Queen City Jazz:

Queen City Jazz Kathleen Ann Goonan, 2003-05-30 Queen City Jazz A dizzying novel that takes full advantage of the creative potential of nanotech The New York Times In Verity's world nanotech plagues decimated the population after an initial renaissance of utopian nanotech cities Growing up on an isolated farm she finds her happy life changing course when Blaze the only young man in the community and Verity's best friend is shot With Blaze's body wrapped in a nanotech cocoon Verity sets off on a quest to the Enlivened City of Cincinnati It is a place of legend where huge bio-engineered bees carry information through the streets and enormous nanotech flowers burst from the tops of strange buildings It is the place where Blaze might be brought back from the brink of death But Cincinnati is a city of dreams turned into nightmares endlessly reliving the fantasies of its creator a city that Verity must rule or die
