Political Stability In Federal Governments

David W. Del Testa

Political Stability In Federal Governments:

Political Stability in Federal Governments Jonathan Lemco, 1991-08-30 Lemco investigates political economic and social conditions that theorists have associated with the stability or instability of federations He collects and tests data pertaining to political social and economic conditions supposedly related to federal political stability Drug Control Program of the Federal Government United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Criminal Justice, 1980

Presidents, Governors, and the Politics of Distribution in Federal Democracies Lucas I. González, 2016-03-10 Tensions between central authorities and subnational units over centralization and fiscal autonomy are on top of the political agenda in many developing federal countries This book examines historical changes in the balance between the resources that presidents and governors control and the policy responsibilities they have to deliver It focuses on Argentina and Brazil the most decentralized federal countries in Latin America with the most powerful sub national governments in the region Using formal modelling statistical tools and comparative historical analyses it examines substantive shifts in the allocation of resources and the distribution of administrative functions and explains under which conditions these changes occur In doing so it presents theoretical and comparative implications for the study of fiscal federalism and the functioning of developing federal democracies This text will be of key interest to scholars and students of federalism intergovernmental relations decentralization and sub national politics and more broadly to those studying comparative politics democratization political elites public policy and economics Politics of Democratic Breakdown Gangsheng Bao, 2022-05-30 Democratic breakdown as a political and historic event can impact the fate of millions if not hundreds of millions of people by changing the political complexion of a country This book attempts to systematically explain why democracies collapse The author s main theoretical argument is based on the examination of two factors One is political cleavages among voters These can cause serious political conflicts and may lead to fierce political confrontation and major upheaval at the society level The other revolves around the types of political and institutional arrangements under democratic regimes Centrifugal democratic regimes are likely to weaken government capacity or state capacity rendering governments incapable of effectively resolving political conflicts and when these two factors come together political conflicts are less likely to be controlled effectively These situations can evolve into serious political crises and eventually lead to the collapse of democratic regimes The empirical research of this book is based on a comparative historical analysis of Germany Nigeria Chile and India Examining democratic collapses from both theoretical and empirical perspectives this book will be of interest to those engaged in the study of democracy Political Science Comparative Politics and Political Theory **Downsizing the Federal Government** Chris R. Edwards, 2005 Most federal programs are unnecessary actively damaging or properly the responsibility of the states or the private sector This book examines a huge range of programs that should be cut to balance the budget and reduce taxes

Constitutional Policy in Multilevel Government Arthur Benz, 2016-07-22 The search for a robust balance of power is

a continuous challenge for multilevel political system Institutions like parliaments or courts can protect the existing order However necessary adjustments to economic social or international challenges or policies determined to improve ineffective structures or to prevent disintegration require constitutional amendments Whereas constitutional policy appears as essential to maintain balance changing a constitution is rather difficult in multilevel governments Due to the veto power of many actors pursuing divergent interests policies aiming to redistribute power or fiscal resources risk to end in the joint decision trap Hence multilevel government is confronted by a fundamental dilemma

Constitutional Policy in Multilevel Government compares processes of constitutional reform in federal and regionalized states Based on a theoretical framework emphasizing the relevance of negotiations in parliamentary intergovernmental and societal arenas it identifies conditions for successful reforms and explains the consequences of failed reforms Moreover it highlights the interplay of reform processes and constitutional evolution as essential to maintaining a robust balance of power The book demonstrates that an appropriate arrangement of multiple arenas of negotiation including executives members of parliament and civil society organizations and sequential order of reform processes proves fundamental to prevent federal or regionalized governments from becoming either instable or ending with rigid constitutions

Transformations in Governance is a major new academic book series from Oxford University Press It is designed to accommodate the impressive growth of research in comparative politics international relations public policy federalism environmental and urban studies concerned with the dispersion of authority from central states up to supranational institutions down to subnational governments and side ways to public private networks It brings together work that significantly advances our understanding of the organization causes and consequences of multilevel and complex governance The series is selective containing annually a small number of books of exceptionally high quality by leading and emerging scholars The series targets mainly single authored or co authored work but it is pluralistic in terms of disciplinary specialization research design method and geographical scope Case studies as well as comparative studies historical as well as contemporary studies and studies with a national regional or international focus are all central to its aims Authors use qualitative quantitative formal modeling or mixed methods A trade mark of the books is that they combine scholarly rigour with readable prose and an attractive production style The series is edited by Liesbet Hooghe and Gary Marks of the University of North Carolina Chapel Hill and the VU Amsterdam and Walter Mattli of the University of Oxford

Industry Views of the Role of the Federal Government in Industrial Innovation Kenneth Knight, George Kozmetsky, Helen Regina Baca, 1976

The Judicial Branch of Federal Government Charles L. Zelden, 2007-07-12 This volume in ABC CLIO's About Federal Government set looks at the history and daily operations of the federal judiciary from district courts to courts of appeal to the Supreme Court The Judicial Branch of Federal Government People Process and Politics shows how the federal courts act as interpreters of the law definers of rules and shapers of policy covering the judiciary throughout U S history and as it functions today In one concise yet comprehensive resource The

Judicial Branch of Federal Government describes the constitutionally ascribed roles and structures of the courts It looks at the men and women who serve on the federal bench who they are and how they are appointed as well as the fascinating relationship of the federal courts with the legislative and executive branches and with the 50 state court systems ,

