Political Economy Of Post Soviet Russia

Stephen K. Wegren, Frode Nilssen

Political Economy Of Post Soviet Russia:

The Political Economy of Post-Soviet Russia V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing

The Political Economy of Post-Soviet Russia Vladimir Tikhomirov, 2000-08-05 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of this book is to analyze successes and failures of the Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing

Reforging the Weakest Link Neil Robinson, 2019-06-04 Originally published in 2004 The collapse of the USSR and the emergence of 15 new states from its ashes presents another challenge to the global economy how to reintegrate the post Soviet space into the international economy The spread of liberal market ideology and integration of national economic spaces into a global marketplace faces unique difficulties in the former USSR This insightful volume explains these challenges showing how Soviet legacies have worked against a smooth re entry of Russia Ukraine and Belarus into the global economy It also demonstrates how and why global economic forces have had very uneven effects in the area how the area differs from other parts of the post communist world where reintegration has proceeded more smoothly and what the future prospects and political implications are for the region in the global economy

Hegemony, International Political Economy and Post-Communist Russia Owen Worth, 2017-07-05 This illuminating book explores the neo Gramscian school of international political economy and their conceptualization of global hegemony and furthers these by looking at how the often fragmented society of post Communist Russia can provide insight into the nature and workings of neo liberal global hegemony The volume illustrates how historically Russia has been a unique case in rejecting Western inspired hegemonic projects It outlines how successive governments since the fall of the Soviet Union have attempted often unsuccessfully to integrate Russia into the global economy and identifies the multitude of ideological contestation within Russia It will prove a useful addition to the literature on both post Communist Russian studies and international political economy

The Political Economy of Russia Neil Robinson, 2012-07-13 This timely book explores Russia s political development since the collapse of the USSR and how inextricably it has been bound up with economic change Tracing the evolution of Russia s political economy leading scholars consider how it may continue to develop going forward They assess the historical legacies of the Soviet period showing how despite policies implemented after the USSR

dissolved in 1991 there are ongoing bitter battles over property and state revenues over land and over welfare The book puts these domestic issues in international and comparative perspective by considering Russia's position in the global economy and its growing role as a major energy producer Focusing especially on the nature and future of Russian capitalism the contributors weigh the political problems that confront Russia in its ongoing struggle to modernize and develop its economy Contributions by Andrew Barnes Paul T Christensen Linda J Cook Gerald M Easter Neil Robinson Richard Sakwa and Stephen K Wegren **Culture, Political Economy and Civilisation in a Multipolar World Order** Ray Silvius, 2016-10-04

This book seeks to understand how Russia's multifaceted rejection of American unipolarity and de-territorialised neo liberal capitalism has contributed to the gestation of the present multipolar moment in the global political economy Analysing Western world order precepts via the actions of a powerful albeit precarious national political economy and state structure situated on the periphery of Western world order Silvius explores the manner in which culture and ideas are mobilised for the purposes of national regional and international political and economic projects in a post global age The book Explains and analyses the tensions of post Soviet Russia's integration into and simultaneous partial rejection of the capitalist global political economy Provides an overview of the social political and historical origins of Russian samobytnost uniqueness after the fall of the Soviet Union and demonstrates their significance to contemporary understandings of world order Explores how structures of cultural difference and practices of cultural differentiation interact with the normative legacies of American hegemonic aspirations in contemporary world order structures Evaluates how cultural and civilisational representations are mobilised for state projects and their corresponding regional and international dimensions within the global political economy This book will be of great interest to students and scholars of Russian Foreign Policy IPE and comparative political economy **The Political Economy of Russia** Neil Robinson, 2012-07-13 This timely book explores Russia's political

development since the collapse of the USSR and how inextricably it has been bound up with economic change Tracing the evolution of Russia's political economy leading scholars consider how it may continue to develop going forward They assess the historical legacies of the Soviet period showing how despite policies implemented after the USSR dissolved in 1991 there are ongoing bitter battles over property and state revenues over land and over welfare The book puts these domestic issues in international and comparative perspective by considering Russia's position in the global economy and its growing role as a major energy producer Focusing especially on the nature and future of Russian capitalism the contributors weigh the political problems that confront Russia in its ongoing struggle to modernize and develop its economy Contributions by Andrew Barnes Paul T Christensen Linda J Cook Gerald M Easter Neil Robinson Richard Sakwa and Stephen K Wegren

The Political Economy of International Financial Crisis Shale Asher Horowitz, Uk Heo, 2001 The world financial crisis of 1997-99 was the most important international economic event since the oil shocks of the 1970s and the associated debt crisis of the 1980s What were its political causes and consequences In particular how did interest group coalitions and

political institutions affect pre crisis economic policies and post crisis responses This book focuses on how policymaking coalitions are formed and how political institutions mediate the pressure of rival coalitions This approach is applied to 13 countries drawn from the main crisis affected regions of the world economy East Asia Southeast Asia Latin America and Eastern Europe

Rural Reform in Post-Soviet Russia David J. O'Brien, Stephen K. Wegren, 2002-03-20 Rural Reform in Post Soviet Russia reviews change in agricultural and rural life since 1990 through historical political sociological and anthropological investigation The contributors interest is not so much in agriculture itself but in agrarian issues such as the relationship between rural interests and changing Russian institutions the economic and social organization of rural households and the quality of life in rural families and villages

Explaining Post-Soviet Patchworks: Political economy of regions, regimes and republics Klaus Segbers, 2001 Based on extensive research this trilogy provides new insights into Post Soviet transformations without taking refuge in the traditional assumption that Russia is unique Using powerful analytical tools this trilogy marks the re integration of the Former Soviet Union FSU into the main current of political science An invaluable resource for all those interested in Russia and the Post Soviet states This third volume addresses the important regional dimension of the Russian Federation The basic point of departure for all analyses is how regions and regional institutions deal with the global and local past and present It also presents new material on geography competition and conflict individual regions and the development of political institutions and federalism This volume will be of particular interest to students researchers journalists and decision makers whose focus is on politics international relations economics social policy and sociology in Russia and the Post Soviet states

The International Economic Crisis and the Post-Soviet States Valentina Feklyunina, Stephen White, 2014-06-11 At first it seemed as if the international financial crisis that broke out in 2008 would have little effect in Russia and the other post Soviet states But by the end of the year growth was slowing banks were reluctant to lend share values had collapsed and unemployment was rising inexorably The stability of the Putin leadership it appeared had been built on the turnaround in economic performance that it had managed to achieve over more than a decade How would it cope with a sudden reversal In Ukraine living standards fell even more sharply In Belarus there were fewer obvious signs of economic difficulty but it could hardly be unaffected by the performance of its major trading partners Drawing on a wide range of evidence an international group of scholars address the impact of the international financial crisis in the post Soviet states and the continuing implications of the crisis for these countries themselves and for the wider world This book was published as a special issue of the Journal of Communist Studies and Transition Politics now known as East European Politics

Resisting the State Kathryn Stoner-Weiss, 2006-06-19 Why do new democratizing states often find it so difficult to actually govern Why do they so often fail to provide their beleaguered populations with better access to public goods and services Using original and unusual data this book uses post communist Russia as a case in examining what the author calls this broader weak state syndrome in many developing countries Through interviews with

over 800 Russian bureaucrats in 72 of Russia's 89 provinces and a highly original database on patterns of regional government non-compliance to federal law and policy the book demonstrates that resistance to Russian central authority not so much ethnically based as others have argued as much as generated by the will of powerful and wealthy regional political and economic actors seeking to protect assets they had acquired through Russia's troubled transition out of communism

The Other Russia Leo Granberg, Ann-Mari S tre, 2016-10-04 Most recent research seeks to explain contemporary changes in Russia by analysing the decisions of Russian leaders oligarchs and politicians based in Moscow This book examines another Russia one of ordinary people changing their environment and taking opportunities to provoke societal changes in small towns and the countryside Russia is a resource rich society and the country's strategy and institutional structure are built on the most valuable of these resources oil and gas Analysing the implications of this situation at the local level this book offers chapters on resource use local authorities enterprises poverty and types of individual as well as a final chapter which places local societies within the framework of the Russian politicised economy Based on extensive empirical data gathered through more than 400 semi structured interviews with entrepreneurs teachers social workers and those working for the local authorities this book sheds light on the role of local activity in the development of Russian society and is essential reading for students and scholars interested in Russia and its politics *Land Reform in Russia* Stephen K.

