**Nancy Thomson de Grummond**

## Queen Christina:

**Queen Christina of Sweden** Joanne Mattern, 2009 Describes the life and death of Queen Christina Vasa of Sweden  
Provided by publisher The Gay 100 Paul Russell, 2002-04 Covering 2 500 years and celebrating a diverse range of individuals a fascinating volume selects and ranks a vast array of writers thinkers artists musicians military leaders politicians and gay rights activists who have had a lasting impact on how gay men and lesbians define themselves Reprint

Queen Christina of Sweden and her Circle Susanna Åkerman, 1991-07-01 The life and works of Queen Christina of Sweden 1626 1689 have often been obscured behind a haze of lurid myths and legends This book looks again at her notorious abdication of 1654 seeing it against the background of her reputation as a libertine a heterodox religious thinker Her subsequent conversion to Catholicism is therefore understood as a consequence of messianic and millenarian expectations during those turbulent years and her bizarre attempt in 1657 to become the ruler of Naples is revealed to be the political wing of a comprehensive religious and intellectual philosophy Queen Christina Georgina Masson, 1974 This is a biography of Kristina of Sweden who would have preferred to have been a man and in reality behaved like one who loved power but had to abdicate the Swedish throne Nevertheless she never ceased for a moment to be royal The author recounts her life in 17th century Sweden and later in Rome Publisher **Memoirs of Christina, Queen of Sweden** Henry Woodhead, 1863 Queen Christina Marcia Landy, Amy Villarejo, 2019-07-25 Each volume in the BFI Film Classics series features a brief production history detailed filmography notes and bibliography This text explores MGM's 1933 production of Queen Christina starring Greta Garbo from a feminist perspective The authors explore the role of Christina who fleeing an arranged marriage is forced to disguise herself as a man They read the film partly from a lesbian perspective as well as looking at other ways in which gender and power impose contradictory pressures **Queen Christina of Sweden.**

**Documents and studies. Edited by M. von Platen. [With illustrations, including portraits.].** Magnus von Platen, 1966

**Figuring a Queen** Camilla Eleonora Kandare, 2009 **Christina, Queen of Sweden** Veronica Buckley, 2005-09-27 Not unlike the elusive figure played by Greta Garbo the real Queen Christina stood among the most flamboyant and controversial figures of the seventeenth century All of Sweden could not contain her ambition or quench her thirst for adventure Freed from her crown she cut a breathtaking path across Europe spending madly seeking out a more majestic throne and stirring up trouble wherever she went With a dazzling narrative voice and unerring sense of the period Veronica Buckley goes beyond historical myth to breathe life into an extraordinary woman who set the world on fire and became an icon of her age a time of enormous change when Europe stood at the crossroads of religion and science antiquity and modernity war and peace This P S edition features an extra 16 pages of insights into the book including author interviews recommended reading and more **Dictionary of National Biography** Leslie Stephen, Sir Sidney Lee, 1901 *The Dictionary of National Biography* Sir Sidney Lee, 1901 *Dictionary of national biography, ed. by L. Stephen (and S. Lee). [With] Suppl. 3*

vols.; *Index and epitome [and] Errata* Dictionary, 1901

**Premodern Rulers and Postmodern Viewers** Janice North, Karl

C. Alvestad, Elena Woodacre, 2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's *Isabel* and a lesbian Queen Christina in *The Girl King*. This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism. Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences. The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today.

*Royal Portraits in Hollywood* Elizabeth Ford, 2009-06-26 In the history of cinema many film genres have gained and lost popularity with the changing times but one has maintained its supreme reign the royal biopic. In *Royal Portraits in Hollywood: Filming the Lives of Queens* authors Elizabeth A. Ford and Deborah C. Mitchell follow the lives of historical queens as depicted on film from the 1930s to the present. Women as diverse as Catherine the Great, Cleopatra, Mary Stuart and Marie Antoinette have been represented on the silver screen dominating the masculine world of politics while maintaining their femininity. During the golden age of American film these roles gave Hollywood a means of portraying powerful women without threatening the patriarchal social order. Depictions of the lives of queens have progressed from idealized and romanticized portraits to the more personal complex portrayals of modern Hollywood. By walking the line between fact and fiction these royal portraits of queens reveal just as much about our society as they do about the historical periods they represent. Audiences are drawn to the theaters year after year because the lives of queens promise good drama and attract some of the most talented actresses. The success of Hollywood's leading ladies in playing queens further solidifies the link between Hollywood royalty and authentic royalty. Actresses such as Bette Davis, Judy Dench, Helen Mirren, Elizabeth Taylor and Greta Garbo have done more than influence the way we imagine historical queens they also have changed how we perceive women in powerful positions today. *Royal Portraits in Hollywood* analyzes seventy-five years of films about queens as well as the lives of the actresses who starred in them. Combining biographical sketches and excerpts from letters and journals Ford and Mitchell show how filmmaking and our society's perceptions of gender have changed. The authors compare Hollywood's on-screen portrayals to the historical records often drawing connections to the actresses' careers and personal lives. This comprehensive analysis provides a more complete picture of the lives that take place behind the thrones both real and fictional. The spectacle of a woman dressed in the full regalia of power remains a compelling image in our society. Hollywood actresses and the queens they portray are women who wield power and by examining the lives of these women the authors reveal not only society's perceptions about female power but also how those perceptions continue to evolve.

