Introducing Christian Doctrine Millard J. Erickson, 2001-04 An enhanced version of a classic undergraduate text **As It Is in Heaven** Greg Laurie, 2014-01-01 Our lives here are so often cluttered with the cares of this world that we fail to consider heavenly priorities and how they should be reflected in our earthly ones At the beginning of Jesus most famous prayer He teaches us to pray that God's will be done on earth as it is in heaven What heaven is up to is critical for us to understand if we're going to live biblically Pastor Greg Laurie explains that heaven is anything but a long boring church service People in heaven know about the time and place of ongoing events on earth They are rational and recall everything from their earthly days but most importantly for us they have a unique perspective from which we can learn a great deal In this rich and relevant study Greg sheds scriptural light on the sensational books and stories about people going to heaven and coming back answers the nagging questions we are all dying to ask and guides us to focus right now on what really matters **Protected by Angels** Don Dickerman, 1977-01-01 Angels Secret Agents Spiritual Messengers This is a fascinating account of the ever present ministry of angels Who are they and where do they come from What do they do Are they always kind and helpful Are they messengers of God's judgment Don Dickerman explains the truth or fiction behind common myths the ministry angels provide to men their relationship to the Holy Spirit their methods and motives the various types of angels and his family's own personal encounters with angels **Beyond** Catherine Wolff, 2022-05-24 Beautifully written expertly researched and masterfully presented this tour of how heaven has been understood throughout history is absolutely fascinating James Martin SJ author of *Jesus A Pilgrimage* A smart and thought provoking cultural history of heaven What do we think of when we think about heaven What might it look like Who or what might be there Since humans began to huddle together for protection thousands of years ago these questions have been part of how civilizations and cultures define heaven the good place beyond this one From Christianity to Islam to Hinduism and beyond from the brush of Michelangelo to the pen of Dante people

Angels A to Z Evelyn Dorothy Oliver,James R Lewis,2008-05-01 A thorough comprehensive guide to the world of angels Angels whose principal employment is the protection and encouragement of human beings are more popular than ever In this age of uncertainty it is easy to understand why the concept of angels is so comforting While much has been written about angels throughout history no single source examines them as thoroughly or as thoughtfully as Angels A to Z Written by an angel expert and a recognized authority on nontraditional religious movements this enlightening resource is one of the most comprehensive books on angels and angel related topics currently available More than 300 entries drawn from multiple religions such as Christianity Islam and Hindu traditions as well as from pop culture are included Celebrity angels obscure angels still waiting for their big break classifications of angels guardian angels fallen angels biblical figures associated with angels angels in art and architecture and angels in the media and literature how ancient contemporary and pop cultures represent angels in their mythology folklore architecture art literature religion and so much more Angels A to Z explores a wide assortment of topics including Gabriel Michael Lucifer and other biblical angels Angels in various religions Christianity Islam Hinduism Different classifications of angels such as the Valkyries from Norse mythology and Hafaza from Islamic tradition Fallen angels guardian angels obscure angels and angels across religious traditions Authors who write about angels including Frank Peretti Joan Wester Anderson Eileen Freeman Terry Lynn Taylor and others Artists who depict angels such as Michelangelo Raphael Glenda Green and Karyn Martin Karl Beloved fictional characters like Clarence from the film It s a Wonderful Life If you want to know more about the rich and important history of these spiritual beings Angels A to Z is the answer to your prayers With more than 130 photos and illustrations this riveting read is richly illustrated and its helpful bibliography and extensive index add to its usefulness *When I Look Up* Ron Gallo,2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you

are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with Gods standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom

With These Words Richard S. Hipps,2021-03-10 In this book I am simply offering my best guesses at understanding life with God that make sense to me Take what helps you and forget what doesn t My aim is not to provoke arguments but to get you to think more deeply about your own faith journey The chapters in this book are snapshots of my basic beliefs and you will find one belief in particular that runs throughout the book a good God is telling a good story that will have a good ending

The Witness Protection Program for the Church Edward Ray Sutton,2007-09 Have you ever wondered why you were saved What it really means to be a witness for the Lord What are the benefits in serving the Lord more than just going to heaven when you die Did you know that there is more designed for you than just going to heaven and missing hell Did you know that God has a plan for your life and you can know it without wasting a lot of time and years doing your own thing Have you ever thought what it really means to be a Christian If your answer to the above questions are yes then this is the book for you it will help you understand the plan and will of God for your life And it will bring some clarity as to why you are here This book is designed to bring some common sense reality to the gospel of Jesus Christ It is loaded with informative teaching and has a sense of humor that will cause you to want more Edward Ray Sutton accepted Jesus as Lord and Savior in 1971 God instantly delivered him from a life of alcohol addiction at the age of 20 After seeking the Lord as to where he wanted him to go to church he joined the local assembly of the Disciples of Christ in Goldsboro N C Later after a period of time he was appointed a deacon and after being faithful in that office he was later called by God to preach the word of the Lord In 1984 he was instructed by God to leave and join a full gospel church that God was raising up In this church he served as children s and youth pastor for several years during which he established a successful puppet ministry Some of the children as adults are in children ministry in other places in the country He served as associate pastor for several years before leaving to follow the call of God and to go forward with his own ministry He has been married to his wife Diana for 36 years and is the father of four children They reside in Dudley N C Divinity Paul Mukendi,2016-11-17 No book has ever attempted to deal with the subject of divinity in its entirety Here at long last is a comprehensive book dealing with divine beings in its complexity It

provides the reader with accurate and insightful knowledge concerning the concept of divinity The author gives a clear explanation of the Triune nature of God God is one being manifest and existing in three distinct identities or persons which is further discussed as being comparable with the makeup of a human being God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind The divine nature of God resides in all spirits Therefore men have Gods nature in their spirits they can communicate with and receive the things of the spiritual realm Through sin humanity has lost the nature of God for all have sinned and fall short of the glory of God The purpose of the Bible is to spiritualize humankind because we have fallen short of the glory of God The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ
