Political Shakespeare The Scholarly Literature

Stephen Orgel, Sean Keilen

Political Shakespeare The Scholarly Literature:

Political Shakespeare Stephen Orgel, Sean Keilen, 1999 Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks movies and television Indeed it is part of the continuing reinvention of Shakespeare The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally

Political Shakespeare Jonathan Dollimore, Alan Sinfield, 1994 The new wave of cultural materialists in Britain and new historicists in the United States here join forces to depose the sacred icon of the eternal bard and argue for a Shakespeare who meditates and exploits political cultural and ideological forces Ten years on this second edition presents additional essays by Jonathan Dollimore and Alan Sinfield

The English Modernist Novel as Political Theology Charles Andrews, 2024-01-11 A 2024 CHOICE OUTSTANDING ACADEMIC TITLE novels by Virginia Woolf D H Lawrence Evelyn Waugh and Sylvia Townsend Warner as political theology works that imagine a resistance to the fusion of Christianity and patriotism which fuelled and supported the First World War this book shows how we can gain valuable insights from their works for anti militarist anti statist and anti nationalist efforts today While none of the four novelists in this study were committed Christians during the 1920s Andrews explores how their fiction written in the wake of the First World War operates theologically when it challenges English civil religion the rituals of the nation that elevate the state to a form of divinity Bringing these novels into a dialogue with recent political theologies by theorists and theologians including Giorgio Agamben William Cavanaugh Simon Critchley Michel Foucault Stanley Hauerwas and Jürgen Moltmann this book shows the myriad ways that we can learn from the authors theopolitical imaginations Andrews demonstrates the many ways that these novelists issue a challenge to the problems with civil religion and the sacralized nation state and in so doing offer alternative visions to coordinate our inner lives with our public and collective actions

Encyclopedia of Contemporary Literary Theory Irene Rima Makaryk, 1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I

R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

Shakespeare and Early Modern Political Thought David Armitage,Conal Condren,Andrew Fitzmaurice,2009-09-10 This is the first collaborative volume to place Shakespeare s works within the landscape of early modern political thought Until recently literary scholars have not generally treated Shakespeare as a participant in the political thought of his time unlike his contemporaries Ben Jonson Edmund Spenser and Philip Sidney At the same time historians of political thought have rarely turned their attention to major works of poetry and drama A distinguished international and interdisciplinary team of contributors examines the full range of Shakespeare s writings in order to challenge conventional interpretations of plays central to the canon such as Hamlet open up novel perspectives on works rarely considered to be political such as the Sonnets and focus on those that have been largely neglected such as The Merry Wives of Windsor The result is a coherent and challenging portrait of Shakespeare s distinctive engagement with the characteristic questions of early modern political thought

Political Initiation in the Novels of Philip Roth Claudia Franziska Bruhwiler,2013-04-25 Political Initiation in the Novels of Philip Roth exemplifies how literature and specifically the work of Philip Roth can help readers understand the ways in which individuals develop their political identity learn to comprehend political ideas and define their role in society Combining political science literary theory and anthropology the book describes an individual s political coming of age as a political initiation story which is crafted as much by the individual himself as by the circumstances influencing him such as political events or the political attitude of the parents Philip Roth s characters constantly re write their own stories and experiment with their identities Accordingly Philip Roth s works enable the reader to explore for instance how individuals construct their identity against the backdrop of political transformations or contested territories and thereby become initiands or fail to do so Contrary to what one might expect initiations are not only defining moments in childhood and early adulthood instead Roth shows how initiation processes recur throughout an individual s life

The Routledge Companion

to Politics and Literature in English Matthew Stratton, 2023-05-31 The Routledge Companion to Politics and Literature in English provides an interdisciplinary overview of the vibrant connections between literature politics and the political. Featuring contributions from 44 scholars across a variety of disciplines, the collection is divided into five parts: Connecting Literature and Politics; Constituting the Polis; Periods and Histories; Media, Genre, and Techne; and Spaces. Organized around familiar concepts such as humans, animals, workers, empires, nations, and states rather than theoretical schools, it will help readers to understand the ways in which literature affects our understanding of who is capable of political action, who has been included in and excluded from politics, and how different spaces are imagined to be political. It also offers a series of engagements with key moments in literary and political history from 1066 to the present in order to assess and reassess the utility of conventional modes of periodization. The book extends current discussions in the area, looking at cutting-edge developments in the discipline of literary studies which will appeal to academics and researchers seeking to orient their own interventions within broader contexts.

Literary and political addresses James Russell Lowell, 1890 The Oxford Handbook of Shakespeare and Performance James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists. Each of these volumes is edited by one or more internationally distinguished Shakespeareans; together they comprehensively survey the entire field. Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike. And just as performances of the plays expand audiences' understanding of how Shakespeare speaks to them, so performance criticism is continually shifting the contours of the discipline. The 36 contributions in this volume represent the most current approaches to Shakespeare in performance. They are divided into four parts: Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity; Part II tackles the burgeoning field of reception, how and why audiences respond to performances as they do; Part III addresses the ways in which technology has revolutionized our access to Shakespeare, both through the mediums of film and sound recording and through digitalization; Part IV grapples with global Shakespeare, considering matters of cultural appropriation in productions played for international audiences. Together, these ground-breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today.

