Timothy Bushnell, Vladimir Shlapentokh, Christopher Vanderpool, Jeyaratnam Sundram, 2019-07-18 This book an outcome of an international conference entitled State Organized Terror The Case of Violent Internal Repression addresses the antecedent structural factors conducive to state organized terror and provides insights into the political and social psychology of state terror

**Problems of Communism**, 1989 **Terrorism: Theory and Practice** Lewis M Alexander, 2019-06-10 The study of terrorism has now arrived internationally as evidenced by the birth of a new international multidisciplinary journal Terrorism the proliferation of scientific conferences and papers and the growth of university research and teaching on the subject Historians social scientists lawyers criminologists administrators and political leaders are showing an increasing awareness of the need for more informed scholarly analysis of the growing international incidence of acts of terrorism perpetrated by extremist groups of almost every ideological hue and in every continent **Less Is More** Donna J. Baumbach, Linda L. Miller, 2006-06-05 Contains practical advice for updating a school library collection describing why it is important and how to use automation tools to make the job easier Security Intelligence Services in New Democracies K. Williams, D. Deletant, 2000-12-18 The first account of the secret police in Eastern Europe and after 1989 this book uses a wide range of sources including archives to identify what has and has not changed since the end of communism After explaining the structure and workings of two of the area s most feared services Czechoslovakia s StB and Romania s Securitate the authors details the creation of new security intelligence institutions the development of contacts with the West and forms of democratic control **Terrorism** Donald J. Hanle, 2006 Part of the problem of dealing with terrorism is in its definition it is often depicted as something new and totally alien a phantom enemy that cannot be understood But by employing a sophisticated analysis soundly based on an encyclopedic knowledge of military history Donald J Hanle shows that three major forms of terrorism Military Revolutionary and State Sponsored qualify as the newest forms of war The author s in depth investigation reveals that these kinds of terrorists operate in the same basic manner as military forces employed in

traditional warfare and have the same basic capabilities and weaknesses He argues convincingly that countermeasures against these types of terrorist organizations should be based upon classical principles of war and combat and suggests countervailing strategies Terrorism The Newest Face of Warfare is a starting point for a sensible and coherent counterterrorism strategy one that enlists a valuable but heretofore neglected Western arsenal the study of military history in the battle against terrorism

**The War on Terror** James P. Terry, 2013-05-30 A former Marine judge advocate and legal counsel to General Colin Powell James Terry explores the genesis of the United States approach to terror violence and the legal foundation for the nation's response to the conflicts in Afghanistan and Iraq Terry first reviews the entire spectrum of legal issues that arise before offering creative and practical legal and political solutions to counter terrorist activities The author examines the development of rules of engagement and their application in the terrorist environment while differentiating the law of self defense in this environment from more traditional conflicts He also addresses the role of interrogation and the line between harsh interrogation and torture and the jurisdictional claims that arise This volume examines a large number of topics related to the struggle and in a remarkably concise exploration makes them understandable to experts in international law as well as those who do not have a strong background in the field This text provides a serious but concise review of the legal issues in 20 interrelated chapters All constitutional law scholars and political scientists will greatly benefit from reading this book No other text offers such a comprehensive or detailed review of the issues arising from the War on Terror
