Quebec Et La Confederation Un Choix Libre Le Clerge Et La Consitution De 1867:

Ballots and Brawls Patrice Dutil, 2025-02-14 In September 1867 a few short months after the formation of the Dominion of Canada voters went to the polls for the inaugural election to affirm that the new government was answerable to the people. The outcome was chaotic sometimes violent and left no doubt that the new democracy was going to be a noisy one. In *Ballots and Brawls* the first book dedicated solely to the 1867 election Patrice Dutil offers readers a region by region look at the summer of that year concluding with a close examination of the election results. Citizens battled over issues of economic progress taxation and defence while fights at the local level pitted English against French Protestants against Catholics and regionalists against nationalists. Dutil's account captures the drama and outright violence at the polls and provides an engrossing introduction to the shared ideals disparate interests and big personalities involved. Drawing together archival research newspaper accounts and a thorough review of the results at the polls Dutil delivers an engaging and detailed look at the election that started the country.

Québec Alain Gagnon, 1998 This selective annotated bibliography details and evaluates over 1000 sources. All aspects of the country's history geography politics way of life people and culture are covered. Attention is paid to works which examine Quebec's particular situation within Canada and North America.
