**Routledge Handbook of Comparative Political Institutions** Jennifer Gandhi, Rubén Ruiz-Rufino, 2015-04-10 The Routledge Handbook of Comparative Political Institutions HCPI is designed to serve as a comprehensive reference guide to our accumulated knowledge and the cutting edge of scholarship about political institutions in the comparative context It differs from existing handbooks in that it focuses squarely on institutions but also discusses how they intersect with the study of mass behaviour and explain important outcomes drawing on the perspective of comparative politics The Handbook is organized into three sections The first section consisting of six chapters is organized around broad theoretical and empirical challenges affecting the study of institutions It highlights the major issues that emerge among scholars defining measuring and analyzing institutions The second section includes fifteen chapters each of which handles a different substantive institution of importance in comparative politics This section covers traditional topics such as electoral rules and federalism as well as less conventional but equally important areas including authoritarian institutions labor market institutions and the military Each chapter not only provides a summary of our current state of knowledge on the topic but also advances claims that emphasise the research frontier on the topic and that should encourage greater investigation The final section encompassing seven chapters examines the relationship between institutions and a variety of important outcomes such as political violence economic performance and voting behavior The idea is to consider what features of the political sociological and economic world we understand better because of the scholarly attention to institutions Featuring contributions from leading researchers in the field from the US UK Europe and elsewhere this Handbook will be of great

interest to all students and scholars of political institutions political behaviour and comparative politics Jennifer Gandhi is Associate Professor Department of Political Science Emory University Rub n Ruiz Rufino is Lecturer in International Politics Department of Political Economy King s College London

**The Oxford Handbook of the Merovingian World** Bonnie Effros, Isabel Moreira, 2020-05-01 The Merovingian era is one of the best studied yet least well known periods of European history From the fifth to the eighth centuries the inhabitants of Gaul what now comprises France southern Belgium Luxembourg Rhineland Germany and part of modern Switzerland a mix of Gallo Roman inhabitants and Germanic arrivals under the political control of the Merovingian dynasty sought to preserve use and reimagine the political cultural and religious power of ancient Rome while simultaneously forging the beginnings of what would become medieval European culture The forty six essays included in this volume highlight why the Merovingian era is at the heart of historical debates about what happened to Western Europe after the fall of the Roman Empire The essays demonstrate that the inhabitants of the Merovingian kingdoms in these centuries created a culture that was the product of these traditions and achieved a balance between the world they inherited and the imaginative solutions they bequeathed to Europe The Handbook highlights new perspectives and scientific approaches that shape our changing view of this extraordinary era by showing that Merovingian Gaul was situated at the crossroads of Europe connecting the Mediterranean and the British Isles with the Byzantine empire and it benefited from the global reach of the late Roman Empire It tells the story of the Merovingian world through archaeology bio archaeology architecture hagiographic literature history liturgy visionary literature and eschatology patristics numismatics and material culture

*Minor Majesties* Valérie Gillet, 2024 *Minor Majesties* studies the small ancient kingdom of Paluv r active between the ninth and the eleventh centuries C E in the modern South Indian state of Tamil Nadu Author Val rie Gillet extensively surveys four temples dedicated to the god iva that were built during this period combining in depth analyses of their materiality their location and their epigraphy Through these Gillet provides a better understanding of the complexities related to temple sponsorship organisation and functioning as well as how these religious monuments became a place for the fabrication of political discourses and powers specific social configurations and religious practices

**The Symbolic Language of Royal Authority in the Carolingian World (c.751-877)** Ildar H. Garipzanov, 2008 This book is not a conventional political narrative of Carolingian history shaped by narrative sources capitularies and charter material It is structured instead by numismatic diplomatic liturgical and iconographic sources and deals with political signs images and fixed formulas in them as interconnected elements in a symbolic language that was used in the indirect negotiation and maintenance of Carolingian authority Building on the comprehensive analysis of royal liturgy intitulation iconography and graphic signs and responding to recent interpretations of early medieval politics this book offers a fresh view of Carolingian political culture and of corresponding roles that royal imperial courts larger monasteries and human agents played there

The Northern Danelaw D.M. Hadley, 2001-01-01 Investigating the changing nature of lordship

and peasant statuses the transformation of estate structures the emergence of villages and the development of the parish system D M Hadley also explains the peculiarities of the northern Danelaw and reassesses the impact of the Scandinavian settlements on its society and culture A detailed local study is combined with a consideration of wider issues concerning Anglo Saxon England and long and short term changes unrelated to successive conquests

**Language, Politics, Elites and the Public Sphere** Veena Naregal, 2002 An intriguing look at a facet of colonialism that is rarely explored

*The Inheritance of Rome* Chris Wickham, 2009-01-29 The idea that with the decline of the Roman Empire Europe entered into some immense dark age has long been viewed as inadequate by many historians How could a world still so profoundly shaped by Rome and which encompassed such remarkable societies as the Byzantine Carolingian and Ottonian empires be anything other than central to the development of European history How could a world of so many peoples whether expanding moving or stable of Goths Franks Vandals Byzantines Arabs Anglo Saxons Vikings whose genetic and linguistic inheritors we all are not lie at the heart of how we understand ourselves The *Inheritance of Rome* is a work of remarkable scope and ambition Drawing on a wealth of new material it is a book which will transform its many readers ideas about the crucible in which Europe would in the end be created From the collapse of the Roman imperial system to the establishment of the new European dynastic states perhaps this book's most striking achievement is to make sense of an immensely long period of time experienced by many generations of Europeans and which while it certainly included catastrophic invasions and turbulence also contained long periods of continuity and achievement From Ireland to Constantinople from the Baltic to the Mediterranean this is a genuinely Europe wide history of a new kind with something surprising or arresting on every page

**State and Locality in Mughal India** Farhat Hasan, 2004-11-11 This book presents an exploratory study of the Mughal state and its negotiation with local power relations By studying the state from the perspective of the localities and not from that of the Mughal Court it shifts the focus from the imperial grid to the local arenas and more significantly from form to process As a result the book offers a new interpretation of the system of rule based on an appreciation of the local experience of imperial sovereignty and the inter connections between the state and the local power relations The book knits together the systems and action theoretic approaches to power and presents the Mughal state as a dynamic structure in constant change and conflict The study based on hitherto unexamined local evidence highlights the extent to which the interactions between state and society helped to shape the rule structure the normative system and the moral economy of the state

**Social Transformations in Archaeology** Kristian Kristiansen, Michael Rowlands, 2005-10-05 *Social Transformations in Archaeology* explores the relevance of archaeology to the study of long term change and to the understanding of our contemporary world The articles are divided into broader theoretical issues post colonial issues in a wide range of contexts archaeological examination of colonialism with case studies from the Mediterranean in the first millennium BC and historical Africa
