## **Queen Mary Her Inception And History:**

*The Queen Mary* Neil Potter, Jack Frost, 1971-01-01      *The Mary. The Queen Mary: Her Inception and History. New Updated Edition* Neil POTTER (and FROST (Jack) M.I.R.E.), 1971      **Ghosts of the Queen Mary** Brian Clune, Bob Davis, 2018-10-20 Learn the stories behind this luxurious and haunted ocean liner Includes photos For thirty one years the RMS Queen Mary sailed the North Atlantic It helped defeat Hitler and was the ship of choice for the world s rich and famous Now in retirement in the Port of Long Beach the Stateliest Ship Afloat plays host to tourists travelers and more than six hundred spirits that roam her halls and passageways These choice decks remain the floating home of a few regulars including the oft glimpsed White Lady as well as Little Jackie John Henry and of course Grumpy Join paranormal investigators Brian Clune and Bob Davis as they take you to the hot spots of activity from port to starboard and relate tales from the dockside about the spirits that haunt the grandest liner ever built      **The Art of the RMS Queen Mary** Douglas Murrell Hinkey, 1994      Interior Design and Identity Susie McKellar, Penny Sparke, 2004-11-27 This chronologically arranged set of case studies looks at how interior design has constantly redefined itself as a manifestation of culture from the eighteenth century to the present day The book looks at the amateur activities of female home makers in search of creative outlets and married couples seeking to modernize their homes as well as the contributions of early professional female interior decorators and later male interior designers It also considers the more anonymous role of commercial enterprises such as hairdressing salons cruise ships or modern offices Issues relating to interiority gender and the relationship of the public sphere are also considered opening up a new level of design historical enquiry      **Los Angeles-Long Beach Harbors Channel Improvements** , 1984      **Designing Liners** Anne Wealleans, 2006-09-27 This in depth history of the interior design of ocean liners surveys the transient history of interior design in relation to the development of passenger shipping from commissioning by the line owners methods and sources for the original creation of designs through to its construction use and influence It is a short lived branch of architecture and design lasting an average of fifteen years As the design and taste mirrors and reinforces cultural assumptions about national identity gender class and race not only did the interiors of ocean going liners reflect the changing hierarchies of society and shifting patterns in globalization but the glamour and styling of the liners were reflected back into the design of interiors on land Combining design history architecture history material and visual cultures *Designing Liners* is a richly multidisciplinary work for those studying or researching this application of interior design      Designing Liners Anne Massey, 2020-11-29 *Designing Liners A History of Interior Design Afloat* covers the interior design of these floating palaces from the mid nineteenth century to the twenty first century In this new edition the design heritage of the ocean liner is also explored in this age of a growing holiday cruise market The book offers the first history and analysis of this highly significant aspect of the design of interiors which mirrors and reinforces cultural assumptions about national identity gender class and ethnicity The interiors of ocean liners reflect the changing

hierarchies of society and shifting patterns of globalization The trajectory of the professionalization of interior design is the connecting narrative of the book from the local decorating firm to the internationally renowned architect It is an important addition to interior design research and takes this transitory building type as its subject This book provides the first survey of the transient history of interior design in relation to the development of passenger shipping The history of these great ship interiors is tracked from their commissioning by the line owners the materials methods and sources for the initial creation their construction their use and their reception The demise and re purposing of the interiors is also covered in this new edition with additional material on the South African Union Castle and P O Lines Drawing on a broad range of original research Anne Massey s approach combines interior design studies design history architectural history and maritime studies The new edition has been carefully designed to include black and white and colour illustrations

**Mary Queen of Scots** Jayne Lewis,2005-08-04 As an historical figure Mary Queen of Scots has been perpetually represented on canvas page and stage and has captured the British imagination since the time of her death in 1587 The real Mary Stuart however has remained an enigma Mary Queen of Scots Romance and Nation sheds light on Mary s life by exploring four main themes the history of Mary s representation in Britain from the late Tudor period focusing on key periods in the formation of the British identity and closely analysing several texts against a background of the visual musical and literary works of each period the reasons why those representing Mary have been so conscious that her image was largely a debatable fiction the identification of symbolic styles using Mary to reveal the habits of representation in each historical period The link between the image of Mary Stuart and Britain s long struggle to define itself as a single nation focusing on the roles of gender and religion in this development

**A Cultural History of Race in the Middle Ages** Thomas Hahn,2023-06-01 This volume presents a comprehensive and collaborative survey of how people individually and within collective entities thought about experienced and enacted racializing differences Addressing events texts and images from the 5th to the 16th centuries these essays by ten eminent scholars provide broad multi disciplinary analyses of materials whose origins range from the British Isles Western Iberia and North Africa across Western and Eastern Europe to the Middle East These diverse communities possessed no single word equivalent to modern race a term raza for genetic religious cultural or territorial difference that

emerges only at the end of the medieval period Chapter by chapter this volume nonetheless demonstrates the manifold beliefs practices institutions and images that conveyed and enforced difference for the benefit of particular groups and to the detriment of others Addressing the varying historiographical self consciousness concerning race among medievalist scholars themselves the separate analyses make use of paradigms drawn from social and political history religious environmental literary ethnic and gender studies the history of art and of science and critical race theory Chapters identify the eruption of racial discourses aroused by political or religious polemic centered upon conversion within and among Jewish Christian and Islamic communions and inspired by imagined or sustained contact with alien peoples Authors draw their evidence from Hebrew Latin Arabic and a profusion of European vernaculars and provide searching examinations of visual artefacts ranging from religious service books to maps mosaics and manuscript illuminations      *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1901      **Reflections of a Stereo Pioneer** Arthur C. Keller,1986
