and surveys a wide range of empirical conditions and developments within the global political economy including its major institutions The Encyclopedia has been designed to be eclectic in approach and wide ranging in coverage Theoretical entries range from discussions of the definition and scope of the field through core methodological questions such as rationalism and the structure agent problem to surveys of the major theories and approaches employed in the study of the international political economy **The Oxford Handbook of International Business** Alan M. Rugman, 2003 This handbook synthesises some literature of the last 40 years in 28 chapters The coverage is split into the following areas the history and theory of the multinational enterprise the political and policy environment of international business **The Internationalization of US Franchising Systems** Ilan Alon, 2014-06-03 This book reviews both the environmental and organizational factors of international franchising but focuses on the latter because environmental factors can not adequately explain why some franchisers within a particular industry internationalize This study finds that organizational factors such as the size age growth rate pricing strategies and the geographical dispersion of the firm collectively affect the franchising firm's decision to internationalize However the individual variables are different in significance and magnitude for the retailing hotel and motel and professional business service industries **Canada's Corruption at Home and Abroad** Robert I. Rotberg, David Carment, 2018-10-19 Although Canada is regarded as one of the least corrupt countries this volume draws on wide ranging evidence and innovative research from scholars around the world to challenge this assumption Corruption defined as the abuse of entrusted power for private gain is often understood as being caused by internally motivated greed leading to prohibited acts in contravention of laws rules and regulations It can also be defined as dishonest action that destroys people's trust These traditional forms of corruption pose problems for Canada in a variety of policy domains as well as institutional corruption evidenced by deception and financial inconsistency that undermine the effectiveness and transparency of policy objectives This volume contains chapters that investigate various areas of corruption in Canada ranging from corruption amongst the First Nations to the armed forces to the delivery of foreign assistance It also offers suggestions to reduce future outbreaks of corruption Each chapter provides detailed empirical analysis evidenced through real world examples that

highlight key lessons amidst the numerous challenges posed by corruption This book was originally published as a special issue of the Canadian Foreign Policy Journal      Managing International Trade And Investment: Casebook Debora L Spar,2003-07-14 Despite the ease with which it is often conducted doing business across borders is not the same as doing it at home Rather it entails a whole new set of managerial challenges re assessing competitive advantage evaluating diverse political environments and legal structures considering the impact of currency fluctuations and trading regimes and understanding widely disparate cultures and business norms Using the cases presented in this book instructors can help their students build a framework of analysis that will enable them to understand the challenges of international trade and investment and master the opportunities these represent a      *The Internationalization of the German Political Economy* William D. Graf,2016-07-27 The internationalization of the German political economy in the postwar era has produced a special socio economic and political formation which this anthology views as a hegemonic project Based upon a virtually total West German integration into the West this project has evolved within a new international division of labour and a global political system in which the German state with its extreme level of export dependency and need for stability has become a guardian and champion of the global status quo      **The Political Economy of the Southern African Periphery** Betty J. Harris,1992-12-09      **The Political Economy of Evaluation** Jerker Carlsson,Gunnar Koehlin,Anders Ekbohm,2016-07-27 Examines the economic impact of aid but not in the sense that it questions the relevance of this objective or tries to measure whether aid works or not The focus of this book is on the evaluation process itself Can aid evaluation be improved in order to increase the effectiveness of aid      **The Political Economy of Foreign Policy in ECOWAS** Timothy M Shaw,Julius Emeka Okolo,1994-05-13 Both political economy and foreign policy have been transformed in the sixteen states of West Africa at the start of the 1990s because of interrelated external factors end of the Cold War and start of a New International Division of Labour and internal factors national structural adjustment programmes Sixteen leading analysts of new regional relations of both cooperation and conflict offer original revisionist insights into ECOWAS and ECOMOG debt and democracy reform and resistance The mixture of case studies and comparative analyses constitutes a comprehensive overview of West African actors issues structures perspectives and possibilities at the end of the century with relevance for development discourses and directions in other peripheral regions Together these offer timely redefinitions and reconceptualisations of central notions like civil society diplomacy foreign policy peacekeeping security and self reliance for political economies and cultures throughout the South      *Service Franchising* Ilan Alon,2006-03-14 Service Franchising succinctly extracts from observations about international franchising from both the scholarly and trade literature The work adds insights gleaned through extensive research and the experiences of the author As a result the book advances the body of knowledge on international franchising for the academic community In addition to being a breakthrough text for researchers in business and economics the book also contains guidance for franchisors and franchisees in their efforts to achieve success in the

