Summary of the League of Nations League of Nations, 1927 *The Pornography of Meat: New and Updated Edition*

Carol J. Adams, 2020-10-29 For 30 years since the publication of her landmark book *The Sexual Politics of Meat* Carol J Adams and her readers have continued to document and hold to account the degrading interplay of language about women domesticated animals and meat in advertising politics and media Serving as sequel and visual companion *The Pornography of Meat* charts the continued influence of this language and the fight against it This new edition includes more than 300 images most of them new and brings the book up to date to include expressions of misogyny in online media and advertising the MeToo movement and the impact of Donald Trump and white supremacy on our political language Never has this book or Adams's analysis been more relevant **The Programming Approach and the Demise of Economics** Franco

Archibugi, 2019-11-21 This trilogy deals with an epistemology of economics arguing for a radical overturning of conventional analysis and providing an alternative to political economy and social sciences based not on positivism but on a normative and

programming paradigm Volume III furthers and concludes work presented in Volume I and Volume II and introduces a concrete and practical example of how to build a Planning Accounting Framework PAF as associated with Frisch's plan frame explored in Volume II to demonstrate the extent to which decisions and negotiations can be routed in the social sciences The PAF is an instrument of the programming approach that can be used to verify the compatibility of decisions and their effects The author builds on Frisch's classical PAF to maximise the phenomenology of economic systems and assure a consistent and effective implementation of decision making

David's Politics Paul R. Abramson, 2016-11-21 David's Politics evaluates what we can learn about politics by studying David's life as presented in the Books of Samuel through the first two chapters of 1 Kings I begin by discussing the rules for kingship set forth in Deuteronomy and carry this through to the elders demand that the prophet Samuel appoint a king Despite his reluctance he appoints Saul who has many military successes But when he fails when he fails to annihilate the Amalekites God withdraws his grace and Saul falls into a state of depression which grows worse as the story progresses David is called to Saul's court as a musician I argue that he has three roles first as a servant to King Saul second as a rebel against Saul and third as king As a servant to Saul David establishes his credentials as a warrior and also becomes the king's son in law As a rebel against Saul David again takes actions that solidify his future support in Israel and Judah David has two opportunities to kill Saul but refuses to kill him He also cements his political support in Judah After becoming king David's military successes are the prime reason for his support He also administered justice which may have further bolstered his legitimacy Indeed David did what was right all the days of his life except in the matter of Uriah the Hittite 1 Kings 15:5 By committing adultery with Bathsheba Uriah's wife and by having Uriah murdered David brings grief upon himself and his family the rape of his only named daughter the murder of Amnon his first born son and the death in battle of Absalom who is probably David's oldest surviving son Throughout most of this account David displays remarkable political sagacity and more can be learned studying his life than that of any other king of Israel or Judah
