Gomez, George E. Peterson**

Political Economy Of The Cambodian Transition:

The Political Economy of the Cambodian Transition Caroline Hughes, 2003-09-02 Cambodia underwent a triple transition in the 1990s from war to peace from communism to electoral democracy and from command economy to free market This book addresses the political economy of these transitions examining how the much publicised international intervention to bring peace and democracy to Cambodia was subverted by the poverty of the Cambodian economy and by the state s manipulation of the move to the free market This analysis of the material basis of obstacles to Cambodia s democratisation suggests that the long established theoretical link between economy and democracy stands even in the face of new strategies of international democracy promotion

The Political Economy of Cambodia's Transition, 1991-2001 Caroline Hughes, 2003 Cambodia underwent a triple transition in the 1990s from war to peace from communism to electoral democracy and from command economy to free market This book addresses the political economy of these transitions examining how the much publicised international intervention to bring peace and democracy to Cambodia was subverted by the poverty of the Cambodian economy and by the state s manipulation of the move to the free market This analysis of the material basis of obstacles to Cambodia s democratisation suggests that the long established theoretical link between economy and democracy stands even in the face of new strategies of international democracy promotion

The Political Economy of the Cambodian Transition ,2003 **The Political Economy of Asian Transition from Communism** Sujian Guo, 2017-11-28

A comparative study of the political economy of the transition from communism in East and Southeast Asian countries China North Korea Vietnam Laos and Cambodia addressing the key theoretical questions generated from the debate between shock therapists and gradualists While accurately defining the pre reform model this book explores the causal variables that have contributed to reform efforts within Asia examining the significance of the sequencing of political and economic transition and the interplay between politics and the economy in determining variations in transition outcomes Comparing the real world experiences of transition nations in communist Asia with Eastern Europe prominent questions are brought to the fore will market capitalism or market socialism prevail after the grand failure of communism This book makes an important contribution to the political economy theory of comparative communist and post communist studies and provides detailed analytical insights that will prove influential in future theoretical work

Transitional Justice and Memory in Cambodia Peter Manning, 2017-06-26 Memories of violence suffering and atrocities in Cambodia are today being pulled in different directions A range of transitional justice practices have been put to work in the name of redressing restoring and renewing memory At the centre of this stage is the Extraordinary Chambers in the Courts of Cambodia ECCC a hybrid tribunal established to prosecute the leaders of the Khmer Rouge regime under which 1 6 million Cambodians died of hunger or disease or were executed This book unpicks the way memory is reconstructed through appeals to a national memory the legal reframing and coding of memories as crimes and bids to locate personal memories within collective biographies Analysing

the techniques and interventions of the ECCC as well as exploring the role of non governmental organisations NGOs the book explores the relationships in which Cambodian communities navigate memories of political violence This book is essential for understanding transitional justice in Cambodia in and beyond the courtroom Transitional Justice and Memory in Cambodia shows that the governing logic of transitional justice interventions that societies are unable to deal with memories of atrocity and violence without some form of transitional justice mechanism neglects the complexity of memory and remembering in post atrocity contexts and the agency of the subjects to which such mechanisms are addressed Drawing on documentary sources legal transcripts interviews and participant observation data the book situates transitional justice processes in Cambodia within a wider context of social and cultural memory politics examining old and new conflicts of memory that have emerged between the varied accounts and uses of the past that exist in Cambodia now As such it will appeal to students and scholars in sociology human rights law and criminology

Democracy in East Asia Larry Diamond, 2013-02-15 Predicts that East Asia with its remarkable diversity of political regimes economies and religions would likely be the critical arena in the global struggle for democracy a prediction that has proven prescient This title offers a treatment of the political landscape in both Northeast and Southeast Asia

Hun Sen's Cambodia Sebastian Strangio, 2014-01-01 A fascinating analysis of the recent history of the beautiful but troubled Southeast Asian nation of Cambodia To many in the West the name Cambodia still conjures up indelible images of destruction and death the legacy of the brutal Khmer Rouge regime and the terror it inflicted in its attempt to create a communist utopia in the 1970s Sebastian Strangio a journalist based in the capital city of Phnom Penh now offers an eye opening appraisal of modern day Cambodia in the years following its emergence from bitter conflict and bloody upheaval In the early 1990s Cambodia became the focus of the UN s first great post Cold War nation building project with billions in international aid rolling in to support the fledgling democracy But since the UN supervised elections in 1993 the nation has slipped steadily backward into neo authoritarian rule under Prime Minister Hun Sen Behind a mirage of democracy ordinary people have few rights and corruption infuses virtually every facet of everyday life In this lively and compelling study the first of its kind Strangio explores the present state of Cambodian society under Hun Sen s leadership painting a vivid portrait of a nation struggling to reconcile the promise of peace and democracy with a violent and tumultuous past

Strategies of Authoritarian Survival and Dissensus in Southeast Asia Sokphea Young, 2021-07-01 This book analyses how authoritarian rulers of Southeast Asian countries maintain their durability in office and in this context explains why some movements of civil society organizations succeed while others fail to achieve their demands It discusses the relationship between the state society business in the political survival context As the first comparative analysis of strategies of regime survival across Southeast Asia this book also provides an in depth insight into the various opposition movements and the behaviour of antagonistic civic and political actors in the region

Conflict and Change in Cambodia Ben Kiernan, Caroline Hughes, 2020-10-28 In the thirty years after the Second World War Cambodia

witnessed the reassertion of colonial power the spread of nationalism the birth and growth of a communist party the achievement of independence the stifling reform during the decade of peace the rise of an armed domestic insurgency the encroachment of an international war massive bombardment and civilian casualties pogroms and ethnic cleansing of religious minorities From 1975 to 1979 genocide took another 1 7 million lives Then after liberation from the Khmer Rouge regime Cambodia survived a decade of foreign occupation international isolation and guerrilla terror and harassment UN intervention and democratic transition were followed by Cambodia s defeat of the Khmer Rouge in 1999 amid continuing internal tension and political confrontation Against this backdrop of more than thirty years of conflict in Cambodia Conflict and Change in Cambodia brings together primary documents and secondary analyses that offer fresh and informed insights into Cambodia s political and environmental history This book was previously published as a special issue of Critical Asian Studies

Practices of Reparations in International Criminal Justice Christoph Sperfeldt, 2022-07-07 Explores how reparations in international criminal justice have been constituted and contested in various social contexts

The Justice Facade Alexander Hinton, 2018-03-16 What is Justice Is it always just to come Can real experience be translated into law Examining Cambodia s troubled reconciliation Alexander Hinton suggests an approach to justice founded on global ideals of the rule of law democratization and a progressive trajectory towards liberty and freedom and which seeks to align the country with so called universal modes of thought is condemned to failure Instead Hinton advocates focusing on the individual lived experience and the discourses interstices and the combusive encounters connected with it as a radical alternative A phenomenology inspired approach towards healing national trauma Hinton s ground breaking text will make anybody with an interest in transitional justice development humanitarian intervention human rights or peacebuilding question the value of an established truth

Decentralization in Asia and Latin America Paul J. Smoke, Eduardo J. G mez, George E. Peterson, 2006-11-28 Public sector decentralization has emerged prominently in many Asian and Latin American countries as a strategy to promote development and political reform Results in both cases have been mixed Despite broad similarities in intent and outcome contextual differences between the regions have led to striking differences in the way decentralization has been structured and implemented This volume takes an atypically historical and interdisciplinary perspective on decentralization highlighting how fiscal and political forces together have been shaping its evolution in the two regions

The Handbook of Contemporary Cambodia Katherine Brickell, Simon Springer, 2016-09-13 Offering a comprehensive overview of the current situation in the country The Handbook of Contemporary Cambodia provides a broad coverage of social cultural political and economic development within both rural and urban contexts during the last decade A detailed introduction places Cambodia within its global and regional frame and the handbook is then divided into five thematic sections Political and Economic Tensions Rural Developments Urban Conflicts Social Processes Cultural Currents The first section looks at the major political implications and tensions that have occurred in Cambodia as well as the

changing parameters of its economic profile The handbook then highlights the major developments that are unfolding within the rural sphere before moving on to consider how cities in Cambodia and particularly Phnom Penh have become primary sites of change The fourth section covers the major processes that have shaped social understandings of the country and how Cambodians have come to understand themselves in relation to each other and the outside world Section five analyses the cultural dimensions of Cambodia s current experience and how identity comes into contact with and responds to other cultural themes Bringing together a team of leading scholars on Cambodia the handbook presents an understanding of how sociocultural and political economic processes in the country have evolved It is a cutting edge and interdisciplinary resource for scholars and students of Southeast Asian Studies as well as policymakers sociologists and political scientists with an interest in contemporary Cambodia

Revolution, Reform and Regionalism in Southeast Asia Ronald Bruce St John, 2006-01-16 Based on research carried out over the three decades this book compares the post war political economies of Cambodia Laos and Vietnam in the context of their individual and collective impact on contemporary efforts at regional integration The author highlights the different paths to reform taken by the three neighbours and the effect this has had on regional plans for economic development through the ASEAN and the Greater Mekong Subregion Through its comparative analysis of the reforms implemented by Cambodia Laos and Vietnam over the last thirty years the book draws attention to parallel themes of continuity and change The author discusses how the three states have demonstrated related characteristics whilst at the same time making different modifications in order to exploit the unique strengths of their individual cultures Contributing to the contemporary debate over the role of democratic reform in promoting economic development the book provides a detailed account of the political economies of three states at the heart of Southeast Asia

Violence and the Civilising Process in Cambodia Roderic Broadhurst, Thierry Bouhours, Brigitte Bouhours, 2015-11-13 In 1939 the German sociologist Norbert Elias published his groundbreaking work *The Civilizing Process* which has come to be regarded as one of the most influential works of sociology today In this insightful new study tracing the history of violence in Cambodia the authors evaluate the extent to which Elias s theories can be applied in a non Western context Drawing from historical and contemporary archival sources constabulary statistics victim surveys and newspaper reports Broadhurst Bouhours and Bouhours chart trends and forms of violence throughout Cambodia from the mid nineteenth century through to the present day Analysing periods of colonisation anti colonial wars interdependence civil war the revolutionary terror of the 1970s and post conflict development the authors assess whether violence has decreased and whether such a decline can be attributed to Elias s civilising process identifying a series of universal factors that have historically reduced violence

