Political Campaigning In Referendums Framing The Referendum Issue:

Political Campaigning in Referendums Holli A. Semetko, Claes H. de Vreese, 2004-08-02 This book reviews the research on campaigns and elections and investigates the effects of campaigning in referendums drawing on panel survey data media content data focus groups and interviews with journalists and campaign managers The authors argue that the media coverage not only influences public perceptions of the campaign the referendum issue and the party leaders but that in a close race it also shapes the voting and the political future of the incumbent party The first study to investigate the dynamics and effects of a referendum campaign on politicians media and citizens this innovative volume will be of interest to students and researchers of political communication

The Dynamics of Referendum Campaigns Claes H. de Vreese, 2007-10-24 This book focuses on the key actors in a referendum the political elites parties the media and citizens and is centred around themes such as campaign style campaign effects electoral mobilization and turnout as well as vote choice The contributors consider the impact and importance of referendum campaigns

Framing referendum campaigns in the news Marina Dekavalla, 2018-03-15 This book discusses the framing of referendum campaigns in the news media focusing particularly on the case of the 2014 Scottish independence referendum Using a comprehensive content analysis of print and broadcast coverage as well as in depth interviews with broadcast journalists and their sources during this campaign it provides an account of how journalists construct the frames that define their coverage of contested political campaigns It views the mediation process from the perspective of those who participate directly in it namely journalists and political communicators It puts forward an original theoretical model to account for frame building in the context of referendums in Western media systems using insights from this and from other cases The book makes an original contribution to the study of media frames during referendums and is key reading for scholars and students interested in journalism the processes of political communication and the mediation of politics

Framing the European Union Ece Özlem Atikcan, 2015-10-09 This accessible study explores the impact of political language and campaigning upon public opinion towards European integration

The Routledge Handbook to Referendums and Direct Democracy Laurence Morel, Matt Qvortrup, 2017-12-12 Over the last 30 years referendums have played an increasingly important role in determining government policy Recent high profile referendums in Scotland Catalonia and Ukraine have continued the movement towards independence referendums following decolonization and the end of the Cold War The Greek bailout referendum and Britain's vote on membership of the EU reflect a tradition of European states giving their people a direct say in the transfer of sovereign powers to the European Union seen through the ratification of key treaties such as Maastricht Amsterdam Nice and Lisbon This Routledge Handbook covers key aspects and issues of direct democracy and referendums throughout the world including their history when why where how and on which issues referendums are held why some referendums are more democratic than others how referendums are won whether they produce good policies if referendums increase participation and improve the quality of representative

democracies do referendums increase trust in democracy and the political actors the impact of new technology on the possibilities methods and frequency of direct public political participation how they should be regulated Covering other related areas such as recall citizen juries and random selection this compendium is an indispensable guide to referendums and the workings of modern democracy

New Perspectives on Negative Campaigning Alessandro Nai, Annemarie Walter, 2016-10-14 Have you ever seen a politician fiercely attacking his opponent Sure you have Election campaigns without attacks on the rival candidate s performance policy propositions and traits simply do not exist Negative campaigning makes up a substantial part of election campaigns around the world Though heavily covered in election news the practice is strongly disliked by political pundits journalists and voters Some are even concerned that negative campaigning damages democracy itself Negative campaigning has inspired numerous scholars in recent decades But much of the existing research examines the phenomenon only in the United States and scholars disagree on how the practice should be defined and measured which has resulted in open ended conclusions about its causes and effects This unique volume presents for the first time work examining negative campaigning in the US Europe and beyond It presents systematic literature overviews and new work that touches upon three fundamental questions What is negative campaigning and can we measure it What causes negative campaigning And what are its effects

Public Broadcasting and Political Interference Chris Hanretty, 2011-05-03 Public broadcasters like the BBC and the Italian broadcaster RAI are some of the most important media organisations in the world Politicians are often tempted to interfere in the workings of these broadcasters and when this happens the results are highly controversial as both the Blair and Berlusconi governments have discovered Public Broadcasting and Political Interference explains why some broadcasters are good at resisting politicians attempts at interference and have won a reputation for independence and why other broadcasters have failed to do the same It takes a comparative approach of broadcasters in different countries including the United Kingdom Italy Spain and Sweden arguing political independence for public service broadcasters is important because of its contribution to democracy allowing voters alternative sources of information which allow them to choose between electoral alternatives The book will be of interest to policy makers scholars and students of political communication broadcasting and the media

The SAGE Handbook of Media Studies John D. H. Downing, Denis McQuail, Philip Schlesinger, Ellen Wartella, 2004-09-08 Media and communication research is a diverse and stimulating field of inquiry not only in subject matter but also in purposes and methodologies Over the past twenty years and in step with the contemporary shift toward trans disciplinarity Media Studies has rapidly developed a very significant body of theory and evidence Media Studies is here to stay and scholars in the discipline have a vital contribution to make The SAGE Handbook of Media Studies surveys and evaluates the theories practices and future of the field Editor John Downing and associate editors Denis McQuail Philip Schlesinger and Ellen Wartella have brought together a team of international contributors to provide a varied critical analysis of this intensely interesting field of study The Handbook offers

a comprehensive review within five interconnected areas humanistic and social scientific approaches global and comparative perspectives the relation of media to economy and power media users and elements in the media mosaic ranging from media ethics to advertising from popular music to digital technologies and from Hollywood and Bollywood to alternative media The contributors to The Handbook are from Australia Austria Britain Canada France Guatemala India Japan the Netherlands South Korea and the United States Each contributor offers a unique perspective on topics broad in scope The Handbook is an ideal resource for university media researchers for faculty developing new courses and revising curricula and for graduate courses in media studies It is also a necessary addition to any academic library

The Handbook of Election News Coverage Around the World Jesper Strömbäck, Lynda Lee Kaid, 2009-09-10 The Handbook of Election Coverage Around the World focuses on the news coverage of national elections in democracies around the globe It brings together and compares election news coverage within a single framework offering a systematic consideration of various factors Considering the prominence and power of the press in the election process this volume will offer unique breadth in its global consideration of the topic The volume will appeal to scholars in political communication political science mass media and society and others studying elections and media coverage around the world

Foreign Correspondence John Maxwell Hamilton, Regina G. Lawrence, 2013-09-13 Despite the importance of foreign news its history transformation and indeed its future have not been much studied The scholarly community often calls attention to journalism's shortcomings covering the world yet the topic has not been systematically examined across countries or over time The need to redress this neglect and the desire to assess the impact of new media technologies on the future of journalism including foreign correspondence provide the motivation for this stimulating exciting and thought provoking book While the old economic models supporting news have crumbled in the wake of new media technologies these changes have the potential to bring new and improved ways to inform people of foreign news In an increasingly globalized era journalism is being transformed by the effortlessly quick sharing of information across national boundaries As such we need to reconsider foreign correspondence and explore where such reporting is headed This book discusses the current state and future prospects for foreign correspondence across the full range of media platforms and assesses developments in the reporting of overseas news for audiences governments and foreign policy in both contemporary and historical settings around the globe As Emmy Award and Pulitzer Prize winning correspondent Serge Schmemmann reminds us in this book quality journalism and unbiased reporting are as valid and necessary today as they ever were one of the primary tasks of journalists and scholars as they follow the changes taking place must be to ensure that the new international information order now imposed by the Internet remains true to the ideals and traditions that define our journalism This book was originally published as a special issue of Journalism Studies

Democratic Governance and European Integration Ronald Holzhaecker, Erik Albæk, 2007-01-01 As the power and scope of the European Union moves further beyond traditional forms of international cooperation between sovereign states it

is important to analyse how these developments are impacting upon national institutions and processes of democratic representation and legitimacy in the member countries The authors in this book identify four core processes of democratic governance present in any democratic political system that link societal and state processes of decision making opinion formation interest intermediation national executive decision making and national parliamentary scrutiny From a normative perspective they discuss what impacts this process of Europeanization has on democracy in the evolving system They conclude that more changes are seen within the state centric than in the societal centred processes of democracy thus the public seems to have been left behind in the process of constructing Europe The empirical research and normative discussion presented in this book are designed to further our knowledge concerning the Europeanization of social and state processes of democracy and to contribute to the continuing dialogue on democracy in the European Union This book will be of great interest to academics and researchers of political science public policy and international relations as well as those interested in European studies and comparative politics

The International Encyclopedia of Political Communication, 3 Volume Set Gianpietro Mazzoleni, Kevin G. Barnhurst, Ken'ichi Ikeda, Rousiley C. M. Maia, Hartmut Wessler, 2015-12-14 The International Encyclopedia of Political Communication is the definitive single source reference work on the subject with state of the art and in depth scholarly reflection on the key issues within political communication from leading international experts It is available both online and in print Explores pertinent salient topics within political science sociology psychology communication and many other disciplines Theory empirical research and academic as well as professional debate are widely covered in this truly international and comparative work Provides clear definitions and explanations which are both cross national and cross disciplinary by nature Offers an unprecedented level of authority accuracy and balance with contributions from leading international experts in their associated fields Part of The Wiley Blackwell ICA International Encyclopedias of Communication series published in conjunction with the International Communication Association Online version available at Wiley Online Library www.wileyicaencyclopedia.com Named Outstanding Academic Title of 2016 by Choice Magazine a publication of the American Library Association **Routledge**

Handbook on Elections in the Middle East and North Africa Francesco Cavatorta, Valeria Resta, 2023-03-31 This Handbook analyzes elections in the Middle East and North Africa and seeks to overcome normative assumptions about the linkage between democracy and elections Structured around five main themes contributors provide chapters detailing how their case studies illustrate specific themes within individual country settings Authors disentangle the various aspects informing elections as a process in the Middle East by taking into account the different contexts where the electoral contest occurs and placing these into a broader comparative context The findings from this Handbook connect with global electoral developments empirically demonstrating that there is very little that is exceptional about the Middle East and North Africa when it comes to electoral contests Routledge Handbook on Elections in the Middle East and North Africa is the first book to

examine all aspects related to elections in the Middle East and North Africa Through such comprehensive coverage and systematic analysis it will be a key resource for students and scholars interested in politics elections and democracy in the Middle East and North Africa

