

Political Economy Of Rural Development In China 1978 1999

Satyananda J. Gabriel

Political Economy Of Rural Development In China 1978 1999:

The Political Economy of Rural Development in China, 1978-1999 Weixing Chen, 1999-11-30 Chen provides an analysis of the political economy of rural development in China during the reform era Revolving around the central theme of statecraft Chen's study gives a concise and comprehensive treatment of the interaction of ideology and politics with central policy and economic growth He examines China's economic reform in historical perspective characterizes China's economic and political transformation since the reform and proposes that the Chinese Communist Party is being transformed into a party of economics while China's ideology is becoming market oriented communal socialism In addressing the issue of the Chinese path of development Chen discusses the role of local party organizations in China's modernization drive and the microform of market oriented communal socialism in the newly emerged village conglomerate highlights the challenges that China faces at the turn of the new century after 20 years of economic reform and analyzes the context of the introduction of village elections in 1990 and the establishment of Deng Xiaoping's Theory as a new ideological discourse at the 15th National Congress as well as the rationale behind them In examining the connection between the two goals of statecraft improving people's welfare and strengthening the state and between central policies and local initiatives Chen provides a study that will be of great interest to scholars students and other researchers involved with contemporary Chinese politics and development

Political Culture and Participation in Rural China Yang Zhong, 2013-06-17 Despite China's rapid urbanisation and industrialisation most Chinese still live in the vast countryside or have rural household registration Although there was significant economic improvement in rural areas in the 1980s the rural economy has been stagnating or deteriorating since then and the book argues that the rural urban income gap is giving rise to the potential for political instability throughout China This book based on extensive original research including interview fieldwork in rural areas examines the nature of political culture and participation in rural China discussing issues such as the support or lack of it for democratic values levels of political interest the ways in which Chinese peasants interact with village and local officials subjective factors that motivate them to vote or not to vote in village elections and rural people's views on market oriented economic reforms local and national government and the Communist Party The book argues that although hitherto peasants riots sit ins and demonstrations have been localised and uncoordinated they are frequent and have the potential to cause serious political crises for China's rulers It concludes by considering the future political development of China's vast countryside

Local Government and Politics in China Yang Zhong, 2015-02-18 After over a decade of administrative and economic reform in mainland China the center has become increasingly remote and less important for many localities In many ways the mobilization capacity of the central government has been weakened Central government policies are often ignored and local officials are often more interested in personal projects than in centrally directed economic plans In this study of local government and politics in China the author explores when and why local government officials comply with policy directives

from above Drawing on interviews with government officials in various municipalities and a review of county records and other government documents he provides the first in depth look at policy implementation at the county and township levels in the PRC The book examines the impact of the Chinese cadre system on the behavior of local officials local party and government structure relationships among various levels of Chinese local government policy supervision mechanisms at local levels village governance of China and more *Governance, Social Organisation and Reform in Rural China* H.

He,2016-02-03 This study focuses upon governance and social organisation within the Chinese village and explores the extent to which farmers have autonomy vis vis their economic and political activities in an attempt to understand the relationship between farmers and the state in a rapidly changing China **Chinese Capitalism and the Modernist Vision** Satyananda J. Gabriel,2006 China s economy is now comfortably among the world s elite in terms of size This book examines the contemporary Chinese economy focusing on the production appropriation and distribution of surplus value **Political**

Civilization And Modernization In China: The Political Context Of China's Transformation Yang Zhong,Shiping Hua,2006-02-06 This volume is the first comprehensive study of China s political civilization since the term was introduced by then Party Secretary Jiang Zemin in 2002 Selected among about 200 papers delivered at an international conference in Beijing in 2004 this collection of ten essays discusses the relations between political civilization and political reform in China from the different perspectives of institution building political culture political theory intra party democracy political participation judiciary reform legislative reform and media reform While the contributors are aware of the enormous difficulties China faces in reforming its political system and political culture most are optimistic about the prospect of reform Through theoretical discussions the institutional analysis and other empirical methods in the book contribute to our understanding of Chinese politics in unique ways *Critical Readings on the Communist Party of China (4 Vols. Set)* Kjeld

Erik Brodsgaard,2016-12-12 The Chinese Communist Party CCP with nearly 90 million members is the largest ruling political party in the world Its power and influence reach into every corner of state society and economy in China Given the CCP s omnipresence in depth knowledge of how the CCP is organised and managed and how it will likely evolve is of paramount importance and is a basic prerequisite for understanding China s rise By bringing together the best scholarship on the CCP covering areas such as organisation cadre management recruitment and training ideology and propaganda factions and elites reform and adaptation corruption and law this collection provides a key to open the black box of Chinese politics

