Powerful Prayer Points, Positive Confessions & Biblical Promises for All Students Sam O Salau,2004-09-30

Words are not cheap Words can kill Words can heal Words can start wars and end wars Words can make a man smile and they can make him weep Words can create and can destroy Words are powerful Jesus said words could move mountains if rightly used The Bible teaches that life and death are in your words So your words matter a lot Your confession matters God wants you to speak the right set of words so that He can change your life But if you have anything to say go ahead I want to hear it for I am anxious to see you justified Job 33 32 The devil is also carefully waiting to catch the wrong set of words in your mouth so that he can put you in bondage You are snared by the words of your lips you are caught by the speech of your out Prov 6 2 So you determine on whose side you fall by the kinds of words you speak This is why you need to always confess positive things into your life with your own mouth This book is a collection of powerful words and prayer points with scriptural references that can change situation if confessed often It will show you the power of prayers and positive confession **Prayer Powers** Noah Martin,AI,2025-02-27 Prayer Powers explores the profound influence of prayer across

Schuller,1982-09 **Prayers for Affirmation** Revd Elijah Turner,2024-12-05 Prayer has long been an essential part of many spiritual practices For centuries people have turned to prayer as a way to connect with a higher power seek guidance and express gratitude However one form of prayer that has grown increasingly popular in recent years is affirmative prayer This type of prayer is not about asking for something outside ourselves but rather about affirming our connection with the Divine and recognizing the abundance and blessings that are already present in our lives Affirmative prayer is about speaking words of truth and power over ourselves our circumstances and our relationships It is a prayer of affirmation which means that we state what we know to be true about ourselves and the world trusting that by affirming these truths we invite more of them into our experience It is based on the belief that words have power Words when spoken with intention and faith can create new realities heal wounds and transform our lives in profound ways In this eBook we will explore how prayer and affirmations can work together to create a life filled with peace abundance love and purpose Affirmations are more than just positive thinking they are a form of prayer that acknowledges the presence of divine power within and around us The chapters ahead will guide you through different areas of life where affirmative prayer can be used for transformation Whether you are seeking peace of mind healing for your body financial prosperity or harmonious relationships this eBook will provide you with prayers and affirmations that you can use every day to create the life you desire You will learn how to use the power of your words to affirm your worth to manifest your dreams and to align yourself with the Divine s infinite possibilities This collection of prayers for affirmation will not only offer you words to speak but will also guide you in understanding how these words can shape your reality By incorporating these prayers into your life you will experience a shift in your consciousness leading to greater joy fulfillment and empowerment Before diving into the specific areas where affirmations can be applied it is important to understand the concept of affirmative prayer itself Affirmative prayer is rooted in the idea that God or whatever higher power you believe in is always present and that the power of this presence is always available to you You do not need to beg for help or seek approval Instead you affirm that you are already a part of this divine energy and through your words you align yourself with this truth As you embark on this journey of prayer and affirmation remember that you are not alone The Divine is with you always ready to guide and support you The words you speak are powerful and when used with faith and conviction they can help you transform your life Let each prayer be a reminder of your strength your worth and the infinite possibilities that lie before you *The Power of Positive Thinking:*