Writings: Literary and political addresses James Russell Lowell, 1890 **Literary Theory and Criticism: An Introduction** Anne H. Stevens, 2015-06-18 *Literary Theory and Criticism: An Introduction* provides an accessible overview of major figures and movements in literary theory and criticism from antiquity to the twenty-first century. It is designed for students at the undergraduate level or for others needing a broad synthesis of the long history of literary theory. An introductory chapter provides an overview of some of the major issues within literary theory and criticism; further chapters survey theory and criticism in antiquity, the Middle Ages, and Renaissance; the Enlightenment and the nineteenth century; the twentieth and twenty-first centuries; theory; the

discussion is subdivided into separate chapters on formalist historicist political and psychoanalytic approaches The final chapter applies a variety of theoretical concepts and approaches to two famous works of literature William Shakespeare's Hamlet and Mary Shelley's Frankenstein

British Political Thought in History, Literature and Theory, 1500-1800 David Armitage, 2006-11-23 The history of British political thought has been one of the most fertile fields of Anglo American historical writing in the last half century David Armitage brings together an interdisciplinary and international team of authors to consider the impact of this scholarship on the study of early modern British history English literature and political theory Leading historians survey the impact of the history of political thought on the new histories of Britain and Ireland eminent literary scholars offer novel critical methods attentive to literary form genre and language and distinguished political theorists treat the relationship of history and theory in studies of rights and privacy The outstanding examples of critical practice collected here will encourage the emergence of fresh research on the historical critical and theoretical study of the English speaking world in the period around 1500 1800 This volume celebrates the contribution of the Folger Institute to British studies over many years

Literary and political addresses. [Index to v. 1-6] James Russell Lowell, 1890

The Writings of James Russell Lowell ...: Literary and political addresses James Russell Lowell, 1890

The Works of James Russell Lowell: Literary and political addresses James Russell Lowell, 1890

Mobility, Spatiality, and Resistance in Literary and Political Discourse Christian Beck, 2021-11-11 Mobility Space and Resistance Transformative Spatiality in Literary and Political Discourse draws from various disciplines such as geography sociology political science gender studies and poststructuralist thought to posit the productive capabilities of literature in political action and at the same time show how literary art can resist the imposition and domination of oppressive systems of our spatial lives The various approaches topics and types of literature discussed in this volume display a concern for social issues that can be addressed in and through literature The essays address social injustice oppression discrimination and their spatial representations While offering interpretations of literature this collection seeks to show how literary spaces contribute to understanding changing or challenging physical spaces of our lived world

The Oxford Companion to Shakespeare Michael Dobson, Stanley Wells, Will Sharpe, Erin Sullivan (Cultural historian), 2015 This is a reference text on Shakespeare's works times life and afterlives It offers stimulating and authoritative coverage of every aspect of Shakespeare and his writings including their reinterpretation in the theatre in criticism and in film

The Historical and Political Turn in Literary Studies Winfried Fluck, 1995

Shakespeare's English and Roman History Plays Paul N. Siegel, 1986 Examines Shakespearean drama's Christian overtones explaining why they have been ignored for so long and how those overtones can influence one's interpretation of Shakespeare's work

The Routledge Companion to Shakespeare and Philosophy Craig Bourne, Emily Caddick Bourne, 2018-10-25 Iago's I am not what I am epitomises how Shakespeare's work is rich in philosophy from issues of deception and moral deviance to those concerning the complex nature of the self the notions of being and

identity and the possibility or impossibility of self knowledge and knowledge of others Shakespeare's plays and poems address subjects including ethics epistemology metaphysics philosophy of mind and social and political philosophy They also raise major philosophical questions about the nature of theatre literature tragedy representation and fiction The Routledge Companion to Shakespeare and Philosophy is the first major guide and reference source to Shakespeare and philosophy It examines the following important topics What roles can be played in an approach to Shakespeare by drawing on philosophical frameworks and the work of philosophers What can philosophical theories of meaning and communication show about the dynamics of Shakespearean interactions and vice versa How are notions such as political and social obligation justice equality love agency and the ethics of interpersonal relationships demonstrated in Shakespeare's works What do the plays and poems invite us to say about the nature of knowledge belief doubt deception and epistemic responsibility How can the ways in which Shakespeare's characters behave illuminate existential issues concerning meaning absurdity death and nothingness What might Shakespeare's characters and their actions show about the nature of the self the mind and the identity of individuals How can Shakespeare's works inform philosophical approaches to notions such as beauty humour horror and tragedy How do Shakespeare's works illuminate philosophical questions about the nature of fiction the attitudes and expectations involved in engagement with theatre and the role of acting and actors in creating representations The Routledge Companion to Shakespeare and Philosophy is essential reading for students and researchers in aesthetics philosophy of literature and philosophy of theatre as well as those exploring Shakespeare in disciplines such as literature and theatre and drama studies It is also relevant reading for those in areas of philosophy such as ethics epistemology and philosophy of language

Political Shakespeare The Scholarly Literature Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become much more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **Political Shakespeare The Scholarly Literature**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

Political Shakespeare The Scholarly Literature Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Shakespeare The Scholarly Literature has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Shakespeare The Scholarly Literature has opened up a world of possibilities. Downloading Political Shakespeare The Scholarly Literature provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Shakespeare The Scholarly Literature has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Shakespeare The Scholarly Literature. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Shakespeare The Scholarly Literature. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Shakespeare The Scholarly Literature, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Political Shakespeare The Scholarly Literature has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Shakespeare The Scholarly Literature Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Shakespeare The Scholarly Literature is one of the best book in our library for free trial. We provide copy of Political Shakespeare The Scholarly Literature in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Shakespeare The Scholarly Literature. Where to download Political Shakespeare The Scholarly Literature online for free? Are you looking for Political Shakespeare The Scholarly Literature PDF? This is definitely going to save you time and cash in something you should think about.