Decentralized Authoritarianism in China Pierre F. Landry,2008-10-16 China like many authoritarian regimes struggles with the tension between the need to foster economic development by empowering local officials and the regime s imperative to control them politically Landry explores how the Chinese Communist Party CCP manages local officials in order to meet these goals and perpetuate an unusually decentralized authoritarian regime Using unique data collected at the municipal county and village level Landry examines in detail how the promotion mechanisms for local cadres have allowed the CCP to

reward officials for the development of their localities without weakening political control His research shows that the CCP's personnel management system is a key factor in explaining China's enduring authoritarianism and proves convincingly that decentralization and authoritarianism can work hand in hand *The Green Revolution in the Global South* R. Douglas Hurt, 2020-03-03 A synthesis of the agricultural history of the Green Revolution The Green Revolution was devised to increase agricultural production worldwide particularly in the developing world Agriculturalists employed anhydrous ammonia and other fertilizing agents mechanical tilling hybridized seeds pesticides herbicides and a multitude of other techniques to increase yields and feed a mushrooming human population that would otherwise suffer starvation as the world's food supply dwindled In *The Green Revolution in the Global South: Science, Politics, and Unintended Consequences* R. Douglas Hurt demonstrates that the Green Revolution did not turn out as neatly as scientists predicted When its methods and products were imported to places like Indonesia and Nigeria or even replicated indigenously the result was a tumultuous impact on a society's functioning A range of factors including cultural practices ethnic and religious barriers cost and availability of new technologies climate rainfall and aridity soil quality the scale of landholdings political policies and opportunism the rise of industrial farms civil unrest indigenous diseases and corruption entered into the Green Revolution calculus producing a series of unintended consequences that varied from place to place As the Green Revolution played out over time these consequences rippled throughout societies affecting environments economies political structures and countless human lives Analyzing change over time almost decade by decade Hurt shows that the Green Revolution was driven by the state as well as science Rather than acknowledge the vast problems with the Green Revolution or explore other models Hurt argues scientists and political leaders doubled down and repeated the same missteps in the name of humanity and food security In tracing the permutations of modern science's impact on international agricultural systems Hurt documents how beyond increasing yields the Green Revolution affected social orders politics and lifestyles in every place its methods were applied usually far more than once East Asian Development Model Shiping Hua, Ruihua Hu, 2014-12-17 Given the impressive growth in East Asia after World War II initially led by Japan the region's development models have been scrutinized since the 1980s The shared Confucian cultural heritage strong government guidance and export led economies were often cited as contributors to the impressive growth However major changes have taken place in Asia on and around the turn of the century Japan experienced two decades of economic slow down while World Bank figures reveal that China is poised to become the largest economy in the world in 2014 overtaking the United States Bearing this in mind is it even possible to formulate an East Asian development model in the context of a shifting twenty first century And if so what is it This book addresses this issue by looking at the economic political and cultural perspectives of China Japan and South Korea focusing on dynamism and potential consensus regarding an East Asian development model The chapters offer a historical background to the East Asian development model as well as in depth case studies of each of the countries concerned to show

that whilst the East Asian development model does have distinct characteristics as compared with other areas and other countries may draw some insights from the East Asian experience it is not a panacea that fits all circumstances and fits all times This book will be welcomed by students and scholars of Asian economics Asian politics international political economy and development studies State Capitalism, Contentious Politics and Large-Scale Social Change Vincent Pollard,2011-03-22 Through a careful analysis of the former Soviet Union and China and South Asian societies of India and the Phillipines this volume examines the creation of a state capitalism its roll in economic development and its impact on social change *Rural Democracy in China* Baogang He,2007-09-15 This book examines the status of village democracy studies the achievements and the problems explains its dynamics and investigates the prospects of China s democratization It challenges the skeptics with a nuanced assessment of village democracy in its variety and diversity It develops an understanding of how three key factors township economy and kinship shape village democracy and account for the variations of rural democracy The extension of village to township elections has been examined and an idea of mixed regime being formulated with an examination of its key features and implications for our understanding of political development in China **Patronage and Power** Ben Hillman,2014-05-14 Power and Patronage examines the unwritten rules and inner workings of contemporary China s local politics and government It exposes how these rules have helped to keep the one Party state together during decades of tumultuous political social and economic change While many observers of Chinese politics have recognized the importance of informal institutions this book explains how informal local groups actually operate paying special attention to the role of patronage networks in political decision making political competition and official corruption While patronage networks are often seen as a parasite on the formal institutions of state Hillman shows that patronage politics actually help China s political system function In a system characterized by fragmented authority personal power relations and bureaucratic indiscipline patronage networks play a critical role in facilitating policy coordination and bureaucratic bargaining They also help to regulate political competition within the state which reduces the potential for open conflict Understanding patronage networks is essential for understanding the resilience of the Chinese state through decades of change Power and Patronage is filled with rich and fascinating accounts of the machinations of patronage networks and their role in the ruthless and sometimes violent competition for political power *In the Land of the Eastern Queendom* Tenzin Jinba,2013-11-17 The story underlying this ethnography began with the recent discovery and commercialization of the remnant of an ancient queendom on the Sichuan Tibet border Recorded in classical Chinese texts this legendary matriarchal domain has attracted not only tourists but the vigilance of the Chinese state Tenzin Jinba s research examines the consequences of development of the queendom label for local ethnic gender and political identities and for state society relations **Historical Dictionary of the Chinese Economy** Lawrence R. Sullivan,2017-11-08 The Historical Dictionary of the Chinese Economy covers the world s second largest macro economy Extensive attention throughout the volume is given

