*a combination of separate concepts
into one new, unique idea*

Political Syncretism In Italy Historical Coalition Strategies And The Present Crisis

José M. Magone

Political Syncretism In Italy Historical Coalition Strategies And The Present Crisis:

Political Syncretism in Italy Giuseppe Di Palma, 1978 *Political Parties and Coalitional Behaviour in Italy* Geoffrey Pridham, 2013-07-04 Coalitional behaviour is central to the Italian system of government but has been largely neglected by research As a result coalitions in post war Italy have been viewed as simply unstable short lived and incohesive In this book the author corrects this one sidedness by analysing Italian coalition politics as a continuous and dynamic process His comprehensive interpretative approach takes account of other new developments in coalition studies and relates his subject both to the literature on Italian politics and to the comparative study of party systems in liberal democracies An introductory section places Italian coalitional behaviour in a theoretical and comparative context This inductive framework is then used as a reference for examining the historical institutional motivational internal socio political and environmental dimensions of the phenomenon

Italy in Transition Peter Lange, Sidney Tarrow, 2012-11-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Historical Dictionary of Modern Italy Mark Gilbert, Robert K. Nilsson, 2007-09-19 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy's natural beauty and cuisine are rightly renowned Italy's history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814-15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The second edition of Historical Dictionary of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture

Village Politics and the Mafia in Sicily Filippo Sabetti, 2002-11-14 He suggests that the mafia emerged only in some parts of Sicily and was never a single overarching criminal organization It arose in fact from a self help tradition that eventually became corrupted and ultimately a burden on most villagers land workers and proprietors alike The local

antimafia forces also became a drain on village life and by the middle of the 1950s both the mafia and the antimafia far from destroying one another had vanquished themselves The first study to extend rational choice institutionalism to Italian history and politics Village Politics and the Mafia in Sicily offers an in depth analysis of the impact of the abolition of feudalism in 1812 the unification of Italy in 1860 and subsequent regime changes on village politics in Sicily Sabetti details the emergence evolution and collapse of a local mafia and antimafia in a historical before after perspective Refocusing the study of village politics and the mafia he also suggests what can happen when those acting for the state regard ordinary people as passive voices in the game of life

Machiavelli's Children Richard J. Samuels, 2019-06-30 Two late developing nations Japan and Italy similarly obsessed with achieving modernity and with joining the ranks of the great powers have traveled parallel courses with very different national identities In this audacious book about leadership and historical choices Richard J Samuels emphasizes the role of human ingenuity in political change He draws on interviews and archival research in a fascinating series of paired biographies of political and business leaders from Italy and Japan Beginning with the founding of modern nation states after the Meiji Restoration and the Risorgimento Samuels traces the developmental dynamic in both countries through the failure of early liberalism the coming of fascism imperial adventures defeat in wartime and reconstruction as American allies Highlights of Machiavelli's Children include new accounts of the making of postwar Japanese politics using American money and Manchukuo connections and of the collapse of Italian political parties in the Clean Hands Mani Pulite scandal The author also tells the more recent stories of Umberto Bossi's regional experiment the Lega Nord the different choices made by Italian and Japanese communist party leaders after the collapse of the USSR and the leadership of Silvio Berlusconi and Ishihara Shintaro on the contemporary right in each country

Schism and Solidarity in Social Movements Christopher K. Ansell, 2001-10-01 Like many organizations and social movements the Third Republic French labour movement exhibited a marked tendency to schism into competing sectarian organizations During the roughly 50 year period from the fall of the Paris Commune to the creation of the powerful French Communist Party the French labour movement shifted from schism to broad based solidarity and back to schism In this 2001 book Ansell analyses the dynamic interplay between political mobilization organization building and ideological articulation that produced these shifts between schism and solidarity The aim is not only to shed light on the evolution of the Third Republic French labour movement but also to develop a more generic understanding of schism and solidarity in organizations and social movements To develop this broader understanding the book builds on insights drawn from sociological analyses of Protestant sects and anthropological studies of segmentary societies as well as from organization and social movement theory

The to Z of Modern Italy Mark Gilbert, Robert K. Nilsson, 2010-04-20 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy's natural beauty

and cuisine are rightly renowned Italy's history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814-15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The A to Z of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross-referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture

Opposition in Western Europe Eva Kolinsky, 2016-06-10 This book first published in 1987 analysed the state and changing nature of political opposition in Western Europe at the time For each country covered it discusses the concept of opposition and the approach adopted by opposition parties It explores the institutional framework that was in place at the time the electoral support for opposition attitudes towards opposition and the criteria for the success of opposition parties It shows how opposition had changed in nature as a result of both voter realignments and also because some interest groups have engaged directly in opposition activities rather than working through opposition parties as was done previously thereby increasing the scope of extra-parliamentary opposition Opposition is a fundamental element in democratic politics and this book therefore throws considerable light on the whole range of political activity in the countries covered This title will be of interest to students of politics

Managing "modernity" Rudra Sil, 2002 Compares industrial management in two late industrializers Japan and Russia as a basis for an original theory of institution building

Comparing Party System Change Jan-Erik Lane, Paul Pennings, 2003-12-16 This volume brings together comparative studies and in-depth case studies that research the diversity of party system change in Europe In so doing it presents a model for change which challenges orthodox views of political evolution

International Cultural Policies and Power J. Singh, 2010-01-20 Political scientists by and large ignore cultural industries and technologies whereas they are prominent in other disciplines This book provides insights from local societal national and international levels in understanding cultural industries technologies and policies and integrates these perspectives into the study of political science

Reconfiguring Institutions Across Time and Space D. Galvan, R. Sil, 2007-03-19 This book examines how novel institutional forms emerge when actors creatively reinterpret and reconfigure imported or imposed institutional models using case studies from East Asia the Middle East Africa and Latin America

Minority Government and Majority Rule Kaare Strøm, 1990-04-27 Examines minority governments to show they are not exceptional or unstable

A Political History of Postwar Italy Norman Kogan, 1981

Constraining Democratic Governance in Southern Europe José M. Magone, 2021-05-28 In this thought-provoking book Jos

M Magone investigates the growing political economic and social divisions between the core countries of the European Union and the southern European periphery He examines the major hindrances that are preventing the four main southern European countries Italy Spain Portugal and Greece from keeping up with the increasing pace of European integration and the effects that this is having on democratic governance **Research Series** ,1983 **Voluntary Efforts in Decentralized Management** Lenore Ralston,James Nelson Anderson,Elizabeth Colson,1983 Changing Realities in Southern Africa Michael Clough,1982 This uneven collection of essays on the international aspects of the conflict in Southern Africa brings together seven contributions by authors with quite different political perspectives In addition to articles on Zimbabwe SADCC and South Africa s regional policy there are two essays dealing specifically with Namibia From South West Africa to Namibia p 61 91 is written by the editor an assistant professor at the Naval Graduate School The main concern of the author is to urge the US Administration to promote an international settlement by putting pressure on South Africa arguing that a prolongation of the conflict will shift the balance of power within SWAPO in favor of the factions most hostile to the United States and less willing to compromise In One Namibia one nation the political economy of transition p 92 122 R H Green focuses on the colonial economy and the transitional period from a position close to SWAPO Eriksen Moorsom 1989 *Policy Papers in International Affairs* ,1980