global marketplace Ilan Alon has made major contributions to the understanding of franchising both through his own research and his compiling and study of the work of other leading researchers Alon pioneered research into the internationalization of franchising with his published studies from Asia Europe Latin America and other parts of the world

**Cross-Conditionality Banking Regulation and Third-World**

**Debt** Stephany Griffith-Jones,Ennio Rodriguez,2016-07-27 The book examines the operation of International Monetary Fund and World Bank conditionality in six developing countries Argentina Chile Costa Rica Jamaica Mexico and Tanzania and examines its effects on their economies It draws conclusions and policy lessons for all developing countries as regards the operation of adjustment policies The book also examines the regulatory treatment of Third World debt both in the US Canada and Europe making specific policy suggestions for increasing flexibility in debt management

**The Many Faces of**

**National Security in the Arab World** Rex Brynen,Bahgat Korany,Paul Noble,2016-07-27 Two Gulf wars and the continuing Arab Israeli conflict have highlighted the salience of military factors in the Middle East This book argues however that many of the most serious security challenges to Arab states and societies are rooted not in external military threats but in the imperatives of socio economic development Contributors examine the regional security environment the social and political impact of regional militarization and underdevelopment as a source of regional insecurity

**South-South Trade and**

**Development** Thyge Enevoldsen,Niels Fold,Steen Folke,2016-07-27 The book gives a thorough analysis of South South trade in a theoretical and political framework The development of South South trade in manufactured goods since the 1960s is treated in detail Problems and potentials of South South trade in a development context are highlighted through a number of case studies the South South export of manufactured goods from Togo Nicaragua and Malaysia Zimbabwe s export of manufactures to Zambia and India s export of capital goods to Tanzania This leads to an assessment of the possible future role of South South trade in furthering Third World development

**The Timid Corporation** Benjamin Hunt,2003-07-11

This book looks at changing managerial styles in business and the predominance of risk aversion behavior over risk taking behavior The author explores the various reasons regulation and media scrutiny among them that corporations are becoming more timid and analyzes the consequences this could have on the future of innovation and technological development in the business future

Development Finance and Policy Reform Paul Mosley,1992-08-18 Conditionality has long been used by the IMF and more recently by World Bank and bilateral donors as an instrument for improving the effectiveness of international finance This collection of essays by representatives of donors and recipients as well as independent observers suggests that because of recipients increased bargaining power such an improvement has seldom resulted

*Towards a Socio-liberal Theory of World Development* Arno Tausch,Fred Prager,1993-06-18 A study of the determinants of world development from 1960 onwards using advanced statistical techniques and data from up to 171 countries and territories

Arno Tausch also debates the perspectives for world socialism and for neo corporatism in the industrialized West

**The**

**USA and the Rise of East Asia since 1945** J. Hersh, 1993-07-20 Incisive and insightful analytic and synthetic Jacques Hersh's excellent book is like a guide through the maze of modern times Stuart Holland European University Institute Florence The book offers an interpretation of the international political economy focusing on the opportunities and constraints which the leading members of the capitalist system have to confront Not disregarding the significance of the presently marginalised Third World the underlying theme relates to the secular tendency of uneven development between major core nations This trend accelerated during the era of US benevolent hegemony resulting in the creation of surplus production capacity a problem exacerbated by the growth of the NICs in East Asia