to the historical development of the Chinese economy since the establishment of the People's Republic of China PRC in 1949. Included is a review of developments during the period of central economic planning adopted from the Soviet Union 1953-1978 and in depth information and analysis on the various policies and fundamental changes brought about in China by the inauguration of economic reforms from 1978-1979 through 2016. This book contains a chronology, an introduction and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on critical sectors of the economy including automobiles, banking and finance, national currency, economic regulation, trade and investment and important industries such as agriculture, computers and electronics, iron and steel, real estate and shipping. This book is an excellent resource for students, researchers and anyone wanting to know more about China's economy. **Globalisation, Transition**

and Development in China Rui Huaichuan, 2004-06-02. Based on extensive original research, *Globalisation, Transition and Development in China* explains China's development strategy and its underlying forces and the success of this strategy. It examines China's gradualist approach which emphasizes development first and regards transition and globalization as secondary, enacting liberalization of domestic markets and integration into the world economy in a paced way, avoiding dramatic changes which might impede or even reverse development and argues that this approach is broadly correct. It considers China's failures including the failure to build large globally competitive corporations despite the intention to do this and shows how China's economic strategy has been implemented in detail with a case study of the large and important coal industry. **The Pan-Pearl River Delta** Yue-man Yeung, Jianfa Shen, 2008. In June 2004, top leaders from Guangdong and the surrounding eight provinces of Guangxi, Yunnan, Sichuan, Guizhou, Hainan, Hunan, Jiangxi and Fujian together with those of the Special Administrative Regions of Hong Kong and Macao met in Hong Kong, Macao and Guangzhou and gave birth to Pan-PRD regional grouping, hence the shorthand of 9+2. This book studies the establishment amid much fanfare of this new regional grouping and its roots in the interaction between globalization and regionalization.

The Political Economy of East Asia K. Cai, 2016-04-30. In a systematic study of the political economy of East Asia, Cai adopts an historical perspective alongside a contemporary focus exploring East Asia's development since the late 19th century. Following similar paths to economic development, East Asian states have achieved economic success integrating themselves into a regional economy.

Technical Bulletin, 1927* **Handbook of Agricultural Economics** Robert E. Evenson, Prabhu Pingali, 2009-10-20. Advances in agriculture offer many countries the best and only chance of reducing poverty. Yet economic growth and population increases are driving higher demand for food and rising real prices. What solutions have successfully promoted agriculture? This volume examines national and international food agriculture policies and how they enhance agricultural productivity growth. It provides unique historical reviews on policies and their effects and it clearly articulates both positive and negative lessons for promoting agriculture-led growth. With chapters written by international authorities, this book recognizes that agriculture is not just about providing food for today but about growing it in an environmentally sustainable

way that can help people work their ways out of poverty Chapters cover international macro economic policies and trade farm structure in developing countries regional experiences in agriculture and regional studies on agricultural productivity policies

Enjoying the Beat of Phrase: An Mental Symphony within **Political Economy Of Rural Development In China 1978 1999**

In a global taken by screens and the ceaseless chatter of instantaneous connection, the melodic elegance and emotional symphony developed by the published word often diminish in to the background, eclipsed by the constant sound and disruptions that permeate our lives. Political Economy Of Rural Development In China 1978 1999 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Economy Of Rural Development In China 1978 1999 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Economy Of Rural Development In China 1978 1999 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in

finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Economy Of Rural Development In China 1978 1999 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Economy Of Rural Development In China 1978 1999. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Economy Of Rural Development In China 1978 1999 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Economy Of Rural Development In China 1978 1999 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Economy Of Rural Development In China 1978 1999 is one of the best book in our library for free trial.