**Girls Will Be Boys** Laura

Horak,2016-02-26 2016 Choice Outstanding Academic Title Finalist for 2016 Richard Wall Memorial Award by the Theatre Library Long listed for the 2017 Kraszna Krausz Best Photography Book Award from the Kraszna Krausz Foundation Marlene Dietrich Greta Garbo and Katharine Hepburn all made lasting impressions with the cinematic cross dressing they performed onscreen What few modern viewers realize however is that these seemingly daring performances of the 1930s actually came at the tail end of a long wave of gender bending films that included more than 400 movies featuring women dressed as men Laura Horak spent a decade scouring film archives worldwide looking at American films made between 1908 and 1934 and what she discovered could revolutionize our understanding of gender roles in the early twentieth century Questioning the assumption that cross dressing women were automatically viewed as transgressive she finds that these figures were popularly regarded as wholesome and regularly appeared onscreen in the 1910s thus lending greater respectability to the fledgling film industry Horak also explores how and why this perception of cross dressed women began to change in the 1920s and early 1930s examining how cinema played a pivotal part in the representation of lesbian identity Girls Will Be Boys excavates a rich history of gender bending film roles enabling readers to appreciate the wide array of masculinities that these actresses performed from sentimental boyhood to rugged virility to gentlemanly refinement Taking us on a guided tour through a treasure trove of vintage images Girls Will Be Boys helps us view the histories of gender sexuality and film through fresh eyes

**Encyclopedia of the History of Classical Archaeology** Nancy Thomson de Grummond,2015-05-11 With 1 125 entries and 170 contributors this is the first encyclopedia on the history of classical archaeology It focuses on Greek and Roman material but also covers the prehistoric and semi historical cultures of the Bronze Age Aegean the Etruscans and manifestations of Greek and Roman culture in Europe and Asia Minor The Encyclopedia of the History of Classical Archaeology includes entries on individuals whose activities influenced the knowledge of sites and monuments in their own time articles on famous monuments and sites as seen changed and interpreted through time and entries on major works of art excavated from the Renaissance to the present day as well as works known in the Middle Ages As the definitive source on a comparatively new discipline the history of archaeology these finely illustrated volumes will be useful to students and scholars in archaeology the classics history topography and art and architectural history

**Empresses and Queens in the Courtly Public Sphere from the 17th to the 20th Century** Marion Romberg,2022-02-22 This book analyzes the evolving interaction between court and media from an understudied perspective Eight case studies focus on different European Empress consorts and Queen regnants from the seventeenth to the twentieth centuries using a comparative cross media and cross period approach The volume addresses a multitude of questions ranging from how dynastic women achieved public prominence through their portraits how their faces and bodies were moulded and rearticulated to fit varying expectations in the courtly public sphere and the degree to which they as female actors engaged with or had agency within the processes of production and reception In particular two types of female rulership and their relationship to diverse media are contrasted

and lesser known and under researched dynastic women are spotlighted Contributors Christine Engelke Anna Fabiankowitsch Inga Lena ngstr m Grandien Titia Hensel Andrea Mayr Alison McQueen Marion Romberg and Alison Rowley

The Great Garbo Robert Payne,2002-09-06 This revealing and insightful biography of screen icon Greta Garbo contains over 100 luxurious photos from her films and her life **Landscape and the Visual Hermeneutics of Place, 1500-1700**

Karl A.E. Enenkel,Walter Melion,2020-12-29 This volume examines the image based methods of interpretation that pictorial and literary landscapists employed between 1500 and 1700 The seventeen essays ask how landscape construed as the description of place in image and or text more than merely inviting close viewing was often seen to call for interpretation or better for the application of a method or principle of interpretation Contributors Boudewijn Bakker William M Barton Stijn Bussels Reindert Falkenburg Margaret Goehring Andrew Hui Sarah McPhee Luke Morgan Shelley Perlove Kathleen P Long Lukas Reddemann Denis Ribouillault Paul J Smith Troy Tower and Michel Weemans Ideal Beauty Lois W.

Banner,2023-09-15 One of the silver screen s greatest beauties Greta Garbo was also one of its most profound enigmas A star in both silent pictures and talkies Garbo kept viewers riveted with understated performances that suggested deep melancholy and strong desires roiling just under the surface And offscreen the intensely private Garbo was perhaps even more mysterious and alluring as her retirement from Hollywood at age thirty six only fueled the public s fascination Ideal Beauty reveals the woman behind the mystique a woman who overcame an impoverished childhood to become a student at the Swedish Royal Dramatic Academy an actress in European films and ultimately a Hollywood star Chronicling her tough negotiations with Louis B Mayer at MGM it shows how Garbo carved out enough power in Hollywood to craft a distinctly new feminist screen presence in films like Queen Christina Banner draws on over ten years of in depth archival research in Sweden Germany France and the United States to demonstrate how away from the camera s glare Garbo s life was even more intriguing Ideal Beauty takes a fresh look at an icon who helped to define female beauty in the twentieth century and provides answers to much debated questions about Garbo s childhood sexuality career illnesses and breakdowns and spiritual awakening

This is likewise one of the factors by obtaining the soft documents of this **Queen Christina** by online. You might not require more become old to spend to go to the book opening as capably as search for them. ## **Queen Christina Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Queen Christina PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Queen Christina PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Queen Christina free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Queen Christina Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
