Quarterbacks, Nickelbacks & Other Loose Change Kevin Lamb,1984 America's Game Michael MacCambridge,2008-11-26 It s difficult to imagine today when the Super Bowl has virtually become a national holiday and the National Football League is the country s dominant sports entity but pro football was once a ramshackle afterthought on the margins of the American sports landscape In the span of a single generation in postwar America the game charted an extraordinary rise in popularity becoming a smartly managed keenly marketed sports entertainment colossus whose action is ideally suited to television and whose sensibilities perfectly fit the modern age America s Game traces pro football s grand transformation from the World War II years when the NFL was fighting for its very existence to the turbulent 1980s and 1990s when labor disputes and off field scandals shook the game to its core and up to the sport s present day preeminence A thoroughly entertaining account of the entire universe of professional football from locker room to boardroom from playing field to press box this is an essential book for any fan of America s favorite sport **A History of NFL Preseason and Exhibition Games** Mark L. Ford,2014-09-24 For fans of professional football who thought they had read everything about the history of the game Mark L Ford breaks new ground with this account of the NFL preseason Described as test labs by Ford the preseason games are a time for trying out new strategies considering future rule changes and implementing television coverage innovations For thousands of players who vie for a spot in the league every summer the preseason is also the defining moment where careers can be made or broken A History of NFL Preseason and Exhibition Games 1960 to 1985 is one of two books by Ford on professional football s preseason Along with its companion volume which covers 1986 to 2013 this resource provides information on every NFL and AFL preseason game played since the AFL was launched in 1960 All the interesting events and people that were part of these summer battles are detailed as well as the first outings for new teams new rules and new stars In addition Ford includes amusing anecdotes and mishaps such as a 1972 game that was lost because the players wore the wrong shoes Throughout the book Ford recounts key off season developments that would transform professional football from a modest enterprise into a global monopoly with annual revenues and assets worth billions A History of NFL Preseason and Exhibition Games is a unique and important reference for pro football fans and cultural historians alike **Britannica Book of the Year** ,2001 **Britannica Book of the Year 2008** Encyclopaedia Britannica, Inc.,2008-05-01 This yearbook presents information on the dates people events and world affairs of 2007 The section entitled Britannica World Data updated annually presents geographic demographic and economic details American Book Publishing Record ,1984 Britannica Book of the Year, 2001 Charles P.