Wegren, 2009-11-24 This ambitious work is the definitive account of Russia's land reform initiatives from the late 1980s to today In Russia a country controlling more land than any other nation land ownership is central to structures of power class division and agricultural production The aim of Russian land reform for the past thirty years to undo the collectivization of the Soviet era and encourage public ownership has been largely unsuccessful To understand this failure Stephen Wegren examines contemporary land reform policies in terms of legislation institutional structure and human behavior Using extensive survey data he analyzes household behaviors in regard to land ownership and usage based on socioeconomic status family size demographic distribution and regional differences Wegren's study is important and timely as Russian land reform will have a profound effect on Russia's ability to compete in an era of globalization **Reexamining Economic and**

Political Reforms in Russia, 1985-2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985-2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventies who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in

ideational agendas produced inconsistent and controversial outcomes from both stages of reforms Sowing Market Reforms M. Crumley, 2013-09-18 By examining a sector of the economy that was exposed to increased imports more than four decades ago Crumley illuminates the economic pressures resistance and reform that help to shape Russia's agrarian sector today State against Civil Society Cameron Ross, 2017-10-02 Over the period December 2011 July 2013 a tidal wave of mass protests swept through the Russian capital and engulfed scores of cities and regions These demonstrations came as a great shock to the Russian political establishment After decades of passive acceptance of the status quo it appeared that civil society was at last awakening The protests came in the wake of the Arab Spring revolts which toppled authoritarian dictators in Tunisia Egypt and Libya However by the end of 2013 the number of mass protests in Russia and their size had declined precipitously President Putin on returning to office in 2012 had quickly regained the upper hand over the protestors This book examines the reasons for the rise and fall of the mass protests in the Russian Federation Internationally renowned experts in the field of Russian politics from Russia and the UK provide important new insights into the nature of the mass opposition movement the non systemic opposition its strengths and its weaknesses A key novel aspect of the study is its focus on the national and regional dimensions of the protest movement and its class and ethnic dimensions This book was published as a special issue of *Europe Asia Studies* *Restructuring Post-Communist Russia* Yitzhak Brudny, Jonathan Frankel, Stefani Hoffman, 2004-06-21 Since the fall of the Soviet Union in 1991 the question of whether Russia has been the source of ceaseless speculation both at home and abroad In search of answers twelve highly qualified scholars examine the complex interplay between continuity and change that has marked developments in Russia under the leadership first of Boris Yeltsin and now of Vladimir Putin Analysing the recent past they also peer into the country's future In his introduction to the volume Peter Rutland asks whether we are witnessing the gradual entrenchment of parliamentary democracy the slow return to autocracy or mere political stagnation *Restructuring Post Communist Russia* poses the fundamental questions while providing the information and analysis needed to give the at least preliminary answers *Russia's Role in the Contemporary International Agri-Food Trade System* Stephen K. Wegren, Frode Nilssen, 2021-11-11 This Open Access book analyses the emergence of Russia as a global food power and what it means for global food trade Russia's strategy for food production and trade has changed significantly since the end of the Soviet period and this is the first book to take account of Russia's rise as a food power and the global implications of that rise It includes food trade policy and practice and developments in regional food trade This book will be of interest to academics and practitioners in agricultural economics international trade and international food trade *The Political Economy of Russian Oil* David Lane, 1999 One of the dominant export oriented industries in Russia oil is a major source of tax revenue and wealth The privatization of these vast assets has made the industry a site not only for conflict between power holders but also a strategic target for international corporations and Western governments In this thoughtful analysis a group of international specialists explores the political and economic

issues and controversies surrounding the oil industry's move to capitalism. The authors examine the spread of crime and corruption, the role of Russian and Western financial institutions, regional tensions, and the international dimension. As a paradigm for the Russian economy as a whole, the case of oil industry provides invaluable insights for understanding the political and economic problems confronting Russia today.

Political Economy Of Post Soviet Russia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Economy Of Post Soviet Russia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Economy Of Post Soviet Russia has opened up a world of possibilities. Downloading Political Economy Of Post Soviet Russia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Economy Of Post Soviet Russia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Economy Of Post Soviet Russia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Economy Of Post Soviet Russia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Economy Of Post Soviet Russia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Economy Of Post Soviet Russia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Economy Of Post Soviet Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Economy Of Post Soviet Russia is one of the best book in our library for free trial. We provide copy of Political Economy Of Post Soviet Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Economy Of Post Soviet Russia. Where to download Political Economy Of Post Soviet Russia online for free? Are you looking for Political Economy Of Post Soviet Russia PDF? This is definitely going to save you time and cash in something you should think about.
