Pottery for Everyone Dora May Billington, 1974 **Daniel and the Twelve Prophets for Everyone** John Goldingay, 2016-06-03 In the Old Testament for Everyone series Old Testament scholar John Goldingay addresses Scripture from Genesis to Malachi in such a way that even the most challenging passages are explained simply and concisely The series is perfect for daily devotions group study or personal visits with the Bible In this final volume of the series Goldingay covers Daniel and the Minor Prophets the final twelve prophetic books of the Old Testament Daniel is an apocalyptic book full of ideas about God's plan for the end of the earth and humanity The twelve Prophets Hosea through Malachi were shorter prophetic works that could be kept on a single scroll and address the period of massive change in the eastern Mediterranean in the 8th century BCE **Catalogue** Bernard Quaritch (Firm), 1893 *A Killer Collection* Ellery Adams, 2015-01-23 The first book in the terrific Antiques Collectibles series by New York Times bestselling author Ellery Adams In the world of antiques and collectibles it helps to have a sharp eye for quality a good ear for gossip and a nose for murder Molly Appleby is a young writer for Collector's Weekly and when the attractive reporter isn't covering auctions and antique shows all over the South she's trying to get her new relationship with a coworker off the ground When her latest assignment takes her to North Carolina pottery country to cover an exclusive kiln opening she's certain the show promises surprising offerings and rare finds What she doesn't expect to find is a dead body George Bradley Staunton is known throughout the antiques world as a very wealthy and very ruthless collector and when he drops dead just after the opening there are all too few mourners and a seemingly endless list of suspects When the local police are stumped Molly steps in to put her journalist's nose to work sniffing out the culprit But no sooner does she start collecting clues than another dead body falls into her lap As Molly digs beneath the genteel surface of antiques and collectibles she finds a world filled with backstabbing and competition and what started as a story about rare collections might leave Molly with nothing more than a collection of corpses A very likable amateur sleuth I'll be happy to follow Molly on her future investigations The Romance Readers Connection This is a fully revised edition of a book originally published under the name J B Stanley New Country Life, 1926 Journal of the Royal Society of Arts Royal Society of Arts (Great Britain), 1908 **Pottery for Everyone, for Hobbyists and Students** Madge E.
