Political Succession In The Ussr:

Political Succession in the U.S.S.R. Myron Rush,1965

Political Succession in the U.S.S.R. Myron Rush,1968

Political Leadership in the Soviet Union Archie Brown,1989-10-13 The central leadership of the Soviet political system in Moscow is analyzed by a group of Western political researchers The text covers the entire Soviet period from 1917 to the present day but special emphasis is placed on the post Stalin years and new developments of the 1980s

Political Succession in U.S.S.R. Myron Rush,1965 *Patronage and Politics in the USSR* John P. Willerton,1992 How do Soviet politicians rise to power How are national and regional regimes formed How are conflicting political interests brought together as policies are developed in the Soviet Union In *Patronage and Politics in the USSR* first published in 1991 Professor John Willerton offers major insights into the patronage networks that have dominated elite mobility regime formation and governance in the Soviet Union during the past twenty five years Using the biographical and career details of over two thousand national leaders and regional officials in Azerbaijan and Lithuania John Willerton traces the patron client relations underlying recruitment mobility and policymaking He explores the strategies of power consolidation and coalition building used by Soviet chief executives since 1964 as well as the institutional links and policy outcomes that have resulted from network politics The author also assesses the manner and extent to which leaders in politically stable and less stable settings spanning different national cultural contexts have relied upon patronage networks to consolidate power and to govern Finally Professor Willerton explores how in a period of dramatic change patron client networks may have given way to institutionalised interest groups and political parties

Political Authority and Party Secretaries in Poland,

1975-1986 Paul G. Lewis,1989-06-08 This book deals with the changing position and role of the Polish United Workers Party and its apparatus between 1975 and 1986 Their role and the way they perform it is seen as a major determinant of the nature of party leadership and more generally of the strength of political authority in communist states

Collective Leadership in Soviet Politics Graeme Gill,2018-03-21 This book studies the way in which the top leadership in the Soviet Union changed over time from 1917 until the collapse of the country in 1991 Its principal focus is the tension between individual leadership and collective rule and it charts how this played out over the life of the regime The strategies used by the most prominent leader in each period Lenin Stalin Khrushchev Brezhnev and Gorbachev to acquire and retain power are counterposed to the strategies used by the other oligarchs to protect themselves and sustain their positions This is analyzed against the backdrop of the emergence of norms designed to structure oligarch politics The book will appeal to students and scholars interested in the fields of political leadership Soviet politics and Soviet history

Historical Narratives in the Soviet Union and Post-Soviet Russia T. Sherlock,2007-04-16 Establishing a causal link between historical discourse and political change this important book describes the role of historical discourse in establishing maintaining or destroying elite and mass political identities in Soviet and post Soviet space

Interest Groups in Soviet Politics Harold Gordon

Skilling, Franklyn Griffiths, 2019-03-12 It is now generally agreed that since Stalin's death there has been a definite broadening of group participation in policy formation and implementation The contributors to this volume analyze seven elite political interest groups at the upper and middle levels of the Soviet social structure Originally published in 1971 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Soviet Union: Party and Society International Committee for Soviet and East European Studies, American Association for the Advancement of Slavic Studies, 1988-08-26 This 1988 collection provides a comprehensive survey of Soviet political and economic problems

The Domestic Context Of Soviet Foreign Policy Seweryn Bialer, 2019-07-15 This volume highlights those aspects of Soviet internal dynamics that influence foreign policy and international relationships It reflects a growing awareness of the importance of internal factors as a critical determinant shaping the making and effectiveness of Soviet foreign policy

Politics, Paradigms, and Intelligence Failures Ofira Seliktar, 2015-05-20 Washington's failure to foresee the collapse of its superpower rival ranks high in the pantheon of predictive failures The question of who got what right or wrong has been intertwined with the deeper issue of who won the Cold War Like the disputes over who lost China and Iran this debate has been fought out along ideological and partisan lines with conservatives claiming credit for the Evil Empire's demise and liberals arguing that the causes were internal to the Soviet Union The intelligence community has come in for harsh criticism for overestimating Soviet strength and overlooking the symptoms of crisis the discipline of Sovietology has dissolved into acrimonious irrelevance Drawing on declassified documents interviews and careful analysis of contemporaneous literature this book offers the first systematic analysis of this predictive failure at the paradigmatic foreign policy and intelligence levels Although it is focused on the Soviet case it offers lessons that are both timely and necessary

Political Survival Barry Ames, 2024-03-29 In *Political Survival* Barry Ames shows how public policy especially the public budget is used by political leaders seeking to construct coalitions insuring their survival in office Political theorists comparative politics specialists public policy experts and scholars of Latin America will want to read this book This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987 In *Political Survival* Barry Ames shows how public policy especially the public budget is used by political leaders seeking to construct coalitions insuring their survival in office Political theorists comparative politics specialists public policy e

The Nature of Chinese Politics Jonathan Unger, 2002 This text

describes and analyses how politics among the Chinese leadership has operated and evolved from the period of Mao court up to 2002 Part I explores the politics of Mao and Deng Part II explores and analyzes the ongoing changes in Chinese politics during Jiang's tenure

Soviet Political Dynamics Philip G. Roeder, 1988

The Political Logic of Economic Reform in China Susan L. Shirk, 1993 In the past decade China was able to carry out economic reform without political reform while the Soviet Union attempted the opposite strategy How did China succeed at economic market reform without changing communist rule Susan Shirk shows that Chinese communist political institutions are more flexible and less centralized than their Soviet counterparts were Shirk pioneers a rational choice institutional approach to analyze policy making in a non democratic authoritarian country and to explain the history of Chinese market reforms from 1979 to the present Drawing on extensive interviews with high level Chinese officials she pieces together detailed histories of economic reform policy decisions and shows how the political logic of Chinese communist institutions shaped those decisions Combining theoretical ambition with the flavor of on the ground policy making in Beijing this book is a major contribution to the study of reform in China and other communist countries

Problems of Communism, 1980

The Oxford Handbook of Political Executives Rudy B. Andeweg, Robert Elgie, Ludger Helms, Juliet Kaarbo, Ferdinand Müller-Rommel, 2020-07-30 Political executives have been at the centre of public and scholarly attention long before the inception of modern political science In the contemporary world political executives have come to dominate the political stage in many democratic and autocratic regimes The Oxford Handbook of Political Executives marks the definitive reference work in this field Edited and written by a team of world class scholars it combines substantive stocktaking with setting new agendas for the next generation of political executive research

Understanding Comparative Politics Lisa A. Baglione, 2023-11-08 Baglione speaks cogently to our current generation of college students who came of age amidst resurgent racism and an unprecedented pandemic Audie Klotz Syracuse University

It's time for a new approach to help students engage more fully with comparative politics. By elevating all the components of identity as core elements of any political system, Lisa A. Baglione's *Understanding Comparative Politics* helps students better appreciate the lived realities of people around the world. The book puts issues of race, gender, ethnicity, and religion in context, encouraging students to think critically about world regions and individual countries through the lens of current issues like social justice movements and the COVID-19 pandemic. Throughout the book, Baglione empowers students to be active learners in this sometimes daunting subject by engaging them in important questions, grounding them in foundational concepts like geography, and helping them make personal connections.
