The Politics of Harmony Laurel L. Rose, 1992-01-31 Laurel Rose analyzes how traditional ruling elites in

Swaziland as in other parts of Africa use harmony ideologies to downplay and resolve land disputes Such disputes could be used by foreign development agents or indigenous new elites as justification for implementing land tenure changes including a reduction of traditional elites power based upon land control Swazi commoners accept the cultural value and legitimacy of most harmony ideologies but they adopt various strategies when disputing about particular land rights in order to produce more favorable outcomes This book is unusual in its focus on political rather than economic dimensions of land tenure and disputes It searches for links between individual concerns with land use rights and national concerns with land policy It also examines gender and leadership issues associated with land showing how women and new elites threaten land interests of men and traditional leaders

Royal Marriages Susanna de Vries, 2018-10-01 Meghan Markle Duchess of Sussex made history when she married Prince Harry in a genuine love match as the first divorced bi racial American woman to be welcomed into the British royal family But for centuries it was accepted that princes married virginal aristocrats for dynastic reasons and often the large dowries of their brides and few arranged royal marriages were happy Most kings and princes took mistresses or in the case of Edward II and James I male lovers Royal wives were used as baby factories and if found to be unfaithful could be beheaded or have the lover murdered Prince George of Wales later George IV married for money but found his bride Princess Caroline of Brunswick physically repulsive and his marriage became the first War of the Wales This fascinating book is now able to tell the full story of the second War of the Wales the tragic mismatch of Prince Charles and Princess Diana which ended in Camillagate and divorce Now decades later the Queen has relaxed the ancient rules allowing Prince Charles to marry his mistress and the Queen s grandsons William and Harry to marry for love in a significant change in royal history

Pablo Picasso Liz Gogerly, 2004 Introduces the life and work of artist Pablo Picasso who founded the movement known as Cubism

Wolfgang Amadeus Mozart Stewart Ross, 2004 Introduces the life and work of composer Wolfgang Amadeus Mozart whose works include The Marriage of Figaro The Jupiter Symphony and The Magic Flute

Builders of Our Nation, 1915 *Mae Mallory, the Monroe Defense Committee, and World Revolutions* Paula Marie Seniors, 2024-04-01 This book explores the significant contributions of African American women radical activists from 1955 to 1995 It examines the 1961 case of African American working class self defense advocate Mae Mallory who traveled from New York to Monroe North Carolina to provide support and weapons to the Negroes with Guns Movement Accused of kidnapping a Ku Klux Klan couple she spent thirteen months in a Cleveland jail facing extradition African American women radical activists Ethel Azalea Johnson of Negroes with Guns Audrey Proctor Seniors of the banned New Orleans NAACP the Trotskyist Workers World Party Ruthie Stone and Clarence Henry Seniors of Workers World founded the Monroe Defense Committee to support Mallory Mae s daughter Pat aged sixteen also participated and they all bonded as family When the case ended they joined the Tanzanian Grenadian and Nicaraguan World Revolutions Using her unique vantage point as Audrey Proctor Seniors s daughter Paula Marie Seniors blends personal accounts with theoretical frameworks of organic

intellectual community feminism and several other theoretical frameworks in analyzing African American radical women's activism in this era. Essential biographical and character narratives are combined with an analysis of the social and political movements of the era and their historical significance. Seniors examines the link between Mallory Johnson and Proctor Seniors's radical activism and their connections to national and international leftist human rights movements and organizations. She asks the underlying question: Why did these women choose radical activism and align themselves with revolutionary governments linking Black human rights to world revolutions. Seniors's historical and personal account of the era aims to recover Black women radical activists' place in history. Her innovative research and compelling storytelling broaden our knowledge of these activists and their political movements. **William Shakespeare** Stewart Ross, 2004

Discusses the life and times of the famous English playwright William Shakespeare. **Drugs** John Baselmans, 2016-12-06. When we think of drugs we immediately think of the old guard drugs like cocaine, heroin, and hemp. Other than that, there are for some time synthetic drugs. XTC made in many forms, colors, and effects. We talk in this book about the ordinary old fashioned drugs in the form of cocaine. We're going to expose what is behind and who are the true drug dealers. The old fashioned drug is still the trade with which the super rich enrich themselves. Also, it is the elite who use a lot of this stuff. You can make it clear that most of the top in the business world but also the politics and those who move into higher layers are the permanent users of the cocaine stuff. Often in the most pure form and often used daily like a breakfast and dinner. But first, I like to elaborate some things: what is cocaine and who are the driving forces behind these drugs according to world organizations of detecting drugs. Let's talk about drugs. **Victorian Jamaica** Tim Barringer, Wayne Modest, 2018-04-19