The Internet and Politics Sarah Oates,Diana Owen,Rachel K. Gibson,2006-03-22 This volume explores the nature of the Internet s impact on civil society addressing the following central questions is the Internet qualitatively different from the more traditional forms of the media has the Internet demonstrated real potential to improve civil society through a wider provision of information an enhancement of communication between government and citizen or via better state transparency does the Internet pose a threat to the coherence of civil society as people are encouraged to abandon shared media experiences and pursue narrow interests in authoritarian states does the Internet function as a beacon for free speech or as another tool for propaganda

Routledge Handbook of Internet Politics Andrew Chadwick,Philip N. Howard,2010 The politics of the internet has entered the social science mainstream This volume is concerned with theoretical conceptual debates political institutions practices how the internet creates new policy problems for liberal democratic non liberal democratic states not to mention their roles in the global system

Digital World Gillian Youngs,2013-06-26 The Internet and digital technologies have changed the world we live in and the ways we engage with one another and work and play This is the starting point for this collection which takes analysis of the digital world to the next level exploring the frontiers of digital and creative transformations and mapping their future directions It brings together a distinctive collection of leading academics social innovators activists policy specialists and digital and creative practitioners to discuss and address the challenges and opportunities in the contemporary digital and creative economy Contributions explain the workings of the digital world through three main themes connectivity creativity and rights They combine theoretical and conceptual discussions with real world examples of new technologies and technological and creative processes and their impacts Discussions range across political economic and cultural areas and assess national contexts including the UK and China Areas covered include digital identity and empowerment the Internet and the Fifth Estate social media and the Arab Spring digital storytelling transmedia and audience economic and social innovation digital inclusion community and online curation cyberqueer activism The volume developed out of a UK Economic and Social Research Council funded research seminar series

Politics and the Internet in Comparative Context Paul Nixon,Rajash Rawal,Dan Mercea,2013-07-24 For many years now we have witnessed the developing use of the internet and associated technologies by political actors and organisations Claims and counter claims have been made as its suitability as a tool to help in the struggle to re invigorate political participation in democracies across the globe has been contested This book charts the shifting sands of political activity in the digital age It interrogates the hybrid nature of modern politics as online and offline actions blur the boundaries of traditional politics between real life co presence and the booming virtual domain of politics By so doing it critically reflects on the latest scholarship on the subject while concurrently advancing stimulating new

insights into it Encapsulating both the range and the diverse velocities of change in different political arenas and geographical locations this volume seeks to map out a path if not towards the politics of tomorrow then towards a better comprehension of the politics of today Featuring a range of international and comparative case studies presenting research on the UK US Italy France Spain Romania Africa and China this book will be of interest to students and scholars of Politics and Media Political Communication New Media studies Public Administration Sociology Communication Studies Computing and Information and Communications Technologies

The Routledge Companion to Contemporary Brand Management Francesca Dall'Omo Riley, Jaywant Singh, Charles Blankson, 2016-07-15 The amount and range of brand related literature published in the last fifty years can be overwhelming for brand scholars This Companion provides a uniquely comprehensive overview of contemporary issues in brand management research and the challenges faced by brands and their managers Original contributions from an international range of established and emerging scholars from Europe US Asia and Africa provide a diverse range of insights on different areas of branding reflecting the state of the art and insights into future challenges Designed to provide not only a comprehensive overview but also to stimulate new insights this will be an essential resource for researchers educators and advanced students in branding and brand management consumer behaviour marketing and advertising

Democratising the EU from Below? Ulrike Liebert, Alexander Gattig, 2016-05-23 For the European Union of the 21st century the search for sustainable prosperity and stability includes the challenge of reconciling democratic ideals and practices with the construction of a European constitutional order From the 2001 Laeken Summit to the 2009 Lisbon Treaty and beyond EU leaders have repeatedly set out to bring citizens closer to EU governance by making it more democratic and effective yet several national ratification referendums have shown that publics are divided about whether and why to endorse or veto complex EU reform packages imposed from the top down Despite these limitations people do effectively engage in the making of a European polity By initiating national court proceedings active citizens are promoting fundamental European rights in Member States practices As party members they contribute to shaping mass media communication about and national publics understanding of European political alternatives As civil society activists citizens help build social networks for contesting certain EU reforms

or advocating others Last but not least as voters in national and European elections they choose between competing party visions and national parliamentary stances regarding the role of democratic citizenship This original contribution to the debate about democratic citizenship vis vis the challenges of economic globalization and European political integration presents critical explorations of different fields of direct representative participatory and deliberative democratic citizenship practices that affect the transformation of Europe

Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Political Campaigning In Referendums Framing The Referendum Issue eBooks, including some popular titles.

FAQs About Political Campaigning In Referendums Framing The Referendum Issue Books

What is a Political Campaigning In Referendums Framing The Referendum Issue PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Campaigning In Referendums Framing The Referendum Issue PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Campaigning In Referendums Framing The Referendum Issue PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Campaigning In Referendums Framing The Referendum Issue PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Campaigning In Referendums Framing The Referendum Issue PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
