Prague Tales

F. W. van Heerikhuizen

Prague Tales:

Prague Tales Jan Neruda, 1996 This is a collection of Jan Neruda's intimate wry bittersweet stories of life among the inhabitants of the Little Quarter of nineteenth century Prague These finely tuned and varied vignettes established Neruda as the quintessential Czech nineteenth century realist the Charles Dickens of a Prague becoming ever more aware of itself as a Czech rather than an Austrian city Prague Tales is a classic by a writer whose influence has been acknowledged by generations of Czech writers including Ivan Klíma who contributes an introduction to this new translation **Prague Tales** Jan Neruda, 1993 *Catalogue of English Prose Fiction* New York (N.Y.). Mercantile Library Association, Mercantile Library Association of the City of New-York, 1876 **Prague Tales** John a'Beckett, 2007-05 **The Coasts of Bohemia** Derek Sayer, 2000-03-19 A cultural history of the Czech people examining the significance of the small central European nation's artistic literary and political developments from its origins through approximately 1960 *Folktales and Fairy Tales* Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource Traditional Slovak Folktales David L. Cooper, 2016-09-16 This delightful collection makes the rich but little known Slovak folk culture available for English language readers Most of the fifty tales assembled here from the collections of folklorist Pavol Dobsinsky are translated into English for the first time The poetic qualities of the originals have been carefully preserved The general reader will enjoy these tales immensely and students will find an insightful introduction to the genres of the folktale and the specifics of Slovak tales For expert readers all of the tales have been classified according to the Aarne Thompson index and many include short commentaries that draw on the work of Viera Gasparikova **The Bohemian Body** Alfred Thomas, 2007-06-01 The Bohemian Body examines the modernist forces within nineteenth and twentieth century Europe that

helped shape both Czech nationalism and artistic interaction among ethnic and social groups Czechs and Germans men and women gays and straights By re examining the work of key Czech male and female writers and poets from the National Revival to the Velvet Revolution Alfred Thomas exposes the tendency of Czech literary criticism to separate the political and the personal in modern Czech culture He points instead to the complex interplay of the political and the personal across ethnic cultural and intellectual lines and within the works of such individual writers as Karel Hynek M cha Bozena Nemcov and Rainer Maria Rilke resulting in the emergence and evolution of a protean modern identity The product is a seemingly paradoxical yet nuanced understanding of Czech culture including literature opera and film long overlooked or misunderstood by Western scholars **Handbook of Diachronic Narratology** Peter Hühn,John Pier,Wolf

Schmid,2023-07-24 This handbook brings together 42 contributions by leading narratologists devoted to the study of narrative devices in European literatures from antiquity to the present Each entry examines the use of a specific narrative device in one or two national literatures across the ages whether in successive or distant periods of time Through the analysis of representative texts in a range of European languages the authors compellingly trace the continuities and evolution of storytelling devices as well as their culture specific manifestations In response to Monika Fludernik s 2003 call for a diachronization of narratology this new handbook complements existing synchronic approaches that tend to be ahistorical in their outlook and departs from postclassical narratologies that often prioritize thematic and ideological concerns A new direction in narrative theory diachronic narratology explores previously overlooked questions from the evolution of free indirect speech from the Middle Ages to the present to how changes in narrative sequence encoded the shift from a sacred to a secular worldview in early modern Romance literatures An invaluable new resource for literary theorists historians comparatists discourse analysts and linguists *Prague Tales from the Little Quarter* Jan Neruda,2018 **The Oxford Guide to Literature in English Translation** Peter France,2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available

The Jewish Story Finder Sharon Barcan Elswit,2012-08-10 Storytelling as oral tradition and in writing has long played a central role in Jewish society Family educators and clergy employ stories to transmit Jewish culture traditions and values This comprehensive bibliography identifies 668 Jewish folktales by title and subject summarizing plot lines for easy access to the right story for any occasion Some centuries old and others freshly imagined the tales include animal fables supernatural yarns and anecdotes for festivals and holidays Themes include justice community cause and effect and mitzvahs or good

deeds This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey Morocco Libya Tunisia and Chile Subject cross references and a glossary complete the volume a living tool for understanding the ever evolving world of Jewish folklore **Legends, Myths, and Folktales** Encyclopaedia Britannica, Inc.,2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series hear about the exciting magical tales that have entertained us for centuries taught us right from wrong and explained the mysteries of the world **The Czechoslovak Review** ,1923 **The Czechoslovak Review** Jaroslav F. Smetanka,E. F. Prantner,1923 *European Coasts of Bohemia* Jiri Janac,2013-08-01 The Danube Oder Elbe Canal promised to create an integrated waterway system across Europe linking Black Sea ports to Atlantic markets and giving landlocked Czech nation its own connections to the ocean The fascinating history of this never completed project European Coasts of Bohemia tells the story of the experts who confronted and contributed to different and often conflicting geopolitical visions of Europe J ra Jan c shows how the canal backers adapted themselves to various political developments such as the break up of the Austrian Hungarian Empire and the integration into the Soviet Bloc while still managing to keep the canal project alive **Talks with T.G. Masaryk** Tomáš Garrigue Masaryk,Karel Čapek,1995 Translated by Dora Round Tomas Garrigue Masaryk 1850 1937 was a philosophy professor who became the founder and first president of Czechoslovakia 1918 1935 and was a leading figure in world affairs between the wars Capek author of War with the Newts and Czechoslovakia's most prominent writer during these years interviewed Masaryk at great length and produced this volume that tells Masaryk's unique story Rainer Maria Rilke F. W. van Heerikhuizen,2020-01-30 Originally published in English in 1951 this biography of one of Germany's foremost mystical poets dis proves many of the myths surrounding Rainer Maria Rilke and examines his life and work from social historical and psychological perspectives while all the time referencing Rilke's works to his complex personality The legacy of his work on younger generations is also examined All German prose quotations have been translated into English for this edition existing translations used for the German poetry A German reading book, with notes, selected by E. Oswald Eugen Oswald,1857 **Rainer Maria Rilke** E. M. Butler,2013-10-10 This book first published in 1946 profiles the influential poet Rainer Maria Rilke seeing in him and his works a counteracting force to that of the destructive war in Europe The biography addresses Rilke's life and the influences on his poetry especially his time spent in Paris and his traumatizing military service in WWI

Whispering the Secrets of Language: An Emotional Journey through **Prague Tales**

In a digitally-driven world wherever monitors reign great and instant communication drowns out the subtleties of language, the profound techniques and emotional nuances hidden within phrases often move unheard. However, set within the pages of **Prague Tales** a charming fictional value blinking with fresh emotions, lies an exceptional journey waiting to be undertaken. Composed by a talented wordsmith, that enchanting opus attracts readers on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the cloth of every word. Within the emotional depths with this emotional review, we shall embark upon a honest exploration of the book is key themes, dissect its fascinating writing design, and succumb to the powerful resonance it evokes strong within the recesses of readers hearts.
