Stories of the World's Coldest Cities MD Sharr, 101-01-01 Stories of the World s Coldest Cities is a heartfelt tribute to the resilience and beauty of life in Earth s most extreme climates Through rich storytelling the book explores fifty cold remote cities from Siberia to Patagonia where people not only survive but thrive Each chapter brings these unique places to life detailing their culture history festivals cuisine and strong connection to nature More than a travel guide it s a celebration of human adaptability and spirit showcasing how communities build meaningful lives amid ice snow and isolation The book highlights not just geography but the people how they work celebrate and face challenges like economic isolation and environmental threats with creativity and determination Vivid portraits of places like Reykjavik Moose Factory and Stanley remind readers that these quiet corners of the world are full of wonder Ultimately the book invites curiosity inspiring readers to appreciate the world s diversity and dream of journeys to the extraordinary *More Everyday Parables* James Taylor, 2010-09 The Bible contains two kinds of parables those that have a clear meaning and those that are ambiguous In this his second book of modern parables author James Jim Taylor has chosen to write the latter kind Instead of explaining his parables he invites the reader to reflect on how his stories speak to them A master at finding God in ordinary life Jim offers these parables without explanation as an opportunity for the reader to draw closer to God And so he writes about horses and dogs and pears to remind us that God speaks to us through the world around us and in everything we do In this way More Everyday Parables re enacts Jesus own method of teaching For individual and group use each story is linked to a biblical passage and a musing by the author Features Introduction to the use of the parables Thought provoking one page stories reflections and biblical references Biblical reference index Black and white photographic illustrations *The Storytellers' Journey* Joseph Daniel Sobol, 1999 This is the seed of The Storytellers Journey Joseph Daniel Sobol s history of the past thirty years of American storytelling In this compelling examination of the contemporary search for myth Sobol explores the social

and psychological roots of the storytelling revival and the ever resurgent power of the storyteller Drawing on interviews with dozens of storytellers around the country Sobol paints the revival as part of a larger process of cultural revitalization He traces the growth of the preeminent revival organization the National Association for the Preservation and Perpetuation of Storytelling NAPPS and details the individual passions the organizational politics and the economic social and mythic forces that have combined to transform a ragtag assemblage of enthusiasts into a national and international network of arts professionals A seemingly chance encounter between a restlessly ambitious high school teacher and a coonhunting tale on the car radio sets off a chain of inspirations that changes the face of a small southern town touches lives across America and revitalizes a homely but treasured art form

Sacred Stories, Spiritual Tribes Nancy Tatom Ammerman, 2014 Nancy Tatom Ammerman examines the stories Americans tell of their everyday lives from dinner table to office and shopping mall to doctor's office about the things that matter most to them and the routines they take for granted and the times and places where the everyday and ordinary meet the spiritual In addition to interviews and observation Ammerman bases her findings on a photo elicitation exercise and oral diaries offering a window into the presence and absence of religion and spirituality in ordinary lives and in ordinary physical and social spaces The stories come from a diverse array of ninety five Americans both conservative and liberal Protestants African American Protestants Catholics Jews Mormons Wiccans and people who claim no religious or spiritual proclivities across a range that stretches from committed religious believers to the spiritually neutral Ammerman surveys how these people talk about what spirituality is how they seek and find experiences they deem spiritual and whether and how religious traditions and institutions are part of their spiritual lives

Chasing We-ness William Marsiglio, 2023-02-27 As humans we embrace our individuality yet we chase the comfort and sense of purpose that comes from being part of a group Especially timely given our polarized world Chasing We-ness examines how social media AI new leadership styles and other modern developments affect our state of we-ness It illuminates how our contemporary identities find expression in both progressive and conservative social movements that foster a sense of we-ness Embracing the reality that we're all in this together the book interrogates our efforts to achieve a state of we-ness that rejects hate social injustice and autocratic agendas in the twenty first century This book explores why how and with what effect we build we-ness into our lives in both healthy and destructive ways William Marsiglio draws on his expertise as a leading sociologist to explore the motivational forces that inspire a sense of group belonging in intimate groups civic organizations thought communities sports and leisure activities and work Promoting initiatives that cultivate mindfulness empathy altruism and leadership Chasing We-ness proposes essential life skills to empower us reduce social divisions strengthen the social fabric and uplift our spirits as global citizens