Victorian Jamaica explores the extraordinary surviving archive of visual representation and material objects to provide a comprehensive account of Jamaican society during Queen Victoria's reign over the British Empire from 1837 to 1901. In their analyses of material ranging from photographs of plantation laborers and landscape paintings to cricket team photographs, furniture, and architecture as well as a wide range of texts, the contributors trace the relationship between black Jamaicans and colonial institutions, contextualize race within ritual and performance, and outline how material and visual culture helped shape the complex politics of colonial society. By narrating Victorian history from a Caribbean perspective, this richly illustrated volume featuring 270 full-color images offers a complex and nuanced portrait of Jamaica that expands our understanding of the wider history of the British Empire and Atlantic world during this period. Seyhan,2012-01-06 Some of the most innovative writers of contemporary literature are writing in diaspora in their second or third language Here Azade Seyhan describes the domain of transnational poetics they inhabit She begins by examining the works of selected bilingual and bicultural writers of the United States including Oscar Hijuelos Maxine Hong Kingston and Eva Hoffman and Germany Libuse Mon kov Rafik Schami and E S zdamar among others developing a new framework for understanding the relationship between displacement memory and language Considering themes of loss witness translation identity and exclusion Seyhan interprets diasporic literatures as condensed archives of cultural and linguistic memory that give integrity and coherence to pasts ruptured by migration The book next compares works by contemporary Chicana and Turkish German women writers as innovative and sovereign literary voices within the larger national cultures of the United States and Germany Seyhan identifies in American multiculturalism critical clues for analyzing new cultural formations in Europe and maintains that Germany s cultural transformation suggests new ways of reading the American literary mosaic Her approach however extends well beyond these two literatures She creates a critical map of a third geography where a transnational multilingual literary movement is gathering momentum Writing Outside the Nation both contributes to and departs from postcolonial studies in that it focuses specifically on transnational writers working outside of their mother tongue and compares American and German diasporic literatures within a sophisticated conceptual framework It illustrates how literature s symbolic economy can reclaim lost personal and national histories as well as connect disparate and distant cultural traditions Self-Mothering Deborah L. Bernal,2017-07-10 Raising ourselves from cradle to grave is a big job

Breaking old habits and challenging our cultivated mindsets is difficult As children we are guided by our parents and teachers but as adults who assists us in our development Who can help us to heal the wounds of our childhoods repair the brokenness of our adulthoods and inspire the next chapters of our new lives While it takes a village to raise a child it takes a council to raise an adult In Self Mothering My Mothers Council author and physiatrist Deborah Lee Bernal introduces an

active process to help us find heroes contemporary role models and personal mentors people that we can rely on to help us develop and heal as adults Through this process of self mothering you can choose who motivates you and whom you want to emulate for your own council of mothers this council can guide you to your destiny and Dr Bernal suggests a number of renowned women to follow on this path Maya Angelou the lawyer mother Fa Mulan mother wit the biblical prophetess Deborah the queen mother Mother Teresa doctor mom Harriet Tubman the godmother and many many more The lives of these women speak volumes and can today reveal a path to your own enlightenment You do not have to choose these mothers you can choose the women for your own council of mothers Because through all stages of our lives we need our mothers counsel

Coronation Chicken Nigel Barley, 2014-04-27 It is 1953 in southern England the time of the Coronation and Jack is a small boy from the poor end of the village who is trying desperately to understand the strange people he has been born into After the gritty state regulated austerity of the war it is supposed to be a time for the celebration of cherished values and national renewal and the idea is to share the ultimate luxury food a chicken at a street party as a symbol of all that is eternal in the British identity But things do not go as planned and begin to fall apart in the face of death sex and changing reality Coronation Chicken is a darkly comic novella that mixes personal recollection anthropological insight and humour to give a portrait of a post war Britain that has now vanished for ever It is at once nostalgic and more than a little unnerving