Southeast Asia and the Civil Society Gaze Gabi Waibel, Judith Ehlert, Hart N. Feuer, 2013-11-20 As developing countries with recent histories of isolation and extreme poverty followed by restoration and reform both Cambodia and Vietnam have seen new opportunities and demands for non state actors to engage in and manage the effects of rapid socio

economic transformation This book examines how in both countries civil society actors and the state manage their relationship to one another in an environment that is continuously shaped and re constructed by changing legislation collaboration and negotiation advocacy and protest and social control Further it explores the countries divergent experiences whilst also uncovering the underlying basis and drivers of civil society activity that are shared by Cambodia and Vietnam Crucially this book engages with the contested nature of civil society and how it is socially constructed through research and development activities by looking at contemporary discourses and manifestations of civil society in the two countries including national and community level organisations associations and networks that operate in a variety of sectors such as gender the environment and health Drawing on extensive fieldwork conducted in Cambodia and Vietnam this book will be of huge interest to students and scholars of Southeast Asian studies Southeast Asian politics development studies and civil society

Cambodia's Neoliberal Order Simon Springer,2010-07-02 Neoliberal economics have emerged in the post Cold War era as the predominant ideological tenet applied to the development of countries in the global south For much of the global south however the promise that markets will bring increased standards of living and emancipation from tyranny has been an empty one Instead neoliberalisation has increased the gap between rich and poor and unleashed a firestorm of social ills This book deals with the post conflict geographies of violence and neoliberalisation in Cambodia Applying a geographical analysis to contemporary Cambodian politics the author employs notions of neoliberalism public space and radical democracy as the most substantive components of its theoretical edifice He argues that the promotion of unfettered marketisation is the foremost causal factor in the country s inability to consolidate democracy following a United Nations sponsored transition The book demonstrates Cambodian perspectives on the role of public space in Cambodia s process of democratic development and explains the implications of violence and its relationship with neoliberalism Taking into account the transition from war to peace authoritarianism to democracy and command economy to a free market this book offers a critical appraisal of the political economy in Cambodia

Human Security in East Asia Sorpong Peou,2008-11-19 This book explores human security in East Asia focusing especially on the challenges of coordination and collaboration among actors involved in securing and promoting human security It includes detailed case studies of military interventions in East Asia including East Timor and also non military interventions including international criminal justice in Cambodia

Unwritten Rule Alice Beban,2021-04-15 In 2012 Cambodia an epicenter of violent land grabbing announced a bold new initiative to develop land redistribution efforts inside agribusiness concessions Alice Beban s *Unwritten Rule* focuses on this land reform to understand the larger nature of democracy in Cambodia Beban contends that the national land titling program the so called leopard skin land reform was first and foremost a political campaign orchestrated by the world s longest serving prime minister Hun Sen The reform aimed to secure the loyalty of rural voters produce modern farmers and wrest control over land distribution from local officials Through ambiguous legal directives and unwritten rules guiding the allocation of

land the government fostered uncertainty and fear within local communities Unwritten Rule gives pause both to celebratory claims that land reform will enable land tenure security and to critical claims that land reform will enmesh rural people more tightly in state bureaucracies and create a fiscally legible landscape Instead Beban argues that the extension of formal property rights strengthened the very patronage based politics that Western development agencies hope to subvert

Everyday Reconciliation in Post-Khmer Rouge Cambodia SungYong Lee, 2022-10-21 This book examines the nature of everyday peace mobilised in post conflict settings It specifically aims to examine the reconstruction of relationships between local communities and former Khmer Rouge leaders in Cambodia using social reconciliation as an indicator of peace Based on the empirical examination this study will reveal key features of everyday peace like plurality connectivity and subtlety and local communities agency for peacebuilding Research questions that will be examined include what does everyday peace look like What forms of everyday practice have community members developed and utilised How is the local process for relationship building related to the wider peacebuilding and governance contexts in the country And how have community members handled and destabilised the mainstream narratives related to the Khmer Rouge in the process The volume will present new conceptual and theoretical innovations relevant to the central debates on everyday peace with an empirical examination of Cambodia

Political Economy Of The Cambodian Transition Introduction

In today's digital age, the availability of Political Economy Of The Cambodian Transition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Economy Of The Cambodian Transition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Economy Of The Cambodian Transition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Economy Of The Cambodian Transition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Economy Of The Cambodian Transition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Economy Of The Cambodian Transition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Economy Of The Cambodian Transition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Economy Of The Cambodian Transition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Economy Of The Cambodian Transition books and manuals for download and embark on your journey of knowledge?

FAQs About Political Economy Of The Cambodian Transition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
