## Political Status Of Bessarabia:

The Political Status of Bessarabia Andrei Popovici, 1931      *Cultural Politics in Greater Romania* Irina Livezeanu, 2018-08-06 Since the fall of the Ceausescu regime Romanian politics have been haunted by unresolved issues of the past Irina Livezeanu examines a critical chapter in Eastern European history the trajectory of the aggressive nationalism that dominated Romania between the world wars      *Politics and Peasants in Interwar Romania* Sorin Radu, Oliver Jens Schmitt, 2017-11-06 The volume discusses the integration of peasants into the nation building project of Greater Romania with a focus on social and cultural practices Thus it addresses one of the key questions of the new political system in post imperial East Central and Southeast Europe It advocates a shift from a multiple top down perspective capital province urban political elites rural voters to an analysis concentrating on regionally diverse rural societies with a special interest in the predominantly ethnic Romanian population      **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state      History & Politics Dušan Kováč, 1993 Acticity      **Europe Since 1945** Bernard A. Cook, 2014-01-27 Europe Since 1945 An Encyclopedia is a comprehensive reference work of some 1 700 entries in two volumes Its scope includes all of Europe and the successor states to the former Soviet Union The volumes provide a broad coverage of topics with an emphasis on politics governments organizations people and events crucial to an understanding of postwar Europe Also includes 100 maps and photos      *Bulletin of the British Library of Political and Economic Science* British Library of Political and Economic Science, 1926      **The Moldovans** Charles King, 2013-09-01 The first English language book to present a complete picture of this intriguing East European borderland The Moldovans Romania Russia and the Politics of Culture illuminates the perennial problems of identity politics and cultural change that the country has endured      **Contested States in World Politics** D. Geldenhuys, 2009-04-22 This book investigates a phenomenon in world politics that is largely overlooked by scholars namely entities lacking international recognition of their status as independent states It includes case studies on the Eurasian Quartet Kosovo Somaliland Palestine Northern Cyprus Western Sahara and Taiwan      The A to Z of Moldova Andrei Brezianu, Vlad Spânu, 2010-05-26 The Republic of Moldova claims a European lineage reaching back in time long before its 14th century accession to statehood In the 15th century it

managed against all odds to avoid being conquered by Islam and albeit an intermittent vassal after 1485 it maintained its autonomy and was never turned into a province of the Ottoman Empire After this period however Moldova would not be so fortunate as it altered between Russian Romanian and Soviet control until it finally gained its independence in 1991 from the Soviet Union The A to Z of Moldova through its chronology introduction appendixes maps bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects traces the history of this small but densely populated country providing a compass for the direction it is heading **Foreign Relations of the United States** United States. Department of State,1949 *Historical Dictionary of Moldova* Andrei Brezianu,Vlad Spânu,2007-04-23 The Republic of Moldova claims a European lineage reaching back in time long before its 14th century accession to statehood In the 15th century it managed against all odds to avoid being conquered by Islam and albeit an intermittent vassal after 1485 it maintained its autonomy and was never turned into a province of the Ottoman Empire After this period however Moldova would not be so fortunate as it altered between Russian Romanian and Soviet control until it finally gained its independence in 1991 from the Soviet Union The second edition of the Historical Dictionary of Moldova through its chronology introduction appendixes maps bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects traces the history of this small but densely populated country providing a compass for the direction it is heading

Kamusella,2008-12-16 This work focuses on the ideological intertwining between Czech Magyar Polish and Slovak and the corresponding nationalisms steeped in these languages The analysis is set against the earlier political and ideological history of these languages and the panorama of the emergence and political uses of other languages of the region **The Russian Empire, no. 50-56** Great Britain. Foreign Office. Historical Section,1920 **The New Europe** ,1920 The New Europe Robert William Seton-Watson,A. F. Whyte,1920 *Law and Politics of the Danube* Stephen Gorove,2012-12-06 The Danube has been for two centuries the great connecting link between the European West and the European East Most commercial and cultural exchanges between the two parts of Europe took place with the help of or along the Danube The West involved was above all southern Germany and the cisbithynian part of the Habsburg monarchy The East was the formerly Turkish ruled territories the Balkan peninsula and the Black Sea The latter was for the last two centuries the center of conflict between Russian and Turkish hegemonial aspirations The events of the Balkan wars and of World War I almost extinguished Turkish influence an event long expected The outcome of World War I fortified to an unexpected degree the

influence of Russia which now became almost synonymous with the term of the European East For a few years the middle and lower Danube threatened to disappear behind the Iron Curtain which marked the extent of Eastern influence      **Soviet Union Review** ,1927