21st century challenges reexamining the base of the federal government. United States. Government Accountability Office,2005 The federal government s financial condition and long term fiscal outlook present enormous challenges to the nation s ability to respond to emerging forces reshaping American society the United States place in the world and the future role of the federal government This report includes education and employment challenges for the 21st century as one of 12 areas for reexamination intended to help the Congress in reviewing and reconsidering the base of federal spending and tax programs The first section sets the stage by providing the rationale for reexamining the base of the federal government and the scope of GAO s effort The second section is organized around 12 areas of federal activity and includes narratives discussing emerging changes in each area as well as several illustrative reexamination questions for each area The third section provides some perspective on various strategies proc considered as a possible means to address the issues and questions raised

Government in the Federal Republic of Germany Nevil Johnson,2013-10-22 Government in the Federal Republic of Germany The Executive at Work focuses on the government in the Federal Republic of Germany as an executive activity as well as the institutional framework for the overall control and direction of public action The effects of the decentralized structure of government on the behavior and relationships of political parties are also explored This book is comprised of eight chapters and begins with a discussion on past institutional structures and procedures that have shaped particular ideas about law politics and government in West Germany including the retention of a federal structure of government constitutionalism and the Rechtsstaat The following chapters deal with the political framework of the Federal Republic of Germany federal executive leadership the federal administrative system and federalism and decentralization in West German government The bureaucracy the problem of how to control the exercise of governmental powers and the challenge of expanding government in West Germany are also considered This monograph will be of interest to political scientists politicians government officials and students of government and politics

Organization of the Federal Government for Scientific Activities National Science Foundation (U.S.),1956 *A Business History of Alberta* Henry Cornelius Klassen,1999 Klassen looks at the role businesses have played in the economic political and social development of the province since the earliest European traders Relying heavily on analysis and case studies he considers the birth of business firms and the subsequent effects they have had on broader political and cultural matters Canadian card order number C99 910550 7 Annotation copyrighted by Book News Inc Portland OR

Political Philosophy from Plato to Jeremy Bentham G'eza Engelmann,Oszkár Jászi,1927 *The Oxford Handbook of Nigerian Politics* A. Carl LeVan,Patrick Ukata,2018-10-18 The Oxford Handbook of Nigerian Politics offers a comprehensive analysis of Nigeria s very rich history

and ever changing politics to its readers It provides a deep understanding of Nigeria s socio political evolution and experience by covering broad range of political issues and historical eras The volume encompasses 44 chapters organized thematically into essays covering history political institutions civil society economic and social policy identity and insecurity and Nigeria in a globalized world By identifying many of the classic debates in Nigerian politics the chapters serve as an authoritative introduction to Africa s most populous country The chapters are interdisciplinary introducing readers to classic debates and key research on Nigeria as well as new methodologies new data and a compelling corpus of research questions for the next generation of researchers and readers interested in Africa *Malaysia* Ismail Mohd. Salleh,Saha Dhevan Meyanathan,1993-01-01 World Bank Technical Paper 225 Inefficient civil service administrations are jeopardizing future development in many African countries The reforms suggested in this paper would make these administrations more accountable enforce the rule of law and reward bureaucrats solely on their performance This approach could help relieve the private sector of disabling regulations improve services and tax collection and shift funding away from special interests and toward essential economic programs Three flexible reform packages are provided They feature strategies that address varying degrees of inefficiency within a given administration Also available in French ISBN 0 8213 2764 X Stock No 12764

Tribal Self-Governance Demonstration Project Act United States. Congress. Senate. Select Committee on Indian Affairs,1992 **National Industries and the Federal Government** American Academy of Political and Social Science,1916 **Federal Democracies** Michael Burgess,Alain-G. Gagnon,2010-02-25 Federal Democracies examines the evolution of the relationship between federalism and democracy Taking the late 18th century US Federal Experience as its starting point the book uses the contributions of Calhoun Bryce and Proudhon as 19th century conceptual prisms through which we can witness the challenges and changes made to the meaning of this relationship The book then goes on to provide a series of case studies to examine contemporary examples of federalism and includes chapters on Canada USA Russia Germany Spain Belgium Switzerland and the emerging European Union It features two further case studies on Minority Nations and a Federal Europe and concludes with two chapters providing comparative empirical and theoretical perspectives and comparative reflections on federalism and democracy Bringing together international experts in the field this book will be vital reading for students and scholars of federalism comparative politics and government **Multinational Federations** Michael Burgess,John Pinder,2007-04-11 This is the first comparative volume available on multinational federations bringing together an international range of experts on federalism Multinational federations are federal states intended to provide a framework that can accommodate manage and resolve some of the most intractable political conflicts of our time that emerge from identity politics those that stem from competing national visions whether within or between established states Featuring key experts in the field such as Michael Burgess Alain Gagnon and Ronald Watts this unique book draws on a wide geographical range of country studies including Belgium Canada India Malaysia Spain Russia Cyprus

India Switzerland and the EU in order to illustrate the pivotal relationship between federalism and nationalism In so doing it addresses the practical relevance of federalism to the new political recognition of difference and diversity in the specific form of national minoritarianism Multinational Federations will be of strong interest to students and researchers of federalism democracy and nationalism

Unveiling the Magic of Words: A Report on "**Political Stability In Federal Governments**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Political Stability In Federal Governments**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.