are seriously ill **The Source of Life and Other Stories** Beth Bosworth,2012-09-24 Post divorce dating is one more cause for celebration or a quick call in to the police in Beth Bosworth's revelatory new book *The Source of Life and Other Stories*. The spine of this collection is a series of linked stories about Ruth Stein, a Brooklyn author whose first book has exposed her father's abuses while the voice here speaking across a lifetime ranges from bittersweet to humorous to lethal. In other stories, Bosworth's narrators, a mother left to care for her son's suicidal dog, an editor haunted by a dog-eared manuscript, seem to grab hold of the reins and run off with their fates. Meanwhile, Bosworth explores the extended family, the bonds of friendship, an apocalyptic Vermont, the rank yet redeemable Gowanus Canal, also rites of passage, race relations, divorce, middle-aged romance, dementia, funerals, alcoholism, and the Jewish religion. Reality is just another stumbling block for Bosworth's characters who might help themselves but don't always choose to. There are leaps of faith here nonetheless, as the collection dispenses a kind of narrative psychotropic for survival and redemption with a chaser of humor mixed in. **Roots and Reflections** Amy Bhatt, Nalini Iyer,2013-05-15 Immigrants from South Asia first began settling in Washington and Oregon in the nineteenth century but because of restrictions placed on Asian immigration to the United States in the early twentieth century, the vast majority have come to the region since World War II. *Roots and Reflections* uses oral history to show how South Asian immigrant experiences were shaped by the region and how they differed over time and across generations. It includes the stories of immigrants from India, Pakistan, Bangladesh, and Sri Lanka who arrived from the end of World War II through the 1980s. Bevard,2010-03 Readers who are themselves authors have said of Sam Bevard's previous books *Beginning Again* is a fine first collection of stories from a passionate countryman gathered as he roamed the countryside embraced by the family farm in his beloved northeastern Kentucky. Ron Ellis, author of *Cogan's Woods*, editor of *Of Woods and Waters*. The greatest compliment I can pay a writer of fiction is that the fiction reads true, real people in a real world, and Sam Bevard is that writer. In *Through the Back Gate*, Garry Barker, author of *Kentucky Waltz*, winner of 2007 Kentucky Literary Award for Fiction, Publisher of *Flemingsburg Gazette*. In this third collection of stories ranging from humorous to tragic to the supernatural, Sam Bevard presents an assortment of characters, old and new, including Colonel Dale in his last and greatest conflict, intrepid WW II veteran Eli Mattson determined to live on his own terms, and Peck Rackham who in a dog finds the inspiration to reclaim a lost part of his life. **Anxiety: The Missing Stage of Grief** Claire Bidwell Smith,2018-09-25 With this groundbreaking book, discover the critical connections between anxiety and grief and learn practical strategies for healing based on the Kbler-Ross stages model. If you're suffering from anxiety but not sure why, or if you're struggling with loss and looking for solace, *Anxiety: The Missing Stage of Grief* offers help and answers. As grief expert Claire Bidwell Smith discovered in her own life and in her practice with her therapy clients, significant loss and unresolved grief are primary underpinnings of anxiety.

Using research and real life stories Smith breaks down the physiology of anxiety providing a concrete explanation that will help you heal Starting with the basics questions What is anxiety and What is grief and moving to concrete approaches such as making amends taking charge and retraining your brain Anxiety takes a big step beyond Elisabeth K bler Ross s widely accepted five stages to unpack everything from our age old fears about mortality to the bare vulnerability a loss can make us feel With concrete tools and coping strategies for panic attacks getting a handle on anxious thoughts and more Smith bridges these two emotions in a way that is deeply empathetic and profoundly practical

A Postmodern Theology of Ritual Action Jonathan L. Best, 2019-02-26 A Postmodern Theology of Ritual Action is a unique work that seeks to explore where we find meaning within ritual and actions within the church Bridging hermeneutics philosophy and postmodern thought this work seeks to explore how to do theology with the community through conversation Beginning with the mindset that meaning is already present within ritual action rather than outside it Best engages the practice of foot washing among the Original Free Will Baptist denomination of eastern North Carolina Foot washing suggests a new future for theology a future that models love service and acceptance Incorporating insights gained from conversing with philosophy theology and the Original Free Will Baptists foot washing points toward a future relational practical theology A Postmodern Theology of Ritual Action is a captivating work that draws from both philosophers and theologians to show that we can learn much by listening to the voices of religious practitioners

Proclaiming the Parables Thomas G. Long, 2024-03-12 In Proclaiming the Parables noted preacher and scholar Thomas G Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways

Christian Theology in a Pluralistic Age David H. Jensen, 2024-12-16 How does today s context of radical pluralism affect Christian theology Can Christian theologians be claimed by more than one religious tradition What makes constructive interreligious dialogue possible The authors of this volume explore the challenges and opportunities of religious diversity and religious non affiliation for Christian faith By

exploring the ways in which engagement of other traditions changes them these theologians offer hopeful reflections for the church's dialogical future
