Benson,2014-05-07 An excerpt of a review from The Weekly Review Volume 3 Dec 1920 MR BENSON must have had a good time writing Queen Lucia The title gives but little clue to the contents Queen Lucia was really Mrs Lucas whose reign over the social life of a small English village and more especially over its pursuit of culture accounted for the first part of her nickname while her profound delusion that she could speak Italian explains Lucia I do not remember reading so comprehensive a satire upon people who go in for period furniture to the limit of discomfort for publishing their own poetry on private presses in inconvenient and limp booklets for patronizing music and musicians for conversing at home in foreign tongues of which they know next to nothing for taking up Guruism and New Thought and Russian spiritualistic mediums The book is a great treat from beginning to end not the least of its fun is the picture of the friendly snooping and the part friendly gossip about each others affairs indulged in by the folk of a little town **Book Review Index - 2009 Cumulation** Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Queen Lucia (Classic Reprint)** E. F. Benson,2017-10-18 Excerpt from Queen Lucia Though the sun was hot on this July morning Mrs Lucas preferred to cover the half mile that lay between the station and her house on her own brisk feet and sent on her maid and her luggage in the y that her husband had ordered to meet her After those four hours in the train a short walk would be pleasant but though she veiled it from her conscious mind another motive sub consciously engineered prompted her action It would of course be universally known to all her friends 1n Riseholme that she was arriving today by the 12 26 and at that hour the village street would be sure to be full of them They would see the y with luggage draw up at the door of The Hurst and nobody except her maid would get out About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Quill & Quire** ,1988 **Queen Lucia** E.F.
